 Maple sugar kisses Lucy would do anything for her mom...but she never expected to end up promising to leave her. After her mom got sick, Lucy dropped everything to take care of her, working all hours in a greasy diner just to make ends meet and spending every spare moments she had by her mom's hospital bedside. Now, Lucy is faced with a whole year of living by her own rules, starting by taking the first bus out of town to anywhere... Except she didn't expect to find her next big adventure just around the corner! Especially when on her first day in town she bumps into grumpy, but oh-so-delicious Clay amidst the maple trees.

Surrounded by the magic of Ashford, Lucy has the chance to change her life forever and finally discover a life she wants to live! Fall in love with Ashford, Connecticut in this dazzling and beautiful romance from bestselling author Rebecca Raisin. Don't miss a single book in the Once in a Lifetime collection: The Gingerbread Cafe Trilogy: Book 1 - Christmas at the Gingerbread Cafe Book 2 - Chocolate Dreams at the Gingerbread Cafe (The Bookshop on the Corner) Book 3 - Christmas Wedding at the Gingerbread Cafe The Little Paris Collection: The Little Bookshop on the Seine (coming October 2015) The Little Antique Shop under the Eiffel Tower The Little Perfume Shop off the Champs-Élysees Praise for Rebecca Raisin's Gingerbread Cafeseries 'Christmas Wedding at the Gingerbread Café is simply divine, with stunning writing slipping between being utterly romantic, charming and fun-filled and a little emotional.' - 5 Stars from Reviewed the Book '...[Rebecca Raisin]'s a modern Maeve Binchy.

While London leads the marketplace for old masters and oriental works of art, and New York is regarded the center for contemporary art, for more than two centuries Paris has remained the world capital of the antiques market. Here, leading French expert on decorative arts Jean-Louis Gaillemine recounts the fascinating history of the Parisian antiques world: from the French Revolution, when dealers began selling the collections of the French monarchy to a predominantly English clientele, to the Restoration, when furniture and decorative arts of the Ancien Regime began to return to the chateaux; from the new enthusiasm for antiques which grew among the rapidly expanding bourgeoisie under the Second Empire (1852-70), to the arrival of the first Oriental experts towards the end of the century. We accompany the great American collectors, who began to flow into Paris in the 1890s, on their visits to the hotels particuliers of important dealers such as Wildenstein or Duveen, on the Place Vendome or near the Parc Monceau, and discover how, in the 20th century, African art was "launched" by the Cubists from 1910 onwards, and Pre-colombian and Oceanic art by the Surrealists in the 1920s. Taking us through the post-war trends of early 20th-century styles, right up to the present day trend of 1970s design, the author provides a tantalizing account of how, when and why, over the past two centuries, Paris attributed (or denied) certain antiques and antique dealers their popularity and reputation. Complementing this historical account, the book includes a practical guide which lists the addresses of Parisian dealers by district and specialty along with key museums. Luxurious, richly illustrated and informative, *Antiquaires* is an essential item for both amateur and professional antiques collectors, and all those taken by the irresistible allure of the world of antiques and the Parisian market in particular.

In this cozy series debut from Laura Gail Black, Jenna Quinn finds her uncle murdered in his antique bookstore, and Jenna--his primary beneficiary--becomes the prime suspect. Trouble follows Jenna Quinn wherever she goes. Fleeing some unsavory doings in her hometown of Charlotte, Jenna accepts her uncle's gracious invitation to stay with him in small-town Hokes Folly, NC. In exchange, she'll help him out in his antiquarian bookstore. But soon after she arrives, Jenna finds her uncle's body crumpled at

the base of the staircase between his apartment and the bookstore. Before the tragedy even sinks in, Jenna learns that she's inherited almost everything her uncle owned: the store and apartment, as well as his not-so-meager savings and the payout from a life insurance policy...which adds up to more than a million dollars. This is all news to Jenna--bad news, once the police get wind of her windfall. An ill wind, indeed, as a second murder cements Jenna's status as the prime suspect in both deaths. Jenna can hit the road again, taking her chances that she can elude trouble along the way. Or she can stick it out in Hokes Folly, take over the bookstore, and try to sleuth out her uncle's killer. On the one hand, she's made some wonderful new friends, and she feels she can thrive in the genial small-town environment. On the other hand, trouble knows her address--and so does the killer, who is determined to write the final page of Jenna's story.

