Psychiatry is a medical field concerned with the diagnosis, treatment and prevention of mental health conditions. Routledge Library Editions: Psychiatry (24 Volume set) brings together titles, originally published between 1958 and 1997. The set demonstrates the varied nature of mental health and how we as a society deal with it. Covering a number of areas including child

and adolescent psychiatry, alternatives to psychiatry, the history of mental health and psychiatric epidemiology.

### *The Classic Edition* Routledge

This collection features three key previously out-of-print books that examine Afghanistan's colonial history; its literature and culture through the tradition of oral narrative; and the social, cultural and political impact of the Soviet invasion of 1979, the ramifications of which are still being felt today. Taken together, these books provide an essential reference source on the history, culture and politics of Afghanistan.

### **The Fables of Aesop** USBORNE

In this stunning companion to the Caldecott Medal-winning *The Lion & the Mouse* and the highly acclaimed *The Tortoise & the Hare*, a playful grasshopper wonders why the busy ants around him won't join in his merrymaking as the seasons pass by. But when winter arrives, he soon sees the value of his friends' hard work--just as the ants learn the value of sharing what they've worked for. Featuring a striking, surprise gatefold page, this third book in Jerry Pinkney's gorgeous trilogy of picture book fables subtly suggests a resonant moral: Don't put off for tomorrow what you can do today.

*The Science Behind the Fables* Chronicle Books

A collection of nearly sixty fables from Aesop includes such familiar ones as "The Grasshopper and the Ants," "The North Wind and the Sun," "Androcles and the Lion," "The Troublesome Dog," and "The Fox and the Stork." 35,000 first printing.

**Animal Fables from Aesop** David R. Godine Publisher  
Retellings of sixty Aesop's fables.

*Aesop's fables* Bloomsbury Publishing

A collection of fables from Aesop.

**Aesop's Fables** David R. Godine Publisher

Originally published between 1930 and 1988 many of the volumes in this set are based upon years of painstaking archival research in private and published papers. They provide many insights into the Puritan world of the early 17th Century and:

Analyse the economic depression in the mid-1600s and the resultant unemployment and poverty which caused social upheaval. Discuss the importance of the divisions among the Puritans for political processes within both the church and wider society. Examine the motivation of the Puritans who emigrated. Discuss the impact the Puritan family had on the spiritual development of the Anglo-American world.
