This book is your Secret Formula to creating an attitude that will reshape, reform and reignite your attitude and put you on the path to increased happiness, success and fulfillment in life. Attitude has been defined as the way you dedicate yourself to the way you think. We take it a step further and define it as the way you feel about the way you think. Could examining your attitude about all the areas, relationships and challenges in your life create an awakening that could fuel new levels of excitement, success and vitality in your life? How about the way you think? Have you ever given it any real thought? Is the way you think giving you what you want out of life? Everyone wants to talk about and study everyone else's story; however, the most important story in your life...is your story! How do you want your story to play out? In this book you will discover the three biggest mistakes people make when trying to develop a winning attitude. Learn a powerful way to leverage your attitude to overcome any challenge you are facing in your life. His RID OF formula helps you get RID OF complacency, unhappiness, lethargy, bad habits and most of all, yes, a bad attitude! Creating and improving your attitude is as simple as the ABC's. The ABC's of ATTITUDE is your personal adventure into defining what Your Attitude is, what you would like Your Attitude to be, and guide you through a process in order to change the way you think about life, relationships and success. This book gives you twenty six ways to boost Your Attitude in a fun and creative way that can be studied every day. You can think of it as your daily dose of Attitude.

If a little positive attitude goes a long way, this book should go on forever. And with baby boomers now hitting the 60 mark, the timing couldn't be better. *Age Is Nothing: Attitude Is Everything* is a small, sweet, funny reminder that when it comes to muscles, minds, and dancing shoes, we need to use 'em or lose 'em. Experts on such things talk about the importance of role models for young people. What a bunch of poppycock! After all, being young is a breeze. Getting old--now there's a challenge. As more and more of us peek down the backside of the hill, we need role models not just to show us how to grow old gracefully but how to stay young at heart indefinitely. In *Age Is Nothing: Attitude Is Everything*, that's just what we get--a bookful of spunky seniors doing it right. This playful and empowering little book collects photos of gray-but-game enthusiasts celebrating life in myriad

ways--all accompanied by upbeat text that keeps the focus on fun. * Silver-haired sirens take a steam bath proclaiming, We're not getting older, we're getting hotter. * A skateboarding septuagenarian urges readers to release your inner whippersnapper. * Pool-shooting grannies remind us to always give it our best shot. And that's just the beginning. Throughout the book, seniors ski, swing, run, laugh, hug, surf, laugh some more, and soak up the sun. With fun guest appearances from famous elders George Burns, Albert Einstein, and Granny from *The Beverly Hillbillies*, *Age Is Nothing: Attitude Is Everything's* message is delivered loud and clear: Getting older is mandatory--feeling older is entirely up to you.

The book is divided into several sections covering Warren Buffett's personal business management: . *Managing one's life* - focuses on Buffett's insistence on a good education, picking one's heroes early

in life, and staying away from things that damage you personally. The authors also discuss Buffett's belief that challenges make life interesting. . *Managing One's Career* - Buffett believes that you should work at something that you are passionate about. Do what you like and you will find a way to make money. Do what you hate and you will be miserable even if you are rich. . *Managing Employees* - place honesty on the same level as intelligence as a managerial attribute. How to keep managers inspired and working hard. . *Managing the Business* - Buffett has learned that companies that have a durable competitive advantage over their competitors consistently earn more money year after year and are the easiest to manage. . *Managing of Personal Money* - discover the simple rules that Buffett uses for buying other businesses and how he has incorporated them into his own personal investment style.

What is the one quality that all successful people have in common? They have mastered the art of dealing with people! Let this book show you how to: Achieve your goals Handle the human ego Become a master conversationalist Make others feel good about themselves And much more! Skill with people is the one essential ingredient for success and happiness at home and in business. "The Art of Dealing With People" gives you the skills to take your people skills to a level that you never thought possible! Skill in human relations is similar to skill in any other field, in that success depends on understanding and mastering certain basic general principles. You must not only know what to do, but why you're doing it. As far as basic principles are concerned, people are all the same. Yet each individual person you meet is different. If you attempted to learn some gimmick to deal successfully with each separate individual you met, you would be face with a hopeless task. Influencing people is an art, not a gimmick. When you apply gimmicks in a superficial, mechanical manner, you go through the same motions as the person who "has a way," but it doesn't work for

you. The purpose of this book is to give you knowledge based upon an understanding of human nature: why people act the way they do. The methods presented in this book have been tested on thousands of people who have attended my human relations seminars. They are not just my pet ideas of how you should deal with people, but ideas that have stood the test of how you must deal with people. That is, if you want to get along with them and get what you want at the same time. Yes, we all want success and happiness. And the day is long past, if it ever existed, when you could achieve these goals by forcing people to give you what you want. And begging is no better, for no one has respect for, or any desire to help, the person who constantly kowtows and literally goes around with his hand out, begging other people to like him. The one successful way to get the things you want from life is to acquire skill in dealing with people. Download now and you will learn how.

