HSPT Test Strategy! Winning Multiple Choice Strategies for the High School Placement Test Scholastic Inc.

Against the backdrop of the great Bristol Bay salmon fishery, thirteen-year-old Zoey Morley struggles with her parents divorce, her moms bush-pilot boyfriend, and the pangs of growing up during her summer in the real Alaska. Author Annie Boochever tells a compelling tale of a divided family living a remote lifestyle where getting along as a team is a matter of survival. Zoey learns to trust the artist inside her and finds she and her new friend Thomas have something in common. Readers will live the lessons learned and taught by this young girl who finds that hard work, compassion, and the ability to see things in her own special way lead her toward happiness in a place that at first seems just too far away.

The SOLARO Study Guide is designed to help students achieve success in school. It is a complete guide to be used by students throughout the school year for reviewing and understanding course content, and for preparing for assessments. The content in Texas High School Precalculus is specifically aligned to the Texas state standards for those who intend to have students complete school mathematics by the end of high school. Each Class Focus includes the following sections: Functions; Sequences and Series; Trigonometry and Vectors; and Conics. To create this book, teachers, curriculum specialists, and assessment experts have worked closely to develop the instructional pieces that explain each of the key concepts for the course. The practice questions and sample tests have detailed solutions that show problem-solving methods, highlight concepts that are likely to be tested, and point out potential sources of errors. Enhanced treatment of concepts, more practice sections, and additional learning tools are found in the accompanying online version of SOLARO which may be accessed through the web or on mobile devices.
