Truth Triumphant Review and Herald Pub Assoc

This is a completely new typeset of the monumental 1957 classic, containing an extensive historical and theological introduction and detailed in-text notations by George R. Knight. Originally produced by the Ministerial Association of the General Conference of Seventh-day Adventists, Questions on Doctrine was widely acclaimed and distributed in the late 1950s and early 1960s as a forthright answer to questions from evangelicals about key elements of Adventist doctrine. Controversy regarding the book's position on the nature of Christ and the atonement soon stopped its circulation. As part of the Adventist Classic Library, Knight's essays provide the background for how the book came about and describes the interaction of the principal players involved in the crisis that shelved this classic work for more than a generation.

Seventh-day Adventist Church Manual. Baker Books

Ellen White was one of the founders of the Seventh Day Adventist Church and claimed to have had over 2000 visions. Excerpt: Everywhere the light of truth is to shine forth, that hearts now in the sleep of ignorance may be awakened and converted. In all countries and cities the gospel is to be proclaimed....

Seventh-day Adventists Believe ... Legare Street Press

Ground-breaking book that has shaken the foundations of the Seventh-day Adventist Church. "Ellen Gould White in the mid 1800s began a career that led to her becoming the acknowledged "personage" of the Seventh-day Adventist Church. A century and a quarter afterward, in the mid-1970s, one of her longtime devotees began to disclose evidence from his research that raised sobering questions as to the official church position on Ellen White.... This book grew out of the author's own quest for answers to compelling questions concerning this woman.... The White Lie reveals a portion of Walter Rea's evidence that much of what several generations have been taught concerning Ellen White's writings simply is not true -- or at the minimum, it is enormously overstated. The books of numerous writers of her time, and earlier, are known to have been accessible to her. The large number of them that were in personal collection at her death in 1915 were inventoried and have been available to the White Estate staff.

Stephen N. Haskell (1833-1922) was an evangelist, missionary and writer in the early days of the Seventh-Day Adventist Church.

Fundamentals of Bible Doctrine Review and Herald Pub Assoc

John N. Andrews was fifteen years old when he, along with other Advent believers, experienced the Great Disappointment of 1844. A few months later Andrews accepted the truth of the Sabbath after reading a tract and dedicated his life to serving God. By age twenty-three, Andrews had written and published thirty-five articles in the Review, which was the beginning of a prolific writing career. History of the Sabbath establishes that the seventh day is the Sabbath of the Lord. Within the pages of this book, Andrews outlines the truth of the Sabbath through the example of the Creator, the blessing God placed upon the day, and the sanctification or divine appointment of the day to a holy use. The book examines the Sabbath from its inception at Creation to its place in history, showing how Sunday worship usurped the Lord's Day.

Safe in the Arms of God Yesterday's World Publishing

A much neglected field of study has been opened by the research of the author into the history of the Christian church from its apostolic origins to the close of the eighteenth century. Taking as his thesis the prominence given to the Church in the Wilderness in Bible prophecy, and the fact that "the Church in the Wilderness," and not the proud hierarchy enthroned in the world's great capital, was the true church of Christ," he has spent years developing this subject. In its present form, Truth Triumphant represents much arduous research in the libraries of Europe as well as in America. Excellent ancient sources are most difficult to obtain, but the author has been successful in gaining access to many of them. To crystallize the subject matter and make the historical facts live in modern times, the author also made extensive travels throughout Europe and Asia. The doctrines of the primitive Christian church spread to Ireland, Scotland, and Wales. As grains of a mustard seed they lodged in the hearts of many Godly souls in southern France and northern Italy — people known as the Albigenses and the Waldenses. The faith of Jesus was valiantly upheld by the Church of the East. This term, as used by the author, not only includes the Syrian and Assyrian Churches, but is also the term applied to the development of apostolic Christianity throughout the lands of the East. The spirit of Christ, burning in the hearts of loyal men who would not compromise with paganism, sent them forth as missionaries to lands afar. Patrick, Columbanus, Marcos, and a host of others were missionaries to distant lands. They braved the ignorance of the barbarian, the intolerance of the apostate church leaders, and the persecution of the state in order that they might win souls to God. To unfold the dangers that were ever present in the conflict of the true church against error, to

reveal the sinister working of evil and the divine strength by which men of God made truth triumphant, to challenge the Remnant Church today in its final controversy against the powers of evil, and to show the holy, unchanging message of the Bible as it has been preserved for those who will "fear God, and keep His commandments" — these are the sincere aims of the author as he presents this book to those who know the truth. MERLIN L. NEFF.

"The Lord has shown me that Satan was once an honored angel in heaven, next to Jesus Christ. His countenance was mild, expressive of happiness like the other angels. His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. And I saw that when God said to his Son, Let us make man in our image, Satan was jealous of Jesus. He wished to be consulted concerning the formation of man. He was filled with envy, jealousy and hatred. He wished to be the highest in heaven, next to God, and receive the highest honors. Until this time all heaven was in order, harmony and perfect subjection to the government of God."-Ellen

G White

The Story of Daniel the Prophet Westminster John Knox Press

This book provides theological insights as well as practical sermon suggestions for preachers and seminary students. It treats the reader to a thorough examination of how to approach and interpret any portion of the Old Testament.

Selected Messages, Vol. 1 Legare Street Press

"Is my baby in heaven?" This is the most important question a grieving parent can ask. And even if the little one is someone else's child, the issue remains: What happens to children?those unborn, stillborn, or youngsters?when they die? Can you hope to see them again? Can you let go of your fear and guilt? Can God's love soothe a wound so jagged? With scriptural authority and the warmth of a pastor's heart, bestselling author John MacArthur examines the breadth of the entire Bible and reveals in this compelling book the Heavenly Father's care for every life. "I have sat by the grave of our daughter and son and wondered out loud if my belief that Hope and Gabriel are in heaven has any solid scriptural support. John MacArthur offers truth from God's Word that puts the doubts of any grieving parent to rest. Safe in the Arms of God reveals that confidence of heaven for the child you love is based on much more than mere sentimentality; it is revealed in the Word of God and reflective of the very heart of God." ?Nancy Guthrie, author of Holding On to Hope

Daniel and the Revelation Pacific PressPub Assn

A foundational text in the Seventh Day Adventist church, The Great Controversy is a vision White had of the great battle between Christ and Satan throughout the ages of the early and modern church. Although the book is not held with as high esteem in Protestant circles, it still is able to outline a way of impactful theological thinking.
