**A Poetic Journey  
Through Depression**

**and Recovery** Janette  
Voski

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's

side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James

Baldwin From the Paperback edition.  
Here's a Little Poem  
 HarperCollins  
 More than 800 years after its invention in medieval France, the sestina survives and thrives in English. A fixed 39-line poetic form with of six stanzas of six lines each, followed by a three- line stanza known as an envoi, tornada, or tercet, the sestina is the one form of poetry that poets from all camps agree can exist in a free verse world. Formalists and avant-gardes love sestinas for their ornate, maddeningly complicated rules of word repetition. For *The Incredible Sestinas Anthology*, editor Daniel Nester has gathered more than 100 writers—from John Ashbery to David

Lehman to Matt Madden and Patricia Smith—to show the sestina in its many incarnations: prose and comic sestinas, collaborative and double sestinas, from masters of the form to brilliant one-off attempts, all to show its evolution and the possibilities of this dynamic form.  
 City Lights Books  
 Introduces the different kinds of poetry and the mechanics of writing poetry, providing an opportunity for the reader to experience the joy of making a poem.  
A New Translation of Selected Poems  
 Random House  
 Heartbreak feels like breaking bones. Only there's no cast for it - you're forced to create one for yourself. For days, months ... It was

the first thing I thought  
of when I woke up.  
Then one day, It was  
the second.

*Make Blackout Poetry*  
Houghton Mifflin  
Harcourt

Sometimes you just  
want to read  
something a little bit  
different from your  
usual choices. If you're  
looking for a fun read,  
perhaps you should  
give poetry a try.

"What? Poetry?" you  
might ask. Yes, poetry.

**Perfect Flaws** Harper  
Collins

Whether you're a self-  
published author,  
traditionally published  
or just starting out  
writing your first book,  
there are dozens of  
obstacles standing  
between you and six-  
figure success as an  
author. Wouldn't it be  
helpful if you knew  
ahead of time what  
those obstacles will be

and how to overcome  
them quickly and  
easily? In *Secrets of  
the Six-Figure Author*  
you will learn the 12  
key obstacles every  
author must face and  
how to blast through  
them without breaking  
a sweat.

The instant #1 New  
York Times, Wall Street  
Journal, and USA Today  
bestseller The breakout  
poetry collection by #1  
New York Times

bestselling author and  
presidential inaugural  
poet Amanda Gorman  
Formerly titled *The Hill  
We Climb* and Other  
Poems, the luminous  
poetry collection by #1  
New York Times

bestselling author and  
presidential inaugural  
poet Amanda Gorman  
captures a  
shipwrecked moment

in time and transforms it into a lyric of hope and healing. In *Call Us What We Carry*, Gorman explores history, language, identity, and erasure through an imaginative and intimate collage. Harnessing the collective grief of a global pandemic, this beautifully designed volume features poems in many inventive styles and structures and shines a light on a moment of reckoning. *Call Us What We Carry* reveals that Gorman has become our messenger from the past, our voice for the future.

*The Poem That Doesn't End* Walker

Offers instructions on folding, gluing, and sewing handmade books in a variety of shapes and styles.  
*Not Birdwatching*

Bloomsbury Publishing  
The New York Times bestselling debut book of poetry from Lana Del Rey, *Violet Bent Backwards Over the Grass*. “Violet Bent Backwards Over the Grass is the title poem of the book and the first poem I wrote of many. Some of which came to me in their entirety, which I dictated and then typed out, and some that I worked laboriously picking apart each word to make the perfect poem. They are eclectic and honest and not trying to be anything other than what they are and for that reason I’m proud of them, especially because the spirit in which they were written was very authentic.” —Lana Del Rey  
Lana’s

brehtaking first book solidifies her further as “the essential writer of her times” (The Atlantic). The collection features more than thirty poems, many exclusive to the book: Never to Heaven, The Land of 1,000 Fires, Past the Bushes Cypress Thriving, LA Who Am I to Love You?, Tessa DiPietro, Happy, Paradise Is Very Fragile, Bare Feet on Linoleum, and many more. This beautiful hardcover edition showcases Lana’s typewritten manuscript pages alongside her original photography. The result is an extraordinary poetic landscape that reflects the unguarded spirit of its creator. Violet Bent Backwards Over the Grass is also brought to life in an unprecedented spoken

word audiobook which features Lana Del Rey reading fourteen select poems from the book accompanied by music from Grammy Award-winning musician Jack Antonoff. *Making Handmade Books* Penguin Practical ideas for teaching language through poetry. iCreative Poetry Writing/i is for teachers who would like to give students the opportunity to say something original, while practising new language. Clinical methods Random House The denial, anger, bargaining, depression, and acceptance that are part of the experiencing of grief are shown to be stages that must also be passed through to come to terms with life

in this poetry collection  
Your Guides to the

This is a practical book. By the time you finish reading it, you will have all the tools you need to write convincing, compelling, and beautiful poetry. Whether someone has asked you to come up with a poem for a special occasion, or you have suddenly been struck by an intense emotion and are looking for a way to articulate it, or you want to express love to your sweetheart on Valentine's day, "How to Write a Poem: A Beginner's Guide" provides all the necessary techniques to enable your poem to be a success.