"Old Ladies Are Antique Little Girls", by Egretta Wells, is a gem of memories from an antique shop. Egretta, with another grandmother, opened a lively little corner antique shop in Okeechobee, Florida, where they met fascinating people from many walks of life. Often humorous, her book is full of laughable incidents, adventures, and a few misadventures of two older ladies who are really antique little girls. Egretta Wells graduated from the University of Tennessee with a BS degree in Art Education, minoring in Fine Art Painting and English. She has owned several retail businesses, while pursuing a career in painting. Egretta and another grandmother found it never too late to open a thriving and fun antique shop in a small town in Florida.

Among the countless flea markets in America, there are those that deserve to be called legendary. Scattered around the country, these are the markets with hundreds--sometimes thousands--of dealers and whose spectacular settings, covetable offerings, and colorful histories make each an unforgettable experience and a unique adventure. Pamela Keech--a museum curator who shops professionally at flea markets--profiles her top twenty choices, the flea markets that can be counted on to surprise and delight at every turn. Tackling these mammoth events, however, is not for the faint of heart. For starters, the size and scope of each market can be overwhelming--no, are overwhelming. They cover acres and acres and miles and miles. (To give you an idea of their scope, there is one that stretches from Maryland to Missouri and another from Michigan to Alabama.) *The Best Flea, Antique, Vintage, and New-Style Markets in America* is an essential guide for shoppers who want to get the most out of each venue. All the practical details are covered: how far ahead of time to make reservations, how to avoid wasting precious time in traffic jams, how to navigate the miles of aisles, how to determine the best paths through the markets, how much territory can be covered in a day, how to find out where the must-see dealers set up their tables, what to take

to be comfortable, and more. Other essential information includes smart negotiating, shipping options, and—because the thrill of the chase can be utterly exhausting—great local places to eat and where to find a soft bed at the end of the day. One of the many charms of the book is its focus on regional style. Each of the markets profiled has an unmistakable sense of place, evident in the merchandise that fills the booths. Canton, Texas started 150 years ago as a trading market for cattle and livestock; this is where you'll find vintage cowboy boots, railroad and ranch memorabilia, and primitives. At the Rose Bowl Flea Market, the proximity to Hollywood casts a sparkle over everything; don't be surprised to find yourself browsing elbow to elbow with movie stars at tables filled with memorabilia from the silver screen and glamorous costume jewelry. At Shipshewana, in the heartland of the Indiana Amish, you'll find more than the usual number of pie safes, kitchen implements, and quilts. Keech highlights these differences with bits of cultural and decorative history and lots and lots of photographs that will make even armchair travelers feel like part of the action.

A family reunites after the death of its patriarch just as a hurricane tears through town in this "sparklingly funny novel about love, power, money, and adult siblings finding the beating heart of what matters most: one another" (People). On the night of a massive hurricane, three estranged siblings learn that their father is dying. For the first time in years, they convene at their childhood home in upstate New York, where the storm has downed power lines, flooded houses, and destroyed the family's antique store. The Westfalls are no strangers to dysfunction. But never have their lives felt so out of control. Armie is living in their parents' basement. In Manhattan, Josef, a sex-addicted techie, is struggling to repair his broken relationship with his daughters. Their sister, Charlie, who works in Hollywood as a publicist for a wayward young actress, just learned that her son has been expelled from preschool. Amid the storm, they come together to plan their father's memorial service, only to learn his dying wish—they must sell his priceless Magritte painting. As their failures are laid bare, they discover that hope often lurks in the darkest of places. And so, too, can hilarity. Complete with an irresistible plot and deeply flawed, affectionately rendered characters, Kris D'Agostino's "sharp, funny [novel] conveys the disorienting and ever-shifting effects of grief" (The New York Times) and the unexpected epiphanies that emerge in chaos. This "darkly humorous portrait of the American family under duress...balances scathing and humorous commentary on the foibles of family with keen insight" (Publishers Weekly). Perfect for "fans of funny family dysfunction novels like Jonathan Tropper's *This Is Where I Leave You*...and Cynthia D'Aprix Sweeney's *The Nest*" (Booklist), *The Antiques* is a heartbreaking, nimble, laugh-out-loud funny send-up of modern family life.

