### Emily the Strange Volume 3: The 13th Hour

Chronicle Books  
Why do zebras have stripes? Popular explanations range from camouflage to confusion of predators, social facilitation, and even temperature regulation. It is a challenge to test these proposals on large

animals living in the wild, but using a combination of careful observations, simple field experiments, comparative information, and logic, Caro concludes that black-and-white stripes are an adaptation to thwart biting fly attack. Emily The Strange Dark Horse Comics (Single Issues)  
Emily is not your average thirteen year-old girl. She wears the same black dress every day. She loves maths and science.

Her best friends are four black cats and she's into old rock and punk music. Emily is anything but typical and so is this exciting new series of novels about her life. **Emily the Strange** FSG Originals  
For fans of Red Sonja and Xena the Warrior Princess, a collection of five fantasy stories starring a mighty and powerful female warrior. The 1930s heralded the arrival of C.L. Moore, one of the

pioneering women writers of speculative fiction, and the appearance of fantasy's landmark female hero: Jirel of Joiry. With her red hair flowing, her yellow eyes glinting like embers, and her face streaked with blood, Jirel is strong, fearless, and driven by honor. Her legendary debut, *Black God's Kiss*, begins as her castle, Joiry, is overrun by invaders, but knowing that this is one battle she cannot fight, she summons her courage and cunning and descends into the castle's

hidden reaches, where she crosses through a doorway into Hell itself... Jirel of Joiry collects the classic tales of blood and vengeance that secured C.L. Moore's place among legendary authors of sword and sorcery like Robert E. Howard and Edgar Rice Burroughs. Originally published in the magazine *Weird Tales*, Moore's fantastic tales of warriors, gods, and magic are defined by a fierce, romantic vision that helped define the genre, earning her the title of Grand Master for lifetime

achievement by the World Fantasy Convention. Includes "Black God's Kiss," "Black God's Shadow," "Jirel Meets Magic," "The Dark Land," and "Hellsgarde." "One of the best authors of her era.... The stories are engaging and well written, and the central character, who is headstrong and passionate, is more than compelling.... Fans of eldritch horror and sinister gods...will find much to enjoy here."—Alan Brown, *Tor.com*  
**Emily the Strange 2**

Dark Horse Emily--and her band, the Strangers--are going on tour! But another band is getting all the attention as Awesomely Awesome Records plots to edge Emily's crew out of the rock-and-roll scene. The nefarious record company is also hiding something terrible. It's up to the Strangers to discover what's behind the recent feline disappearances and find a way to drop the bass on the culprits. Emily the Strange creator Rob Reger reteams with cowriter Mariah Huehner

(True Blood, Angel) and artist Cat Farris (Angry Birds) for a brand-new, full-color story full of evil record companies, stray-cat struts, science, and music!

**The Final Detail** Dark Horse Comics Looks at the economics of the petroleum industry and traces how crude oil from fields around the world eventually becomes the gasoline for automobiles, in a new edition containing an updated epilogue. Reprint. 20,000 first printing.

A free sneak preview of *Always Emily*, the latest book from Michaela MacColl. Download now and enjoy this extended

excerpt before the book goes on sale on April 8, 2014. Emily and Charlotte Brontë are about as opposite as two sisters can be. Charlotte is practical and cautious; Emily is headstrong and imaginative. But they do have one thing in common: a love of writing. This shared passion will lead them to be two of the first published female novelists and authors of several enduring works of classic literature. But they're not there yet. First, they have to figure

out if there is a connection between a string of local burglaries, rumors that a neighbor's death may not have been accidental, and the appearance on the moors of a mysterious and handsome stranger. The girls have a lot of knots to untangle—before someone else gets killed. *Emily the Strange Crown Archetype*  
Readers journey inside the nocturnal world of the popular anti-heroine of *Emily the Strange* and *Emily's Secret Book of Strange* as they explore

Emily's vivid dreamlife and her sometimes scary, sometimes bizarre imaginings. Teen.
