Letters of Note, the book based on the beloved website of the same name, became an instant classic on publication in 2013, selling hundreds of thousands of copies. This new edition sees the collection of the world's most entertaining, inspiring and unusual letters updated with fourteen riveting new missives and a new introduction from curator Shaun Usher. From Virginia Woolf's heart-breaking suicide letter to Queen Elizabeth II's recipe for drop scones sent to President Eisenhower; from the first recorded use of the expression 'OMG' in a letter to Winston Churchill, to Gandhi's appeal for calm to Hitler; and from Iggy Pop's beautiful letter of advice to a troubled young fan, to Leonardo da Vinci's remarkable job application letter, Letters of Note is a celebration of the power of written correspondence which captures the humour, seriousness, sadness and brilliance that make up all of our lives.

Renewing the Christian voice, conscience, and imagination so that we can become compelling witnesses of the Gospel in today's culture. Christianity has an image problem. While the culture we inhabit presents us with an increasingly anti-Christian and disenchanting position, the church in the West has not helped its case by becoming anti-intellectual, fragmented, and out of touch with the relevancy of Jesus to all aspects of contemporary life. The muting of the Christian voice, its imagination, and its collective conscience have diminished the prospect of having a genuine missionary encounter with others today. Cultural apologetics attempts to demonstrate not only the truth of the Gospel but also its desirability by reestablishing Christianity as

the answer that satisfies our three universal human longings—truth, goodness, and beauty. In *Cultural Apologetics*, philosopher and professor Paul Gould sets forth a fresh and uplifting model for cultural engagement—rooted in the biblical account of Paul's speech in Athens—which details practical steps for establishing Christianity as both true and beautiful, reasonable and satisfying. You'll be introduced to: The idea of cultural apologetics as distinct from traditional apologetics. The path from disenchantment with how we understand reality to re-enchantment with the reality of the spiritual nature of things. The practical tools of good cultural engagement: conscience, reason, and imagination. Equip yourself to see, and help others see, the world as it is through the lens of the Spirit—deeply beautiful, mysterious, and sacred. With creative insights, *Cultural Apologetics* prepares readers to share a vision of the Christian faith that is both plausible and desirable, offering clarity for those who have become disoriented in the haze of modern Western culture.

Mama Tandoori Houghton Mifflin Harcourt

A New York Times Notable Book for 2011 A Washington Post Notable Nonfiction Book for 2011 The first authoritative biography of Kurt Vonnegut Jr., a writer who changed the conversation of American literature. In 2006, Charles Shields reached out to Kurt

Vonnegut in a letter, asking for his endorsement for a planned biography. The first response was no ("A most respectful demurring by me for the excellent writer Charles J. Shields, who offered to be my biographer"). Unwilling to take no for an answer, propelled by a passion for his subject, and already deep into his research, Shields wrote again and this time, to his delight, the answer came back: "O.K." For the next year—a year that ended up being Vonnegut's last—Shields had access to Vonnegut and his letters. *And So It Goes* is the culmination of five years of research and writing—the first-ever biography of the life of Kurt Vonnegut. Vonnegut resonates with readers of all generations from the baby boomers who grew up with him to high-school and college students who are discovering his work for the first time. Vonnegut's concise collection of personal essays, *Man Without a Country*, published in 2006, spent fifteen weeks on the New York Times bestseller list and has sold more than 300,000 copies to date. The twenty-first century has seen interest in and scholarship about Vonnegut's works grow even stronger, and this is the first book to examine in full the life of one of the most influential iconoclasts of his time.