The third installment of a bewitching series "brimming with charm and charisma" that will make "fans of *Outlander* rejoice!" (Woman's World Magazine). New York Times bestselling author Paula Brackston's second novel in the Found Things series, *Secrets of the Chocolate House*, was called a "time-swapping romance [that] will please fans of Alice Hoffman" (Publishers Weekly). Now, Brackston returns to the Found Things series with a third book, *The Garden of Promises and Lies*. As the bustle of the winter holidays in the Little Shop of Found Things gives way to spring, Xanthe is left to reflect on the strange events of the past year. While she's tried to keep her time-traveling talents a secret from those close to her, she is forced to take responsibility for having inadvertently transported the dangerous Benedict Fairfax to her own time. Xanthe comes to see that she must use her skills as a Spinner if she and Flora are ever to be safe, and turns to the Spinners book for help. It is then that a beautiful antique wedding dress sings to her. Realizing the dress and her adversary are connected in some way, she answers the call. She finds herself in Bradford-on-Avon in 1815, as if she has stepped into a Jane Austen story. Now in Xanthe's time, Fairfax is threatening Xanthe into helping him with his evil doings, and demonstrates all too clearly how much damage he is capable of causing. With Fairfax growing ever more powerful, Xanthe enlists the help of her boyfriend Liam, taking him back in time with her. It is a decision that might just ensure she prevails over her foe, but only by putting her life—and his—on the line.

Magic and romance meet at Spirit Antiques! Bridget "Brie" St. James wasn't looking for excitement. She just needed a part-time job while she finished grad school. Hired to be the assistant at an antique shop, she soon realizes there is more to her new place of work than meets the eye. Way more. Spirit Antiques caters not only to humans, but an array of mythical and mystical creatures. Brie quickly makes friends with the witches, fairies, incubuses, and other unique customers at the seemingly sentient store, but more than anyone, it's the shop's handsome and mysterious owner Ezra who has her attention. But as their bright romance blooms, a dark spot from Ezra's past emerges. An ancient and dangerous warlock has returned to claim his former pupil. Now it's up to Brie to bring the magical community together to free her new love interest from the confines of a centuries-old blood contract. With her newfound family, the graduate student has all the magic she needs, but will it be enough? *Antique Magic* is the first book in the Magic, Love, and Mischief series.

*It Happened in the Pine Barrens* is a compelling saga of love, death and destiny set in the heavily forested area of coastal plain stretching across southern New Jersey. Casella's newly published book transforms this Pinelands into a center of thrilling events that arouse the curiosity and excitement of fiction fans through three riveting stories: "Snakes with Ruby Eyes," "Love and Death in the Pines" and "Closure in the Pines." "Snakes with Ruby Eyes" follows the mysterious turn of events in the life of Elizabeth Little. After the death of Catherine, artist mother and owner of The Little Antique Shop, Beth strangely inherits a huge amount of cash and a long list of questions about her parents' life. Stan Turner, who perseveringly pines for her love and affection, witnesses and supports Beth throughout her journey towards self-discovery.

"Love and Death in the Pines" picks up the story from where the first tale left off. It revolves around the entwined destiny of two disparate people Dr. James Bradley, a physician and an undercover FBI agent, and Dr. Meghan Malloy, an art history professor. They met at the opening of The Pines Antique Shop. James was invited by his friend, Meghan's aunt, now proprietor of The Pines Antique Shop (previously The Little Antique Shop). Meghan had created an art gallery for the shop to display the artwork of Catherine Little. Both never knew that a chance encounter would lead them to love. "Closure in the Pines" completes the trilogy in stunning fashion. James wants to resign from the FBI to work as a physician at a Veterans Administration hospital. His resignation is denied. Meghan returns to her teaching position. While finalizing some cases, Meghan suddenly disappears. A manhunt ensues. Drug trafficking and gunfight also makes this final story a perfect closing salvo. However, as one of the characters aptly put it, "There is no closure in the crime business." Creatively blending fast-paced drama, mystery and romance with the slow-paced life in Pine Barrens, Casella has successfully put the place on the map for another remarkable reason. *It Happened in the Pine Barrens* is a book that leaves readers deeply satisfied yet eagerly longing for answers to more questions inherent in the saga.

A Timeslip Adventure When Rachel's last remaining relative dies, she expects to inherit her London house. What she does not expect is to also inherit an Antique Shop which has not been opened in more than sixty years. She takes her friend, Peter Attwood, an archaeologist and historian to investigate the shop, but what they find is far more than a simple neglected retail store. They discover a coin minted at the time of the young King Edward V, but when they try to remove it from the shop, they step outside and into 1483, the year the coin was minted. Wanting to see the princes in the Tower and perhaps discover the truth of what happened to them, Peter persuades Rachel to dress in some of the historical clothing in the back room of the antique shop, and visit the Tower. There they watch the young King Edward V writing and when he leaves his scroll on a stone bench, Peter takes the opportunity to grab it. A journal written by one of the princes could be worth a fortune, but when they try to take it out of the shop, they find the same problem: it cannot be taken into the twenty first century. A scheme to hide the scroll in the fifteenth century and find it again in the twenty-first seems an easy option, until they are observed digging it up and accused of witchcraft.
