How to Navigate Clueless Colleagues, Lunch-Stealing Bosses, and the Rest of Your Life at Work Ascencia Test Prep

This book contains 10 complete practice tests for the Cambridge English B2 First Speaking, previously known as First Certificate in English (FCE) These sample tests have been written to closely replicate the Cambridge FCE Speaking exam experience and so each Speaking test follows the same structure and wording as official B2 First Speaking papers. Because of this, candidates will become familiar with the topics, the structure, the timing and the level by the time they sit their B2 First exam. In addition to the 10 complete practice tests for B2 First Speaking, this book also

contains B2 Speaking model answers with examiner comments, ready-to-use speaking mark sheets, as well as an in-depth description of the B2 First Speaking paper, thus providing a large bank of high-quality practice material both for students wishing to take the Cambridge B2 First and for teachers preparing students for the exam.

Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? The Leader in Me is that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits - be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.
