KYLER BRENNAN

Elvis World Thomas Nelson

Almost the only indisputable fact about Colonel Tom Parker is that he was the manager of the greatest performer in popular music: Elvis Presley. His real name wasn't Tom Parker — indeed, he wasn't an American at all, but a Dutch immigrant called Andreas van Kujik. And he certainly wasn't a proper military colonel: he purchased his title from a man in Louisiana. But while the Colonel has long been acknowledged as something of a charlatan, this book is the first to reveal the extraordinary extent of the secrets he concealed, and the consequences for the career, and ultimately the life, of the star he managed. As Alanna Nash's prodigious research has discovered, the Colonel left Holland most probably because, at the age of twenty, he bludgeoned a woman to death. Entering the US illegally, he then enlisted in the army as "Tom Parker". But, with supreme irony for someone later styling himself as Colonel, Parker's military career ended in desertion, and discharge after a psychiatrist had certified him as a psychopath. He then became a fairground barker, working sideshows with a zeal for small-scale huckstering and the casual scam that never left him. And by the height of Elvis's success, Parker had become a pathological gambler who, at the same time as he was taking, amazingly, a full 50% of Presley's earnings, frittered away all his wealth in the casinos of Las Vegas. As Nash shows, therefore, the often baffling trajectory of Elvis Presley's career makes perfect sense once the

secret imperatives of the Colonel's life are known. Parker never booked Presley for a tour of Europe because of the dark secret that ensured he himself could never return there. Even at his most famous, Elvis was still being booked to play out-of-the-way towns in North Carolina — because the former fairground barker (who shamelessly negotiated as such even with top record company and film executives) knew them from his days on the circus circuit. And Elvis was trapped playing years of arduous seasons in Las Vegas — two shows nightly, seven days a week, until boredom and despair brought on the excessive drug use that killed him — because for Parker he was an open cheat whose huge earnings prevented his manager's losses at the gambling tables being called in. Alanna Nash knew Parker towards the end of his life, and has now uncovered the whole story, improbable, shocking, and never less than compelling, of how this larger-than-life man made, and then unmade, popular music's first and greatest superstar. Baby, Let's Play House Simon and Schuster

Elvis, Linda and Me recalls Elviss legendary generosity extended to Dumas in the form of a three-and-a-half-carat yellow-gold cluster diamond ring for, in Elviss words, being a good friend to Linda. Elvis, Linda and Me also recalls his legendary temper and affinity for firearms, recounting one incident when Elviss car wouldnt start and The King responding by pulling out a gun and shooting the car as if it was a villain in one of his western movies!

All Cooked Up Pearson UK

'For a dead man, Elvis Presley is awfully noisy. His body may have failed him in 1977, but today his spirit, his image, and

his myths do more than live on: they flourish, they thrive, they multiply.' Why is Elvis Presley so ubiquitous a presence in US culture? Why does he continue to enjoy a cultural prominence that would be the envy of the most heavily publicized living celebrities? In *Elvis* after Elvis Gil Rodman traces the myriad manifestations of The King in popular and not-so-popular culture. He asks why Elvis continues to defy our expectations of how dead stars are supposed to behave: Elvis not only refuses to go away, he keeps showing up in places where he seemingly doesn't belong. Rodman draws upon an extensive and eclectic body of Elvis 'sightings', from Elvis's appearances at the heart of the 1992 Presidential campaign to the debate over his worthiness as a subject for a postage stamp, and from Elvis's central role in furious debates about racism and the appropriation of African-American music to the world of Elvis impersonators and the importance of Graceland as a place of pilgrimage for Elvis fans and followers. Rodman shows how Elvis has become inseparable from many of the defining myths of US culture, enmeshed with the American dream and the very idea of the 'United States', caught up in debates about race, gender and sexuality and in the wars over what constitutes a national culture.

