**The Third Pole** The  
Associated Press Guide to  
News Writing  
Master the style  
guidelines of news  
writing, editing, and

common usage with this  
indispensable guide  
perfect for students and  
professional writers  
everywhere. The style of  
The Associated Press is  
the gold standard for  
news writing. With the AP  
Stylebook in hand, you  
can learn how to write  
and edit with the clarity  
and professionalism for

which their writers and  
editors are famous. The  
AP Stylebook will help you  
master the AP's rules on  
grammar, spelling,  
punctuation,  
capitalization,  
abbreviation, word and  
numeral usage, and when  
to use "more than"  
instead of "over." To  
make navigating these

specialty chapters even easier, the Stylebook includes a comprehensive index. Fully revised and updated to keep pace with world events, common usage, and AP procedures, The AP Stylebook is the one reference that all writers, editors and students cannot afford to be without.

Mystery, Obsession, and Death on Mount Everest

Open Road Media  
Cheap booze. Flying fleshpots. Lack of sleep. Endless spin. Lying pols. Just a few of the snares

lying in wait for the reporters who covered the 1972 presidential election. Traveling with the press pack from the June primaries to the big night in November, Rolling Stone reporter Timothy Crouse hopscotched the country with both the Nixon and McGovern campaigns and witnessed the birth of modern campaign journalism. The Boys on the Bus is the raucous story of how American news got to be what it is today. With its verve, wit, and psychological acumen, it

is a classic of American reporting. NOTE: This edition does not include photographs.

*Landslide* Basic Books

A fully revised and updated edition of the bible of the newspaper industry. The style of The Associated Press is the gold standard for news writing. With The AP Stylebook in hand, you can learn how to write and edit with the clarity and professionalism for which their writers and editors are famous. The AP Stylebook will help you master the AP's rules on

grammar, spelling, punctuation, capitalization, abbreviation, word and numeral usage, and when to use "more than" instead of "over." To make navigating these specialty chapters even easier, the Stylebook includes a comprehensive index. Fully revised and updated to keep pace with world events, common usage, and AP procedures, The AP Stylebook is the one reference that all writers, editors and students cannot afford to be

without.

### **Associated Press Reporting Handbook**

"O'Reilly Media, Inc."

"Particularly relevant in an election year...This book is full of data—on the economy, technology, and more—that will help millennials articulate their generational rage and help boomers understand where they're coming from." —The Washington Post "Jill Filipovic cuts through the noise with characteristic clarity and nuance. Behind the meme is a thoughtfully reported book that greatly

contributes to our understanding of generational change." —Irin Carmon, coauthor of the New York Times bestseller *Notorious RBG* Baby Boomers are the most prosperous generation in American history, but their kids are screwed. In this eye-opening book, journalist Jill Filipovic breaks down the massive problems facing Millennials including climate, money, housing, and healthcare. In *Ok Boomer, Let's Talk*, journalist (and Millennial) Jill Filipovic tells the

definitive story of her generation. Talking to gig workers, economists, policy makers, and dozens of struggling Millennials drowning in debt on a planet quite literally in flames, Filipovic paints a shocking and nuanced portrait of a generation being left behind: - Millennials are the most educated generation in American history—and also the most broke. - Millennials hold just 3 percent of American wealth. When they were the same age, Boomers held 21 percent. -The

average older Millennial has \$15,000 in student loan debt. The average Boomer at the same age? Just \$2,300 in today's dollars. -Millennials are paying almost 40 percent more for their first homes than Boomers did. - American families spend twice as much on healthcare now than they did when Boomers were young parents. Filipovic shows that Millennials are not the avocado-toast-eating snowflakes of Boomer outrage fantasies. But they are the first American generation that

will do worse than their parents. “OK, Boomer” isn't just a sarcastic dismissal—it's a recognition that Millennials are in crisis, and that Boomer voters, bankers, and policy makers are responsible. Filipovic goes beyond the meme, upending dated assumptions with revelatory data and revealing portraits of young people delaying adulthood to pay down debt, obsessed with “wellness” because they can't afford real healthcare, and struggling

to #hustle in the precarious gig economy. *Ok Boomer, Let's Talk* is at once an explainer and an extended olive branch that will finally allow these two generations to truly understand each other. [Broadcast Journalism Quickstudy Reference Guides](#)  
New York Times  
Bestseller: An “elegant” mosaic of trenchant observations on the late sixties and seventies from the author of *Slouching Towards Bethlehem* (The New Yorker). In this landmark essay collection,

