The Armor of God Tyndale Momentum
How do you raise Christian kids who have dreams that seem beyond their reach? Parenting is an important task, but the pressure doesn't need to be on us. As parents, we simply need to follow the leading of the Lord with the understanding that our children's natural abilities are actually the Lord working out their destiny. When we give Christ unlimited control of our parenting, we learn that Jesus is a better parent to our children than we can ever hope to be. As Sheila Erwin shares personal stories of raising two successful filmmakers and delves into biblical principles, you will be encouraged to cultivate your children's gifts and help them reach their dreams—no matter how impossible they seem. By parenting from a position of trust and rest in God, you can guide your children to chase their God-given dreams and channel their talents to glorify God instead of being gripped by the world.

As parents, we deeply desire the best for our kids. We look for the right preschool, teach them to read, and get them involved in extracurriculars. We take our job as parents seriously. But are we also putting our time and energy into teaching them the Bible? Leading our kids to life through Scripture is not only doable, it's an essential part of parenting kids for Jesus. And the good news is studying God's Word as a family doesn't have to be hard or overly time-consuming. This book will give you the tools and confidence to study the Bible as a family. It will help you identify and overcome your objections and fears,

give you a crash course in what the Bible is all about and how to teach it, and provide the tools and techniques to set up a family Bible-study habit. You will finish this book feeling encouraged and empowered to initiate and strengthen your child's relationship with the Lord through his Word.

The magic of *Paint by Sticker Kids* continues, combining the fun of coloring and stickers with the creativity of paint by number. The series just keeps growing, with another much-loved nature-themed topic: Bugs! *Paint by Sticker Kids: Beautiful Bugs* includes everything kids need to create 10 full-color illustrations of their favorite creepy-crawlies: a firefly, a praying mantis, a ladybug, butterflies, ants, a painted grasshopper, a dragonfly, beetles, a bumblebee, and a weevil. Simply find the numbered sticker, peel it, and place it in the right space. Add the next, and the next—and watch a dazzling image come to life with color

and spirit in the modern “low-poly” style (using geometric polygon shapes). The card-stock pages are perforated so artwork can be easily removed for framing or the fridge. Creating sticker art is as fun and meditative as coloring, and it's a refreshing shake-up from the usual crayons and markers. Plus, the peel-and-place system allows kids to practice recognizing and learning numbers in an interactive, stress-free way. And it's a great rainy day or travel activity (no cleanup!) that delivers hands-on fun for less than \$10.

Chronicle Books

In a world where war is a persistent reality in media and in film, there is a larger, consequential war being waged

everyday that is often neglected: the Spiritual war inside of us. Written in the English Puritan era but just as powerful and inspiring today, William Gurnall's timeless epic *The Christian in Complete Armour* serves as a beautifully written and action-packed spiritual guidebook. A call to arms for Christians, Gurnall's expounded sermons on Ephesians 6:10-20 are as practical as they are illuminating. With stunning prose and page-turning excitement, the battle for the soul and the descriptions of the God-given protections and weapons ascribed to the believer are detailed and explained. Gurnall's masterpiece has been inspiring Christians since the 17th century, and has never been as applicable and urgently needed as the present day. Praise of the work: "If I might read only one book beside the Bible, I would choose *The Christian in Complete Armour*." -John Newton "Peerless and priceless; every line full of wisdom." -C. H. Spurgeon "A beautiful feature in Gurnall's book is its richness in pithy, pointed, and epigrammatical sayings. You will often find in a line and a half some great truth, put so concisely, and yet so fully, that you really marvel how so much thought could be got into so few words." -J. C. Ryle