Like Mark Twain, Kurt Vonnegut (1922-2007) was a Midwestern everyman steeped in the rhythms of American speech whose anger at the way things are was matched only by his love for the best that we can be. His cunningly relaxed delivery was so original, so finely calibrated, and so profound an articulation of the Sixties' spirit that many critics overlooked the moral seriousness behind the standup-comic craftsmanship. Capturing Vonnegut in pyrotechnic mid-career, this first volume of a projected three-volume edition gathers four of his most acclaimed novels. *Cat's Cradle* (1963) is a comedy of the end of the world (it ends with ice). *God Bless You, Mr. Rosewater* (1965) is the tale of a so-called fool, his money, and the lawyer who contrives to part them (it ends with fire). *Slaughterhouse-Five* (1969), Vonnegut's breakout book and one of the iconic masterpieces of twentieth-century American literature, is the tale of Billy Pilgrim, who, being unstuck in time, is doomed to continually relive both the firebombing of Dresden and his abduction by space aliens. And, in

a text enhanced by the author's spirited line drawings, *Breakfast of Champions* (1973) describes the fateful meeting of "two lonesome, skinny, fairly old white men," one of whom disastrously believes that everyone else is a robot. The volume is rounded out with three brilliant short stories and revealing autobiographical accounts of the bombing of Dresden. This is the second volume of Vonnegut's autobiographical writings—a collage of his own life story, snipped up and stuck down alongside his views on everything from suicidal depression to the future of the planet and Andrew Lloyd Webber. Honest, dark, rambling, funny; this rare glimpse of Vonnegut's soul is a dagger to the heart of Western complacency.

'It wasn't uncommon in my childhood for roti to be off the menu, because the rolling pin was broken again.' Ernest van der Kwast's childhood is peopled by an array of colourful characters: from his strait-laced Dutch father, to Bollywood star Uncle Sharma, and talented heptathlete Aunt Jasleen. But it is his overbearing yet loving Indian mother who is at the centre of this big-hearted, hilarious family saga. Veena van der Kwast is a woman with an iron will, hilarious directness, and a talent for haggling. Armed with her trusty rolling pin, every man she meets is eventually beaten to submission—especially her husband and three sons. Intriguing, surprising, and moving in equal measure, this novel inspired by a very unusual family will make you smile from beginning to end.

Recommended by Entertainment Weekly The hilarious, uncompromising novel about African American domestic workers—from a trailblazer in Black women's literature and now featuring a foreword by Roxane Gay First published in Paul Robeson's newspaper, *Freedom*, and composed of a series of conversations between Mildred, a black domestic, and her friend Marge, *Like One of the Family* is a wry, incisive portrait of working women in Harlem in the 1950s. Rippling with satire and humor, Mildred's outspoken accounts vividly capture her white employers' complacency and condescension—and their startled reactions to a maid who speaks her mind and refuses to exchange dignity for pay. Upon publication the book sparked a critique of working conditions, laying the groundwork for the contemporary domestic worker movement. Although she was critically praised, Childress's uncompromising politics and unflinching depictions of racism, classism, and sexism relegated her to the fringe of American literature. *Like One of the Family* has been long overlooked, but this new edition, featuring a foreword by best-selling author Roxane Gay, will introduce Childress to a new generation.

Few authors have had as much influence on the youth of America than Kurt Vonnegut, Jr. He brought morality and humanism to the

forefront of millions of minds and into the mind of one man in particular. Author, documentary filmmaker, and longtime Huffington Post contributor, Bryan Young has been a lifelong fan and student of Vonnegut's. *God Bless You, Mr. Vonnegut* is his love letter to the late writer, collecting essays, short stories, and other material written over the last ten years, all of it about, or directly inspired by, Vonnegut. From Huffington Post: Young displays here both his depth as a writer and passion for the art itself—much of which he traces back to Kurt Vonnegut. In a chapter devoted to teachers, Young recounts both experiences in his own public schooling and his feelings for Vonnegut as a passive

Moving through a variety of locales and adventures, *The Truth about Marie* revisits the unnamed narrator of Toussaint's

acclaimed *Running Away*, reporting on his now disintegrated relationship with the titular Marie—the story switching deftly between first- and third-person as the narrator continues to drift through life, and Marie does her best to get on with hers. Like all of Toussaint's novels, *The Truth about Marie*'s plot matters far less than its pace and tempo, its chain of images, its sequence of events. From pouring rain in Paris to blazing fires on the island of Elba, from moments of intense action to perfectly paced lulls, *The Truth about Marie* relies on a series of contrasts to tell a beguiling, and finally touching, story of intimacy forever being regained and lost.