Joan Didion brilliantly interweaves her own “bad dreams” with those of a nation confronting the dark underside of 1960s counterculture. From a jailhouse visit to Black Panther Party cofounder Huey Newton to witnessing First Lady of California Nancy Reagan pretend to pick flowers for the benefit of news cameras, Didion captures the paranoia and absurdity of the era with her signature blend of irony and insight. She takes readers to the “giddily splendid” Getty

Museum in Los Angeles, the cool mountains of Bogotá, and the Jordanian Desert, where Bishop James Pike went to walk in Jesus’s footsteps—and died not far from his rented Ford Cortina. She anatomizes the culture of shopping malls—“toy garden cities in which no one lives but everyone consumes”—and exposes the contradictions and compromises of the women’s movement. In the iconic title essay, she documents her uneasy state of mind during the years leading up to and

following the Manson murders—a terrifying crime that, in her memory, surprised no one. Written in “a voice like no other in contemporary journalism,” *The White Album* is a masterpiece of literary reportage and a fearless work of autobiography by the National Book Award-winning author of *The Year of Magical Thinking* (The New York Times Book Review). Its power to electrify and inform remains undiminished nearly forty

years after it was first published. *Our Story of Chasing Solutions to the World's Greatest Challenge* Basic Books  
 In July 1997, twenty-five of America's most influential journalists sat down to try and discover what had happened to their profession in the years between Watergate and Whitewater. What they knew was that the public no longer trusted the press as it once had. They were keenly aware of the pressures that advertisers and new

technologies were putting on newsrooms around the country. But, more than anything, they were aware that readers, listeners, and viewers — the people who use the news — were turning away from it in droves. There were many reasons for the public's growing lack of trust. On television, there were the ads that looked like news shows and programs that presented gossip and press releases as if they were news. There were the “docudramas,” television movies that

were an uneasy blend of fact and fiction and which purported to show viewers how events had "really" happened. At newspapers and magazines, celebrity was replacing news, newsroom budgets were being slashed, and editors were pushing journalists for more "edge" and "attitude" in place of reporting. And, on the radio, powerful talk personalities led their listeners from sensation to sensation, from fact to fantasy, while deriding traditional journalism.

Fact was blending with fiction, news with entertainment, journalism with rumor. Calling themselves the Committee of Concerned Journalists, the twenty-five determined to find how the news had found itself in this state. Drawn from the committee's years of intensive research, dozens of surveys of readers, listeners, viewers, editors, and journalists, and more than one hundred intensive interviews with journalists and editors, *The Elements of*

*Journalism* is the first book ever to spell out — both for those who create and those who consume the news — the principles and responsibilities of journalism. Written by Bill Kovach and Tom Rosenstiel, two of the nation's preeminent press critics, this is one of the most provocative books about the role of information in society in more than a generation and one of the most important ever written about news. By offering in turn each of the principles that should govern

reporting, Kovach and Rosenstiel show how some of the most common conceptions about the press, such as neutrality, fairness, and balance, are actually modern misconceptions. They also spell out how the news should be gathered, written, and reported even as they demonstrate why the First Amendment is on the brink of becoming a commercial right rather than something any American citizen can enjoy. The Elements of Journalism is already

igniting a national dialogue on issues vital to us all. This book will be the starting point for discussions by journalists and members of the public about the nature of journalism and the access that we all enjoy to information for years to come.

Associated Press Sports Writing Handbook  
McGraw-Hill

The style of the Associated Press defines clear news writing. In fact, more people write for the AP news service than for any single newspaper or

broadcaster in the world. The AP Stylebook is therefore "the journalist's bible," an essential handbook for all writers, editors, students, and public-relations specialists. The AP Stylebook contains over 5,000 entries laying out the AP's rules on grammar, spelling, punctuation, and usage. It gives journalists the references they need to write about the world today: correct names of countries and organizations, language to avoid, common

trademarks. Special sections cover business and sports reporting. This edition, published in the Associated Press's 150th year, also includes crucial advice on how writers can guard against libel and copyright infringement. An up-to-date AP Stylebook belongs on the desk of every working writer.