Breaking Through Gramercy
Gathers unusual and little-known facts about rock and roll performers, groups, recordings, and history

In the Kitchen with Love Simon and Schuster

A study of the cultural phenomenon that Elvis was and continues to be ten years after his death, this is the first book to be published with the authority of Graceland, who allowed the authors access to their extensive photographic

archives. Apart from outlining his music, his movies, his life and the legend, Elvis memorabilia photographs are included, such as 1950s fan magazines, Elvis wallets and handkerchiefs.

The Book of Rock Lists Mango Media

Contains nearly 300 recipes, family photographs, and reminiscences from Elvis Presley's family and friends
Sixteen Cowries [New York] : Dell Publishing Company

First in the ground-breaking HUNGER GAMES trilogy, this new foiled edition of THE HUNGER GAMES is available for a limited period of time. Set in a dark vision of the near future, a terrifying reality TV show is taking place. Twelve boys and twelve girls are forced to appear in a live event called The Hunger Games. There is only one rule: kill or be killed. When sixteen-year-old Katniss Everdeen steps forward to take her younger sister's place in the games, she sees it as a death sentence. But Katniss has been close to death before. For her, survival is second nature.

Fierce Pajamas Routledge

The road that runs through all our lives, paved with treasured memories of family, food, and fun, is our infinite feast, of holidays and special occasions and all the other days in between. All generations will be glad to see these old and new recipes, such as Tomato Okra Casserole, Nanaimo Bars, Paradise Almond Chicken, and Strawberry Cheesecake Cupcakes. The book is divided seasonally, from the new year to

the harvest moon, with chapters such as "The Winter Feast," "Holiday in Venice," "Patio Party," and "Silver Bells."

Are You Hungry Tonight? Cumberland House

Life of Pi is a masterful and utterly original novel that is at once the story of a young castaway who faces immeasurable hardships on the high seas, and a meditation on religion, faith, art and life that is as witty as it is profound. Using the threads of all of our best stories, Yann Martel has woven a glorious spiritual adventure that makes us question what it means to be alive, and to believe.

This is the ultimate Elvis diet - forget healthy living; here you'll find peanut butter sandwiches fried in butter, fried potato sandwiches, corn beef hash and ice cream sodas. Nothing slimming, nothing good for you - just hearty, tasty southern food. Food fit for the King... In this celebration of Elvis' lust for life and food, David Adler has been to where the King ate, and talked to the people who dined with him. He has come up with nearly a hundred delicious recipes from Elvis' table and a host of colorful stories from those who knew him best. It is the story of Elvis' life through the food he ate and the people who fed him.

The Colonel Greenwood Publishing Group

When Harold Ross founded The New Yorker in 1925, he called it a "comic weekly." And although it has become much more than that, it has remained true in its irreverent heart to the founder's description, publishing the most illustrious literary humorists in the modern era—among them Robert Benchley, Dorothy Parker, Groucho Marx, James Thurber, S. J. Perelman, Mike Nichols, Woody Allen, Calvin Trillin,

Garrison Keillor, Ian Frazier, Roy Blount, Jr., Steve Martin, and Christopher Buckley. *Fierce Pajamas* is a treasury of laughter from the magazine *W. H. Auden* called the "best comic magazine in existence."

Secret Ingredients Penguin UK

Elvis fans can eat like the King with this collection of more than 300 recipes from his family and friends. All of Elvis' favorites, from the famous Friend Peanut Butter and Banana Sandwich to southern classics like cornbread and collard greens. Over 100 black-and-white and color photographs offer an intimate look at the King relaxing with his family, taking breaks from performing, and—of course—eating. Personal accounts from Elvis' cousins, close friends and his personal cook of more than 25 years detail the intimate side of Elvis and his everyday life, and fun facts and trivia offer even more insight and nostalgia. Just a few of the delicious recipes in this culinary tribute to the King: •

Sweetheart Sweet Potato Surprise • Aunt Alice's Great Pork Chop Skillet Dinner • Elvis' Favorite Roast Beef • Moody Blue Meat Loaf • Britches Barbecue Brisket
