 "Romance is the privilege of the rich, not the profession of the unemployed." Hughie, a charming young man with no money, wants to marry a girl named Laura. But Laura's father is concerned with Hughie's lack of wealth and tells him he can only have his daughter if he comes up with 10,000 pounds. Defeated, Hughie visits his artist friend, who in painting a portrait of a beggar. Meeting the beggar outside, Hughie gives him some money. What he doesn't know is that the man isn't a beggar at all but a wealthy baron, and Hughie's generosity might just be the thing to change his life. *The Model Millionaire* is a charming and funny little story, similar in setting to *The Picture of Dorian Gray*, but far more optimistic. A delightful read. Oscar Wilde (1854-1900) was an Irish playwright, novelist, essayist, and poet, famous for 'The Picture of Dorian Gray' and 'The Importance of Being Earnest' to name a couple. He was believed to be a

homosexual and met a lot of resistance in his life on that account. He died in Paris at the age of 46.

"The Canterville Ghost is a short story by Oscar Wilde. It was the first of Wilde's stories to be published, appearing in two parts 23 February and 2 March 1887. The story is about an American family who move to a castle haunted by the ghost of a dead nobleman, who killed his wife and was starved to death by his wife's brothers. The story begins when the American Minister Mr Otis and his family move into Canterville Chase, despite warnings from Lord Canterville that the house is haunted. Mr Otis says that he will take the furniture as well as the ghost at valuation. The Otis family includes Mr and Mrs Otis, their eldest son Washington, their daughter Virginia, and the Otis twins. The other characters include the Canterville Ghost, the Duke of Cheshire Mrs Umney and Rev Augustus Dampier. At first, none of the Otis family believe in ghosts, but shortly after they move in, none of them can deny the presence of Sir Simon de Canterville. The family hears clanking chains, they witness reappearing bloodstains on the floor just by the fireplace, which are removed every time they appear in various forms. But, humorously, none of these scare

the Otis family in the least. In fact, upon hearing the clanking noises in the hallway, Mr Otis promptly gets out of bed and pragmatically offers the ghost Tammany Rising Sun Lubricator to oil his chains."

"The Canterville Ghost" begins with the sale of an old British mansion called Canterville Chase to Horace B. Otis, an American minister. Though the former owner, Lord Canterville, warns Mr. Otis that the mansion is haunted, Mr. Otis is not worried and replies that ghosts do not exist. Soon after, Mr. Otis moves into the Chase with the rest of his family: his wife, Lucretia; his eldest son, Washington; his fifteen-year-old daughter, Virginia; and his two young twin boys. Upon moving in, Mrs. Otis notices a dull red stain on the floor and requests that it be cleaned. Their housekeeper reveals that it is a bloodstain from the murder of Lady Eleanore de Canterville, who was killed in 1575 by her husband, Sir Simon de Canterville, and that it cannot be removed. She warns Mrs. Otis that Sir Simon's guilty ghost still haunts Canterville Chase. Dismissing the housekeeper's story as nonsense, Washington quickly pulls out a container of Pinkerton's Champion Stain Remover, scrubbing it onto the spot until the stain is gone. As soon as the stain is removed, lightning flashes, and a peal of thunder rocks the house. The housekeeper faints in terror. The next morning, the Otises find that the stain has mysteriously returned. For the next few days, they routinely clean the stain only to see it reappear the next morning. Intrigued, the Otis family decides that the house is, in fact, haunted. A few nights later, Mr. Otis is awakened in the middle of the night by a clanking noise. Venturing into the hallway, he encounters the ghost of Sir Simon. Rather than being frightened by Sir Simon's glowing red eyes, matted hair, and rusty manacles, Mr. Otis politely insists that the ghost oil his chains and gives him a bottle of Tammany Rising Sun Lubricator for this purpose. Utterly humiliated, Sir Simon retreats down the hallway until he encounters the twins, who throw pillows at his head. Returning to his chamber, Sir Simon remembers his long and successful career as a ghost, fuming that never in three hundred years of haunting maids and guests has he been so insulted. Determined to scare these "wretched modern Americans," Sir Simon stays up all night plotting his revenge. Though the bloodstain remains, the Otises humorously note that it is changing in color on a daily basis. Virginia Otis, however, does not find the changing stain amusing and appears inexplicably distressed by it. One day, the family discovers Sir Simon in an embarrassing position: he has fallen over while trying to put on a suit of armor. The twins shoot at him with pea shooters and when Sir Simon tries to scare the family with his most evil laugh, Mrs. Otis adds insult to injury by suggesting that he may be suffering from indigestion. For several days afterward, Sir Simon is ill and keeps mostly to his room. Soon, however, he resolves to make a third attempt at scaring the Otises and picks out a suitably terrifying outfit. As he makes his way to Washington's room, however, he is stopped by the twins, who are disguised as a ghost. Believing them to be a real ghost, Sir Simon flees in utter terror. Depressed, Sir Simon retreats from his ghostly duties, deciding not to replace the bloodstain and...

Ignited Minds: Unleashing The Power Within India Freedom with Pluralism

"The Canterville Ghost" is a parody featuring a dramatic spirit named Sir Simon and the United States minister (ambassador) to the Court of St. James's, Hiram B. Otis. Mr. Otis travels to England with his family and moves into a haunted country house. Lord Canterville, the previous owner of the house, warns Mr. Otis that the ghost of Sir Simon de Canterville has haunted it ever since he killed his wife, Eleonore, three centuries before. But Mr. Otis dismisses the ghost story as bunk and disregards Lord Canterville's warnings. When the Otises learn that the house is indeed haunted, they succeed in victimizing the ghost and in disregarding age-old British traditions. What emerges is a satire of American materialism, a lampoon of traditional British values, and an amusing twist on the traditional gothic horror tale.

The Ramsays, India's first family of horror, are synonymous with the supernatural and gore. Through their films and series they introduced India to churails that floated across the screen, ghouls that woke up from eerie graveyards, and houses that buzzed with ghosts. But few knew that behind the production drama, elaborate sets, and haunting showtunes, there was a more sinister story. For the Ramsays, the supernatural wasn't just stuck to the screens and camera - it crept into their lives, too. Alisha Kirpalani, the granddaughter of FU Ramsay, has grown up on stories that question reality and bring a chill to the bone. In time, she, too, followed her family's footsteps and saw through

the veil that separates this world and the Other. From the woman on the highway that Shyam Ramsay met to an eerie and persistent knocking that came from every house that Tanuja Ramsay lived in to Amit Ramsay's unwelcome dead visitor at Lamington House, the original home of the Ramsays, this book has the improbable, bizarre and spine-chilling all parading through its chapters.