**Rumi** Write Your Own  
 The collected works of  
 Anne Sexton showcase

the astonishing career of one of the twentieth century's most influential poets For Anne Sexton, writing served as both a means of expressing the inner turmoil she experienced for most of her life and as a therapeutic force through which she exorcised her demons. Some of the richest poetic descriptions of depression, anxiety, and desperate hope can be found within Sexton's work. The Complete Poems, which includes the eight collections published during her life, two posthumously published books, and other poems collected after her death, brings together her remarkable body of work with all of its range of emotion. With her first collection, the

haunting *To Bedlam and Part Way Back*, Sexton stunned critics with her frank treatment of subjects like masturbation, incest, and abortion, blazing a trail for representations of the body, particularly the female body, in poetry. She documented four years of mental illness in her moving Pulitzer Prize-winning collection *Live or Die*, and reimagined classic fairy tales as macabre and sardonic poems in *Transformations*. The *Awful Rowing Toward God*, the last book finished in her lifetime, is an earnest and affecting meditation on the existence of God. As a whole, *The Complete Poems* reveals a brilliant yet tormented poet who bared her deepest urges, fears, and

desires in order to create extraordinarily striking and enduring art.

### **A Beginner's Guide**

Harry N. Abrams  
Joint winner of the 2014 Melbourne Writers Festival/Blurb "Blog-to-Book" Challenge. In these selected essays from the blog *Noticing Animals* (<http://www.noticinganimals.blogspot.com>) Harry Saddler reflects on the relationships between animals and humans - whether those relationships are ecological, social, philosophical, or personal.  
*Turn These Pages into Poems* New Directions Publishing  
An illustrated first book of poetry, 'Here's a Little Poem' contains over 60 verses from noted English and

American authors, including Wendy Cope, Roger McGough, John Agard and Grace Nichols.

*How to Write Poems* W W Norton & Company Incorporated

Poetry has the power to move and challenge the reader. It can intensify or even celebrate misery, be cynical or wry, or just laugh outright in an outrageous way. Poetry is as serious and antic as life, and yet reading modern poetry can be shocking to our sense of what language is or must be. In *A Grain of Poetry*, Herbert Kohl presents a series of guideposts to help everyone read poetry and discover those poems that inform and inspire them. In clear, direct language, he covers all of the essential-but often

uncharted paths to understanding poetry: form and structure, line breaks and pauses, rhythm and melody, imagery, and recitation. Written by one of the country's leading educators, *A Grain of Poetry* is a comprehensive and accessible guide for all poets, students, and poetry lovers.

### **Poems** Chartwell

*How to Write Poems* is packed with exciting activities to get your pen flowing! Make poems out of leaves, carve out a mud poem, go on an outdoors simile hunt, and play poetry games in the playground. Whether you already write poems, you've never written before, or you're not even sure what a poem is - this is the book for you. Full of useful tips and

starting points, How to Write Poems will make you chuckle, make you think, and inspire you to write your own poetry. Join popular poet Joseph Coelho as he explores a mind-boggling selection of poetry: from laughable limericks to poetic puns, and from ridiculous rhymes to silly sibilance. Pick up this book, grab a pen, and get going!

**Mastering the Inner Game of Writing, Publishing and Marketing Books**

Flatiron Books  
Gathers poems written by the eighth-century Chinese poet, and briefly discusses his life and influence on Asian poetry

*Aimless Love* Oxford University Press  
NEW YORK TIMES BESTSELLER  
“America’s favorite

poet.”—The Wall Street Journal  
From the two-term Poet Laureate of the United States Billy Collins comes his first volume of new and selected poems in twelve years. *Aimless Love* combines fifty new poems with generous selections from his four most recent books—*Nine Horses*, *The Trouble with Poetry*, *Ballistics*, and *Horoscopes for the Dead*. Collins’s unmistakable voice, which brings together plain speech with imaginative surprise, is clearly heard on every page, reminding us how he has managed to enrich the tapestry of contemporary poetry and greatly expand its audience. His work is featured in top literary magazines such as *The New Yorker*, *Poetry*, and *The*

Atlantic, and he sells out reading venues all across the country. Appearing regularly in The Best American Poetry series, his poems appeal to readers and live audiences far and wide and have been translated into more than a dozen languages. By turns playful, ironic, and serious, Collins's poetry captures the nuances of everyday life while leading the reader into zones of inspired wonder. In the poet's own words, he hopes that his poems "begin in Kansas and end in Oz." Touching on the themes of love, loss, joy, and poetry itself, these poems showcase the best work of this "poet of plenitude, irony, and Augustan grace" (The New Yorker). Envoy Go,

little book, out of this house and into the world, carriage made of paper rolling toward town bearing a single passenger beyond the reach of this jittery pen and far from the desk and the nosy gooseneck lamp. It is time to decamp, put on a jacket and venture outside, time to be regarded by other eyes, bound to be held in foreign hands. So off you go, infants of the brain, with a wave and some bits of fatherly advice: stay out as late as you like, don't bother to call or write, and talk to as many strangers as you can. Praise for Aimless Love "[Billy Collins] is able, with precious few words, to make me cry. Or laugh out loud. He is a remarkable artist. To have such power in such an abbreviated

form is deeply inspiring.”—J. J. Abrams, The New York Times Book Review “His work is poignant, straightforward, usually funny and imaginative, also nuanced and surprising. It bears repeated reading and reading aloud.”—The Plain Dealer “Collins has earned almost rock-star status. . . . He knows how to write layered, subtly witty poems that anyone can understand and appreciate—even those who don’t normally like poetry. . . . The Collins in these pages is distinctive, evocative, and knows how to make the genre fresh and relevant.”—The

Christian Science Monitor “Collins’s new poems contain everything you’ve come to expect from a Billy Collins poem. They stand solidly on even ground, chiseled and unbreakable. Their phrasing is elegant, the humor is alive, and the speaker continues to stroll at his own pace through the plainness of American life.”—The Daily Beast “[Collins’s] poetry presents simple observations, which create a shared experience between Collins and his readers, while further revealing how he takes life’s everyday humdrum experiences and makes them vibrant.”—The Times Leader
