The Mark Hayes Vocal Solo Collection: 10 Christmas Songs for Solo Voice (Medium Low Voice) Hal Leonard Publishing Corporation

A collection of the world's best loved music for the holiday season. Here you will find traditional carols and holiday songs that everybody loves to sing and play at Christmas time.

Carols for Two Scarecrow Press

This big book of pre-reading solos includes favorite folk songs, classical arrangements, hymns, Christmas carols and patriotic songs. Melodies for the pieces are divided between the hands. All pieces include an optional duet part for parents or the teacher. If students are unfamiliar with the rhythmic notation, the rhythms can be quickly learned by rote. Students can begin to play favorites

after only a few weeks of study.

Catalogue of English Song Books Forming a Portion of the Library of Sir John Stainer Hal Leonard Corporation

(Book). Art Song: Linking Poetry and Music is a follow-up to author Carol Kimball's bestselling Song: A Guide to Art Song Style and Literature . Rather than a general survey of art song literature, the new book clearly and insightfully defines the fundamental characteristics of art song, and the integral relationship between lyric poetry and its musical settings. Topics covered include poetry basics for singers, exercises for singers in working with poetry, insights into composers' musical settings of poetry, building recital programs, performance suggestions, and recommended literature for college and university classical voice majors. The three appendices address further aspects of poetry, guidelines for creating a recital program, and representative classical voice recitals of various descriptions. Art Song: Linking Poetry and Music is extremely useful as an "unofficial" text for college/university vocal literature classes, as an excellent resource for singers and voice teachers, and of interest to all those who are fascinated by the rich legacy of the art song genre.
