This doctoral dissertation demonstrates that Revelation was written prior to the destruction of the Jewish Temple in AD 70, and that it was prophesying that event. It proves this early date for Revelation by providing both internal evidence from within Revelation and

external evidence from Church history and tradition.

Revealing Revelation Harmony The Eye of Revelation The Ancient Tibetan Rites of Rejuvenation Booklocker.Com Incorporated The Book of Revelation Anchor Books Lost in Translation The Book of Revelation Through Hebrew Eyes is a worthy follow-up to its predecessor, Rediscovering the Hebrew Roots of Our Faith. This is the second in a three-volume series that will cover the entire book of Revelation in awe-

inspiring detail, expounding and expanding on familiar verses in God's Word that have been misunderstood and misconstrued for many years. Or, in some cases, linking together verses and concepts that have been repeatedly overlooked. In this volume the authors explore the first half of Revelation from the perspective they established so clearly in Volume 1 that of a Hebrew God speaking through a Hebrew believer to an audience that was intimately familiar with the Hebrew language, culture, customs, and concepts that form both the literal and the metaphorical foundation for vast portions of Revelation. \*Who are the 144,000, anyway? What will be

their true function in the End Times? \*Who is the Bride of Messiah? Does that designation automatically include everyone who accepts salvation, no matter when or where? \*What does the book of Revelation really tell us about two vastly different and completely separate sequences of events that transpire at one and the same time, in entirely different places yet all as integral parts of the same vast panorama of end-times happenings? How do the Wedding and the Judgments fit together if they even DO? These are just some of the questions to which you'll find plausible, sensible, biblically sound answers in this volume. Please join us, right now, for another

voyage of discovery unlike anything you've embarked on before, even if you've already read volume 1 "

How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the

final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-

encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works.

**Encouraging Other Through Prophetic Revelation** Borderland Sciences Research  
The emotionally evocative power of the book of Revelation has been often noted and experienced by interpreters, but until now it has never been systematically explored. The strange visions of the book of Revelation provide some of the most difficult passages of

the New Testament, yet Christians have long been fascinated by its power and provocative pronouncements. David deSilva analyzes how the book argues and persuades us to see the world through the eyes of John, and suggests that the study of ancient rhetoric is particularly valuable in understanding the book of Revelation. deSilva interprets the book of Revelation as a rhetorical and communicative strategy to persuade a particular audience for specific goals. Throughout this analysis, he pursues John's construction of his own authority, John's use of emotion and logic, and his attempt to shape the formation of the reader. Despite the

complexities of Revelation, deSilva has produced a remarkably clear text sure to cause readers to rethink their view of Revelation. *The True Five Tibetan Rites* A&C Black (This Comprehensive Workbook is designed to facilitate study and should be used in conjunction with Chuck Missler's Commentary on Revelation audio or multimedia materials.) The Book of Revelation is the only book of the Bible with a Promise to the reader! Why? What makes this book so special? Revelation is a "lens" that puts the entire Bible into focus. The lens is focused on the person of Jesus Christ, and his destiny is imminent. This is a book of victory: We are overcomers! We are the ultimate winners in the game of life! (I

read the ending: we win!) One of the reasons this book strikes us as strange is because of our lack of understanding concerning the Old Testament. The Book of Revelation consists of 404 verses that contain over 800 allusions to the Old Testament. These are detailed, along with Chuck's analysis of the design and structure of this fascinating book. Learn about the past, present and future of the Church and our ultimate destiny. This is an ideal "first study" and foundational for every Christian.

The Book of Revelation contains passages of great beauty and comfort, as well as passages that strike the casual reader as

bizarre, bewildering, and sometimes frightening. How are readers today to discern God's message in this peculiar part of the Bible? Metzger presents the fruits of solid scholarship in a non-academic style. Seeing Things John's Way Simon and Schuster

Is there a book of the Bible more often discussed and yet less understood than the Book of Revelation? The "seven seals." The "dragon." The "beast." The "sea of glass." The

fantastic imagery found in the Book of Revelation has long captivated Christians but remains mysterious to many. In the midst of so much discussion about the end times, what does Revelation teach us about living in the present moment, with our eyes focused on the heavenly Jerusalem? Michael Barber's *Coming Soon* explores these questions by taking a detailed look at Revelation and its rich tapestry of prophecy, history, and biblical allusion. Barber explores the profound link between the Mass celebrated here on earth and the eternal reality of heaven, demonstrating that the Apocalypse reveals truth that has practical implications for today

and points to a firm hope in tomorrow. Coming Soon is a verse-by-verse commentary on the Book of Revelation using the Revised Standard Version: Catholic Edition of the Bible. Barber provides a Catholic interpretation, which sees the liturgical background of this book of Scripture-a perspective missing in many Protestant commentaries.