You've heard the expression, "Attitude is everything." But can a positive mental attitude make all that much difference in your personal and professional life? Deborah Smith Pegues, author of the bestselling *30 Days to Taming Your Tongue*, believes strongly that it can. In *Choose Your Attitude, Change Your Life*, Deborah explores the root causes of 30 negative attitudes, their impact on your life and relationships, and how you can learn to think positively instead. As a result, she helps you recognize and conquer counterproductive behaviors, such as criticizing the choices others make, being inflexible, and being indifferent to the needs of others. Deborah's handy guide uses Bible-based principles and practical strategies to point you toward the path to a better outlook on life, empowering you to display a positive mental attitude in every situation and leading to healthier relationships, personal growth, and the ability to handle life's challenges as never before. Previously titled *30 Days to a Great Attitude*.

Attitude affects every facet of our lives—from the way we handle stress to how we communicate at work. The way we view difficulties and setbacks can make the difference between success and failure. Roger Fritz has devoted his career to helping people overcome obstacles and achieve their goals by changing their outlook on life. In *The Power of a Positive Attitude*, he shows readers how to develop a deeper understanding of the effects of their attitude and how it influences not only their performance but the results others achieve. Now, readers can learn to succeed in business by:

- assessing their attitude toward themselves and their co-workers
- overcoming negative attitudes
- learning the dos and don'ts in dealing with their bosses
- becoming better listeners
- overcoming resistance to change in the workplace
- rejecting suggestions without causing resentment
- giving and responding to criticism from team members
- disagreeing with employees and colleagues without being disagreeable
- conquering burnout and stress

Life-affirming and authoritative, this is an invaluable book that will empower anyone to face life and work with joy and confidence.

You're not broken, just likely a little too normal. The problem isn't your DNA. The problem is culture, and without a definitive strategy to combat social norms, you end up in the "mediocre middle" with everyone else: exhausted, stressed, and unfulfilled. Headaches, stomach trouble, anxiety, and insomnia are all commonplace today. It's typical to be burdened, frustrated, and easily triggered. Feeling trapped in finances, work, or relationships isn't remarkable either. Normal people have lost a sense of peace, playfulness, and any semblance of order and simplicity. But the middle is no place for someone of your caliber. You're Too Good to Feel This Bad, and you know it. In this book, Nate Dallas shares his eye-opening, personal experiment to escape a cultural epidemic. In his unabashed, down-to-earth style, he presents an entertaining and enlightening journey, challenging capable all over-achievers alike. Combining potent insights from multiple disciplines, he distills complex processes into practical, achievable steps designed to elevate your life to an all-time high. Phase 1 - Physiology (sleep, breathing, nutrition, & exercise) Phase 2 - Psychology (human needs, pattern breaking, mindset, & meditation) Phase 3 - Life Application (recreation, money, work, systems, & relationships) Throughout the process, you will think, see, understand, and feel like never before. The life you truly desire is within your reach. It's time to raise the standard. Buckle your seat belt and don't look back. You're going to love this ride!

What can make the difference in your life today? How can two people with the same skills and abilities, in the same situation, end up with two totally different outcomes? Leadership expert John C. Maxwell says the difference maker is attitude. For those who have ever wondered what may be separating them from achieving the kind of personal and professional success they've always dreamt of, Dr. Maxwell has some words of insight: "Your attitude colors every aspect of your life. It is like the mind's paintbrush." In *The Difference Maker*, Maxwell shatters common myths about attitude—what it can do for you and what it can't. Showing you how to overcome the five biggest attitude obstacles, Dr. Maxwell teaches the skills you need to make attitude your biggest asset. Most importantly, you'll learn not only how to develop an attitude that will have a tremendous impact on career, family, and daily living, but also how to maintain that attitude for the rest of your life.

At the age of twenty eight, Conor Devine had a fantastic life by any measure. With a supportive family and a great career, he had just married Kate, the love of his life. The young couple honeymooned on the tropical island of Mauritius, but on the first day of their new life, disaster

struck. Conor's body came under attack by a mysterious virus, confining him to the hospital for the rest of his visit. Within a year, he was diagnosed with multiple sclerosis. The disease brought his world to a halt. How would he support his family? How would he carry out his life confined to a wheelchair? How could this happen to a healthy young man? He lived in a world filled with questions and void of any answers. As Conor lays out, multiple sclerosis, or MS, is an inflammatory disease in which the fatty sheaths that protect and cover nerve cells are damaged. This leads to a broad spectrum of symptoms including tremors, muscle spasms, loss of balance, numbness, slurred speech, and uncontrollable eye movements. As the disease progressed, Conor worked out a plan to begin rebuilding his life. After three years of struggling with on-again, off-again attacks, the young man decided he needed to formulate a strategy to regain control of his brain. Using a three-point plan, he mapped out a framework to beat multiple sclerosis and begin living and dreaming once
