In *Sacred Song in America*, Stephen A. Marini explores the full range of American sacred music and demonstrates how the meanings and functions of this musical expression can contribute to a greater understanding of religious culture. Marini examines the role of sacred song across the United States, from the musical traditions of Native Americans and the Hispanic peoples of the Southwest, to the Sacred Harp singers of the rural South and the Jewish music revival to the music of the Mormon, Catholic, and Black churches. Including chapters on New Age and Neo-Pagan music, gospel music, and hymnals as well as interviews with iconic composers of religious music, *Sacred Song in America* pursues a historical, musicological, and

theoretical inquiry into the complex roles of ritual music in the public religious culture of contemporary America.

And in the case of Abby and Genie, something much more.

Laura Sobiech tells the amazing story of how God used her son's battle with cancer to touch the lives of millions. "Okay, Lord, you can have him. But if he must die, I want it to be for something big. I want someone's life to be changed forever." This is what Laura Sobiech prayed when she found out her seventeen-year-old son had only one year to live. With this desperate prayer, she released her son to God's will. At that point, Zach Sobiech was

just another teenager battling cancer. When his mother told him to think about writing good-bye letters to family and friends, he decided instead to write songs. One of them, “Clouds,” captured hearts and changed not one life but millions, making him an international sensation. But Zach’s story is not just about music. It’s a testament to what can happen when you live as if each day might be your last. It’s a story about the human spirit. It’s about how God used a dying boy from a small town in Minnesota to touch the hearts of millions—including top executives in the music industry, major music artists, news anchors, talk show hosts, actors, priests and pastors, and school children across the globe. Zach once said, “I want to be known as the kid who went down fighting, and didn’t really lose.” Fly a Little Higher is about how God used Zach to do something big.

Bestselling author Lynn Austin’s historical novels have entertained readers worldwide; now, rediscover her beloved contemporary debut. Wilhelmina Brewster and Mike Dolan are two very different people—one is trying to figure out how to live, the other how to die. Wilhelmina Brewster has been a college music professor for 41 years, never marrying, devoting her life to her career instead. After a forced retirement, however, she is mourning and searching for something to fill the empty hours. Widower Mike Dolan is a pilot and World War II veteran who has always lived life to the fullest. But when his cancer returns, he makes plans for a final flight in his airplane rather than become a burden to his family. When their paths cross unexpectedly and Wilhelmina accidentally learns of Mike’s plans, she’s horrified, certain he’s making a mistake that she can correct. What she didn’t expect was how spectacularly she would fail, or how completely Mike would change her perspective on life, loss, and faith in the process.

The incredible true story of one woman's journey to relocate the place inside herself where strength, hope, and personal truth reside. After Hurricane Katrina, Alice Anderson has returned home to assess the damage to her beloved Mississippi coastline and the once-immaculate home she'd carefully cultivated for her husband, Dr. Liam Rivers, one of the community's highly respected doctors. But in the wake of this natural disaster, a more terrifying challenge emerges as Liam's mental health spirals out of control, culminating in a violent attack at knifepoint, from which Alice is saved by their three-year-old son. Afraid for her life, she flees with her children. What ensues is an epic battle—emotional, psychological, spiritual, and legal—for her children’s welfare, for self-preservation, and ultimately for redemption. It’s an unrelenting battle that persists even as life goes on, finally coming full circle when the same son who saved Alice ten years before endures an eerily-familiar violent encounter at his father’s hands. The #1 New York Times bestselling author returns to the characters in Firefly Lane in her next blockbuster novel, Fly Away. Once, a long time ago, I walked down a night-darkened road called Firefly Lane, all alone, on the worst night of my life, and I found a kindred spirit. That was our beginning. More than thirty years ago. TullyandKate. You and me against the world. Best friends forever. But stories end, don't they? You lose the people you love and you have to find a way to go on. . . . Tully Hart has always been larger than life, a woman fueled by big dreams and driven by memories of a painful past. She thinks she can overcome anything until her best friend, Kate Ryan, dies. Tully tries to fulfill her deathbed promise to Kate—to be there for Kate's children—but Tully knows nothing about family or motherhood or taking care of people. Sixteen-year-old Marah Ryan is devastated by her mother's death. Her father, Johnny, strives to hold the family together, but even with his best efforts, Marah becomes unreachable in her grief. Nothing and no one seems to matter to her . . . until she falls in love with a young man who makes her smile again and leads her into his dangerous, shadowy world. Dorothy Hart—the woman who once called herself Cloud—is at the center of Tully's tragic past. She repeatedly abandoned her daughter, Tully, as a child, but now she comes back, drawn to her daughter's side at a time when Tully is most alone. At long last, Dorothy must face her darkest fear: Only by revealing the ugly secrets of her past can she hope to become the mother her daughter needs. A single, tragic choice and a middle-of-the-night phone call will bring these women together and set them on a poignant, powerful journey of redemption. Each has lost her way, and they will need each one another—and maybe a miracle—to transform their lives. An emotionally complex, heart-wrenching novel about love, motherhood, loss, and new beginnings, Fly Away reminds us that where there is life, there is hope, and where there is love, there is forgiveness. Told with her trademark powerful storytelling and illuminating prose, Kristin Hannah reveals why she is one of the most beloved writers of our day.