**Chasing the Truth: A Young Journalist's Guide to Investigative Reporting** Simon and Schuster

In this triumphant memoir, Carl Bernstein, the Pulitzer Prize-winning

coauthor of *All the President's Men* and pioneer of investigative journalism, recalls his beginnings as an audacious teenage newspaper reporter in the nation's capital—a winning tale of scrapes, gumshoeing, and American bedlam. In 1960, Bernstein was just a sixteen-year-old at considerable risk of failing to graduate high school. Inquisitive, self-taught—and, yes, truant—Bernstein landed a job as a copyboy at the *Evening Star*, the

afternoon paper in Washington. By nineteen, he was a reporter there. In *Chasing History: A Kid in the Newsroom*, Bernstein recalls the origins of his storied journalistic career as he chronicles the Kennedy era, the swelling civil rights movement, and a slew of grisly crimes. He spins a buoyant, frenetic account of educating himself in what Bob Woodward describes as “the genius of perpetual engagement.” Funny and exhilarating, poignant and frank, *Chasing History* is

an extraordinary memoir of life on the cusp of adulthood for a determined young man with a dogged commitment to the truth. What Newspeople Should Know and the Public Should Expect Penguin An instant New York Times bestseller. Critics agree: Michael Wolff's *Landslide* is THE book on Trump. "Landslide . . . is the one to leap upon. Smart, vivid and intrepid . . ." —The New York Times "I inhaled *Landslide*, gobbled it up." —Slate "Wow. Just wow . . ."

—Evening Standard "Cruel, unforgiving, muckraking, scandalous. I couldn't stop reading it."—The Telegraph We all witnessed some of the most shocking and confounding political events of our lifetime: the careening last stage of Donald J. Trump's reelection campaign, the president's audacious election challenge, the harrowing mayhem of January 6, the buffoonery of the second impeachment trial. But what was really going on in the inner sanctum of

the White House during these calamitous events? What did the president and his dwindling cadre of loyalists actually believe? And what were they planning? Michael Wolff pulled back the curtain on the Trump presidency with his #1 bestselling blockbuster *Fire and Fury*. Now, in *Landslide*, he closes the door on the presidency with a final, astonishingly candid account. Wolff embedded himself in the White House in 2017 and gave us a vivid picture of the chaos that had descended

on Washington. Almost four years later, Wolff finds the Oval Office even more chaotic and bizarre, a kind of Star Wars bar scene. At all times of the day, Trump, behind the Resolute desk, is surrounded by schemers and unqualified sycophants who spoon-feed him the “alternative facts” he hungers to hear—about COVID-19, Black Lives Matter protests, and, most of all, his chance of winning reelection. Once again, Wolff has gotten top-level access and takes us front

row as Trump’s circle of plotters whittles down to the most enabling and the president reaches beyond the bounds of democracy as he entertains the idea of martial law and balks at calling off the insurrectionist mob that threatens the institution of democracy itself. As the Trump presidency’s hold over the country spiraled out of control, an untold and human account of desperation, duplicity, and delusion was unfolding within the West Wing. Landslide is that story as only Michael

Wolff can tell it. *Associated Press Stylebook And Libel Manual* Random House The style of the Associated Press is the gold standard for news writing. With The AP Stylebook in hand, you can learn how to write and edit with the clarity and professionalism for which they are famous. Fully revised and updated, this new edition contains more than 3,000 A to Z entries—including more than 200 new ones—detailing the AP’s rules on grammar,

spelling, punctuation, capitalization, abbreviation, and word and numeral usage. You'll find answers to such wide-ranging questions as: · When should the names of government bodies be spelled out and when should they be abbreviated? · What are the general definitions of the major religious movements? · Which companies do the big media conglomerates own? · Who are all the members of the British Commonwealth? · How should box scores for

baseball games be filed? · What constitutes “fair use”? · What exactly does the Freedom of Information Act cover? With invaluable additional sections on the unique guidelines for business and sports reporting and on how you can guard against libel and copyright infringement, The AP Stylebook is the one reference that all writers, editors, and students cannot afford to be without. and Briefing on Media Law Penguin Offers guidelines to

capitalization, abbreviations, punctuation, spelling, numerals, usage, and style. Based on The Wall Street Journal Guide Basic Books As the journalist Walter Lippmann noted nearly a century ago, democracy falters “if there is no steady supply of trustworthy and relevant news.” Today’s journalists are not providing it. Too often, reporters give equal weight to facts and biased opinion, stir up small controversies, and substitute infotainment

for real news. Even when they get the facts right, they often misjudge the context in which they belong. Information is the lifeblood of a healthy democracy. Public opinion and debate suffer when citizens are misinformed about current affairs, as is increasingly the case. Though the failures of today's communication system cannot be blamed solely on the news media, they are part of the problem, and the best hope for something better. Patterson proposes "knowledge-

based journalism" as a corrective. Unless journalists are more deeply informed about the subjects they cover, they will continue to misinterpret them and to be vulnerable to manipulation by their sources. In this book, derived from a multi-year initiative of the Carnegie Corporation and the Knight Foundation, Patterson calls for nothing less than a major overhaul of journalism practice and education. The book speaks not only to journalists but to all who

are concerned about the integrity of the information on which America's democracy depends. *Associated Press Broadcast News Handbook* Basic Books  
*Dynamics of News Reporting and Writing: Foundational Skills for a Digital Age* shows students how to approach their stories and think on their feet in the evolving media landscape. Recognizing that well-crafted stories are founded on sharp prose, author Vincent F. Filak

covers more foundational elements of a newswriting textbook, like lead writing, structure, and storytelling, while also teaching students how to think critically and determine what matters most to their readers. The Second Edition includes even more writing and grammar exercises, discussions of social media and digital media advancements, and additional career-related examples to help students succeed upon entering the field.

