Lukas the Trickster Black Library
Collecting the first three volumes of the Quincy Harker, Demon Hunter Dark Urban Fantasy series, this omnibus edition will look fantastic sitting on a shelf, or it can also be used to battle back home invaders. This is a HEAVY book

The Wolftime Typhon Press

THE FIRST PSY/CHANGELING NOVEL from the New York Times bestselling author of Shards of Hope, Shield of Winter, and Heart of Obsidian... The book that Christine Feehan called "a must-read for all of my fans." In a world that denies emotions, where the ruling Psy punish any sign of desire, Sascha Duncan must conceal the feelings that brand her as flawed. To reveal them would be to sentence herself to the horror of "rehabilitation"—the complete psychic erasure of everything she ever was...Both human and animal, Lucas Hunter is a Changeling hungry for the very sensations the Psy disdain. After centuries of uneasy coexistence, these two races are now on the verge of war over the brutal murders of several Changeling women. Lucas is determined to find the Psy killer who butchered his packmate, and Sascha is his ticket into their closely guarded society. But he soon discovers that this ice-cold Psy is very capable of passion—and that the animal in him is fascinated by her. Caught between their conflicting worlds, Lucas and Sascha must remain bound to their identities—or sacrifice everything for a taste of darkest temptation...

While Tyrion, a calculating tactician and unrivalled swordsman, inspires valour and fidelity in those around him, Teclis is the most powerful natural sorcerer of the age, harnessing a power that rivals even the mythic Caledor. Relive the twins' most gripping adventures – from their quest through the deadly jungles of Lustria in search of the fabled lost sword of Caledor, through to the blood-thirsty battle to save their homeland from the malevolent Witch King, Malekith. This collection of William King's Blood of Aenarion, Sword of Caledor and Bane of Malekith brims with rip-roaring adventure.

Dark Heir Games Workshop

The “unparalleled romantic adventure”* of Nalini Singh’s New York Times bestselling series continues as a new dawn begins for the Psy-Changeling world... A staggering transformation has put the Psy, humans, and changelings at a crossroads. The Trinity Accord promises a new era of cooperation between disparate races and groups. It is a beacon of hope held together by many hands: old enemies, new allies, wary loners. But a century of distrust and suspicion can’t be so easily forgotten, and it threatens to shatter Trinity from within at any moment. As rival members vie for dominance, chaos and evil gather in the shadows and a kidnapped woman’s cry for help washes up in San Francisco, while the Consortium turns its murderous gaze toward a child who is the embodiment of change, of love, of piercing hope: a child who is both Psy...and changeling. To find the lost and protect the vulnerable—and

to save Trinity—no one can stand alone. This is a time of loyalty across divisions, of bonds woven into the heart and the soul, of heroes known and unknown standing back to back and holding the line. But is an allegiance of honor even possible with traitors lurking in their midst? *Publishers Weekly on *Shards of Hope*

Wolf's Honour Games Workshop

Rebellious young Space Wolf Lukas the Trickster finds himself facing a foe who might rival even his legendary cunning – the dark eldar corsair, Duke Sliscus. Among the Space Wolves there are as many sagas as there are warriors, but there are none quite like that of Lukas the Trickster. Vainglorious, boastful and irreverent, the Jackal Wolf has ever stood apart from his battle-brothers, passed from pack to pack by embittered Wolf Lords, renowned and reviled in equal measure. But as a new enemy invades the icy reaches of Fenris at the height of the Helwinter, Lukas finds himself facing a foe who might rival even his legendary cunning – the dark eldar corsair, Duke Sliscus. In the battle between wolf and serpent, who will emerge triumphant, and who will stain the snow red?

Champions of Fenris Games Workshop(uk)

Stealer of Flesh Penguin

Bumper Omnibus collecting together some of Black Library's most loved Space Wolves stories for the first time. Born on the icy world of Fenris, few amongst the brotherhoods of the Adeptus Astartes are as fierce or as noble as the Space Wolves. Long are their tales, told around mead halls or the flickering glow of a hungry fire. Heed them well, for they speak of legends like the Young King Ragnar Blackmane, whose thirst for battle is only matched by his heroism, or the Wolf Lord Logan Grimnar that most venerable and fearsome of warriors, he who leads the Chapter itself. So listen hard and listen carefully to the skald as he holds forth around the burning fire, because there is darkness in these sagas as well as light. This omnibus edition collects together for the first time the novels Ragnar Blackmane, Curse of the Wulfen, Legacy of Russ and The Hunt for Logan Grimnar as well as the novellas Blood on the Mountain and Arjac Rockfist, and a host of short stories.
