*Instructor's Manual to Accompany Gitman  
Principles of Managerial Finance* Pearson  
Education India  
Known for its time-honored, fully  
integrated learning system, the Eleventh  
Edition stays on the cutting edge with  
progressive new tools and fresh, thought-  
provoking content. Gitman's proven  
learning goal method artfully weaves  
together pedagogy with concepts and

practice, providing students with a road  
map to guide them through the content.  
This revision brings new examples, new  
pedagogical features, and an increased  
emphasis on the ethical implications of  
financial decisions, adding currency and  
depth to the text's effective, consistent  
framework for learning. The new focus on  
ethics explores such provocative topics as  
trusting bond raters and ethical  
accounting practices.

Once again, Principles of Managerial  
Finance brings you a user friendly text  
with strong pedagogical features and an  
easy-to-understand writing style. The new  
edition continues to provide a proven  
learning system that integrates pedagogy

with concepts and practical applications, making it the perfect learning tool for today's students. The book concentrates on the concepts, techniques and practices that are needed to make key financial decisions in an increasingly competitive business environment. Not only does this text provide a strong basis for further studies of Managerial Finance, but it also incorporates a personal finance perspective. The effect is that students gain a greater understanding of finance as a whole and how it affects their day-to-day lives; it answers the question "Why does finance matter to ME?" By providing a balance of managerial and personal finance perspectives, clear exposition, comprehensive content, and a broad range of support resources, Principles of Managerial Finance will continue to be the preferred choice for many introductory finance courses.