A Study of American

Journalism Henry Holt and Company

Uses personal accounts, archival materials, interviews, and Pulitzer-Prize-winning photographs to document AP's groundbreaking role in providing the news to the international and American press.

**A Dictionary of Arts, Sciences, Literature and General Information** Basic Books (AZ)

A commemoration of the 20th anniversary of 9/11 as told through stories and photographs from

The Associated Press--covering everything from the events of that tragic day to the rebuilding of the World Trade Center and beyond. This important and comprehensive book commemorates the 20th anniversary of September 11 as told through stories and images from the correspondents and photographers of The Associated Press--breaking news reports, in-depth investigative pieces, human interest accounts, approximately 175 dramatic and moving

photos, and first-person recollections. AP's reporting of the world-changing events of 9/11; the heroic rescue efforts and aftermath; the world's reaction; Operation Enduring Freedom; the continuing legal proceedings; the building of the National September 11 Memorial & Museum in New York City as a place of remembrance; the rebuilding of downtown NYC and much more is covered. The book tells the many stories of 9/11-- not only of the unprecedented horror of

that September morning, but also of the inspiring resilience and hope of the human spirit. The Brass Check Penguin From dailies, to specialized monthlies and quarterlies, to online journals, there are now more venues for disseminating information than ever before—all of them in need of qualified reporters. Written for a new generation of journalists, this handbook schools readers in the art and science of reporting as practiced at the world's largest and oldest news

service. Written by an ace reporter with over 20 years on the job, it provides expert guidance and all the tools needed to successfully investigate and report on newsworthy events, locally, nationally, and internationally, including traditional pencil-and-paper technique as well as cutting-edge computer-assisted reporting technologies. Throughout, the book is enriched by insightful tips and anecdotes from veteran AP reporters such as trial writer Linda Deutsch,

national writer and Pulitzer winner Charles J. Hanley, special correspondent Mort Rosenblum, space writer Marcia Dunn, and others. *Can I Mix You a Drink?* Princeton Architectural Press

Writing and Reporting News You Can Use instructs students on how to produce news that is informative, interesting, educational, and most importantly, compelling. It addresses roadblocks to student interest in writing news, using illustrative examples and exercises

to help them understand how to write news that is interesting and accurate. Trujillo's hands-on approach is based on real-world strategies that deal with audience and market characteristics. Students are writing from the very beginning while also getting the ethical and legal grounding necessary to understand the field. This textbook is a complete resource for students learning broadcast news, including how to get a job after leaving the classroom. Sterling

And yes, spelling counts." *Associated Press Stylebook And Briefing On Media Law 2002 Edition* Kingston Imperial

Pulling examples straight from recent headlines, **WRITING AND REPORTING NEWS: A COACHING METHOD**, 8e uses tips and techniques from revered writing coaches and award-winning journalists to help you develop the writing and reporting skills you need to succeed in the changing world of journalism. Full-color photographs and a strong storytelling approach

keep you captivated throughout the book. An entire chapter is devoted to media ethics, while ethical dilemmas in each chapter give you practice working through ethical issues before you face them on the job. Offering the most up-to-date coverage available, the Eighth Edition fully integrates multimedia content into the chapters—reflecting the way the news world actually operates. It also includes an all-new book glossary featuring many of the newer terms used in

Journalism. Integrating new trends in the convergence of print, broadcast, and online media, **WRITING AND REPORTING NEWS** equips you with the fundamental skills you need for media careers now—and in the future. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. *Informing the News* Basic Books  
More people write for the Associated Press than for any other news service,

and more writers take their style and word-usage cues from this world-famous institution than from any other journalism source. In the no-nonsense, authoritative tradition of the best-selling AP Stylebook, the top editors at the AP have now written the definitive guide to punctuation. From the when and how of the ampersand to the rules for dashes, slashes, and brackets; from the correct moment for the overused exclamation point to the rules of

engagement for the  
semicolon, The AP Guide

to Punctuation is an  
invaluable and easy-to-  
use guide to the most

important aspect of clear  
and persuasive writing.
