that does justice to his complex and charged subject. In my view, Eagleton does what every scholar of literature should attempt to do: make his analysis accessible to a wide reading audience without sacrificing the intellectual rigor of his work. On Evil: Eagleton, Terry: 9780300171259: Amazon.com: Books The tale of On Evil by Terry Eagleton is a short book as intellectual treatises go, logging in at 192 pages. Especially short because it attempts to encircle the whole of evil known to man. Professor Eagleton is the man for the job as his intellectual credential On Evil by Terry Eagleton In his book On Evil, Terry Eagleton offers his readers an eminently readable treatise that combines literary criticism and philosophy in a way that does justice to his complex and charged subject. In my view, Eagleton does what every scholar of literature should attempt to do: make his analysis accessible to a wide reading audience without sacrificing the intellectual rigor of his work. On Evil - Kindle edition by Eagleton, Terry. Politics ... Analyzing some of Western literature's major pronouncements on evil from Thomas Aquinas to William Golding,

Eagleton (Reason, Faith and Revolution) pieces together what he sees as the defining features of evil in a rather unsystematic way, before grounding his own vision of evil in Freud's notion of the death drive, describing evildoers as suffering from \"an unbearable sense of non-being\" which must \"be taken out on the other.\" On Evil by Terry Eagleton, Paperback | Barnes & Noble® In this witty, accessible study, the prominent Marxist thinker Terry Eagleton launches a surprising defense of the reality of evil, drawing on literary, theological, and psychoanalytic sources to suggest that evil, no mere medieval artifact, is a real phenomenon with palpable force in our contemporary world.
