Perhaps the best Quran English translation. It is clear, easy to read, and very faithful to the Arabic original. It closely follows the Arabic text, and often reminds the reader of the Arabic original. It uses today's English language, and today's English vocabulary, thus it is easy to read and understand. The flow is smooth, the sentence structure is simple, the meaning is clear. This Quran translation has no interpretations, no footnotes, and no explanations. It is a pure translation of the Quran, from Arabic to English, and it does not try to emphasize any school of thought. The text purely and accurately translates the Holy Quran, from

Arabic, into contemporary English. It was translated by a Muslim, who saw firsthand the miracles inside the Quran. His native language is Arabic; his everyday language is American English. For 15 years, he studied the Quran. For many years, he translated speech between his mother and his wife. For a living, he develops quality software. CHAPTER 81. The Rolling. at-Takwir. In the name of God, the Gracious, the Merciful. 1. When the sun is rolled up. 2. When the stars are dimmed. 3. When the mountains are set in motion. 4. When the relationships are suspended. 5. When the beasts are gathered. 6. When the oceans are set aflame. 7. When the souls are paired. 8. When the girl, buried alive, is asked: 9. For what crime was she killed? 10. When the records are made public. 11. When the sky is peeled away. 12. When the Fire is set ablaze. 13. When Paradise is brought near. 14. Each soul will know what it has readied. 15. I swear by the

galaxies. 16. Precisely running their courses. 17. And by the night as it recedes. 18. And by the morn as it breathes. 19. This is the speech of a noble messenger. 20. Endowed with power, eminent with the Lord of the Throne. 21. Obeyed and honest. 22. Your friend is not possessed. 23. He saw him on the luminous horizon. 24. And He does not withhold knowledge of the Unseen. 25. And it is not the word of an accursed devil. 26. So where are you heading? 27. It is only a Reminder to all mankind. 28. To whoever of you wills to go straight. 29. But you cannot will, unless God wills-The Lord of the Worlds. The Quran is the last Book from the Creator. It contains guidance, mercy, and healing. The Quran is a blessing, within reach.

Do you yearn to build a closer and more meaningful relationship with your Creator? Do you seek to know the true Message and Wisdom of Islam? The work I present here for your consumption is more than a book; a collection of words meant to deliver glad tidings, to educate, and to perhaps warn. It is a work driven by what I intend to be a sound and powerful Message.This message invites readers to think freely and broaden their minds; to contemplate and seek their own truth. This passage advises people, never to blindly follow any religion without first reflecting upon the faith in question and reasoning its true meaning. Beyond all manner of faith and feeling, one must use their

intellect to discover the truth behind all faiths.This passage is intended to draw and empower the sincere seeker of truth; the one that questions, reflects and ponders his or her life's purpose and questions his/her future and direction. Islam, for example, is one faith that is misunderstood and misrepresented by many. Before one forms an opinion of Islam, one should question the thoroughness and truthfulness of his or her existing knowledge of this controversial religion.The ultimate purpose of this message is to facilitate a fresh new dimension of thinking that will enable one to realize the ultimate importance of his or her existence in this universe; to help one understand his/her divine relationship with his/her creator. The faith of Islam is beneficial only to people that are sincere in seeking guidance, misguiding those who are not sincere and honest in their spiritual quests; who reject divine guidance and spiritual truth.

[The Qur'an Books.Dar-Salam.Org](http://TheQur'anBooks.Dar-Salam.Org)

The Quran is the sacred text of Islam. For Muslims, it is the word of the one God. The Quran was revealed to the last prophet Muḥammad (محمد) from the year 610 until his death in 632 by the angel Gabriel (جبريل). According to the Quran, Allah is the author of all the sacred books of the three monotheistic religions that are Islam, Christianity, and Judaism. He thus revealed the Gospel to the penultimate prophet Jesus and the Torah to the prophet Moses. Thus we read in verse 3 of Surah 3: "It is He Who has sent down the Book (the Quran) to you (Muhammad) with truth, confirming what came before it. And he sent down the Taurat (Torah) and the Injeel (Gospel)." However, Islam considers that with the exception of the Quran, all holy books have been falsified by man. Verse 75 of Surah 2 goes in this direction: "Well,

do you hope [Moslems] that such people [the Jews] will share the faith with you? while a group of them; after hearing and understanding the word of Allah, falsified it knowingly. " This present work is an English translation of the meaning of the verses of the Qur'an by Abdullah Yusuf Ali.

English Translation - Clear and Easy to Read. The Quran was revealed in Arabic, to Prophet Muhammad (peace be upon him) over a period of twenty-three years. It is composed in a style so unique, that it cannot be deemed either poetry or prose, but somehow a mixture of both. The Quran is inimitable; it cannot be simulated or copied, and God Almighty challenges mankind to pursue such an endeavor if he thinks he can.

They knew us before we began to walk upright. Shamans called them guardians, mythmakers called them tricksters, pagans called them gods, churchmen called them demons, folklorists called them shape-shifters. They've obligingly taken any role we've assigned them, and, while needing nothing from us, have accepted whatever we thought was their due - love, hate, fear, worship, condemnation, neglect, oblivion. Even in modern times, when their existence is doubted or denied, they continue to extend invitations to those who would travel a different road, a road not found on any of our cultural maps. But now, perceiving us as a threat to life itself, they issue their invitations with a dark purpose of their own. In this dazzling metaphysical thriller, four who put themselves in the hands of these all-but-forgotten Others venture across a sinister American landscape hidden from normal view, finding their way to interlocking destinies of death, terror, transcendental rapture, and shattering enlightenment. The Quran was orally revealed by God to the final prophet, Muhammad, through the archangel Gabriel (Jibril), incrementally over a period of some 23 years, beginning on 22 December 609 CE, when Muhammad was 40, and concluding in 632, the year of his death. The Quran as Muhammad's most important miracle, a proof of his prophethood, and the culmination of a series of divine messages starting with those revealed to Adam, including the Tawrah (Torah), the Zabur ("Psalms") and the Injil ("Gospel"), and ending with Muhammad's revelation.

Al-Qur'an, the Guidance for mankind, is a unique translation of the Holy Qur'an in contemporary American English. It includes the Biography of the Prophet Muhammad, peace be upon him, his mission as a Prophet, his ranking as in the human history. Text is paragraphed by theme and theme is written in the margins on each page for easy reference. Its features include - (1) Field Testing the Communication of Divine Message: The unique feature of this translation is its field testing for over 3 1/2 years to improve the communication and understanding of the Divine Message. Translation passages were given to the New Muslim and Non-Muslim high school and college students for reading under the supervision of various Ulema (scholars). After reading, the person was asked to explain as to what he/she understood from the passage. If his/her understanding was the same as is in the Arabic Text of the Holy Qur'an then we concluded that we have been successful in conveying the Divine Message properly. If his/her understanding was different than what the Qur'anic verses were stating, we kept on rewording the translation until those verses were understood properly. It was tremendous patience on part of the participants. May Allah reward them all. (2) Simplicity: In this translation Simple Language and Direct Approach is used for appealing to the common sense of scholars and common people. (3) Understandability: There are no foot notes to refer and no commentary or lengthy explanations to

read. All necessary explanations have been incorporated right there in the text with italic type setting to differentiate from the translation of the meanings of Qur'anic Arabic Text. (4) Outline of Pertinent Information: Before the start of each Srah, information relating to its Period of Revelation, Major Issues, Divine Laws and Guidance has been presented as an outline. Then a summary of the preceding events has been tabulated for the reader to understand the historical background to grasp the full meaning of the Divine Message. (5) Reviews, Input and Approvals: This project was started in 1991 and initial draft completed in 1994. Then the Translation was sent to different Ulema (Scholars) in Town and throughout United States for their review and input. After their reviews and input it was sent to Jme Al-Azhar Al-Sharif in Egypt, Ummal Qur in Saudi Arabia and International Islamic University in Pakistan for their review, input and approval. This translation was published after their reviews and approvals. *English Translation - Clear and Easy to Read* Oxford University Press
