BLEVINS JAMARI

Coming to America William Morrow & Company
 An expert on Japanese social mores and business practices demonstrates the futility in applying Japanese principles to American business, basing his argument on social, corporate, cultural, and psychological grounds
Speaking Truth to Power and Reclaiming America Gateway
 #1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.
Fahrenheit 451 Tuttle Publishing
 One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.
The Sun Down Motel Abrams
 The Broken Leaf invites you to explore the beauty and gospel images found in Japanese art and culture. Through ten short meditations, discover for yourself just how God might be revealing his story in the everyday objects of your life whenever and wherever you may be.
A Critical View of the "Japanese Miracle" Vintage
 Tells the stories of Russian, Lithuanian, Italian, Greek, Swedish, and Irish immigrants who passed through Ellis Island

A Meditation on the Madness of Modern Life Delacorte Press
 Features Virginia Woolf's short fiction posthumously collected by her husband, Leonard Woolf.
The Shut Ins Delacorte Books for Young Readers
 After six months of backpacking and soul-searching across the world, Amber MacLean is flat broke. There are worse places for a twentysomething to be stuck than the Amalfi Coast, but the only way she can earn enough money for a plane ticket home to California is to teach English to two of the brattiest children she has ever met. It doesn't help that the children are under the care of their brooding older brother, ex-motorcycle racer Desiderio Larosa. Darkly handsome and oh-so-mysterious, the young master of the crumbling villa tests Amber's patience and will at every turn—not to mention her hormones. When her position turns into a full-time nanny gig, Amber grows dangerously closer to the enigmatic recluse. But can she give up the certainty of home for someone whose closely guarded heart feels a world apart from her own?
Sunstorm Shutting Out the Sun
 How Japan Created Its Own Lost Generation
 Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.
Shutting Out the Sun Golden Books
 In this arresting chronicle of one tumultuous year in China's love-hate relationship with the West, Orville Schell brings us a revealing analysis of the Chinese reform movement.
A Novel Candlewick Press
 "Many schizophrenics experience their condition as one of radical incarceration, mind-altering medications, isolation, and dehumanization. At a time when the treatment of choice is anti-psychotic medication, world-renowned psychoanalyst Christopher Bollas shows that schizophrenics can be helped by much more

humane treatments, and explains that they have a chance to survive and even reverse the process if they have someone to talk with them regularly and for a sustained period soon after they show signs of imminent breakdown. In this sensitive and evocative narrative, Bollas draws on his personal experiences working with schizophrenics since the 1960s. He offers his interpretation of how schizophrenia develops, typically in the teen years, as an adaptation during the difficult transition to adulthood."--Dust jacket.
Meditations on Art, Life, and Faith in Japan Yale University Press
 The amazing New York Times bestseller about what you can do when life gives you a second chance.
A Novel About the History of Philosophy Cambridge University Press
 In *The Japanese Mind*, Roger Davies offers Westerners an invaluable key to the unique aspects of Japanese culture. Readers of this book will gain a clear understanding of what makes the Japanese, and their society, tick. Among the topics explored: aimai (ambiguity), amae (dependence upon others' benevolence), amakudari (the nation's descent from heaven), chinmoku (silence in communication), gambari (perseverance), giri (social obligation), haragei (literally, "belly art"; implicit, unspoken communication), kenkyo (the appearance of modesty), sempai-kohai (seniority), wabi-sabi (simplicity and elegance), and zoto (gift giving), as well as discussions of child-rearing, personal space, and the roles of women in Japanese society. It includes discussion topics and questions after each chapter. All in all, this book is an easy-to-use introduction to the distinguishing characteristics of Japanese society; an invaluable resource for anyone—business people, travelers, or students—perfect for course adoption, but also for anyone interested in Japanese culture. Next in this series: Now available separately, *Japanese Culture: The Religious and Philosophical Foundations* is a fascinating journey through Japan's rich cultural history.
Discos and Democracy Crown
 INSTANT NATIONAL BESTSELLER "Travel to the land of Couldn't Be More Timely."--Margaret Atwood on *Lean Out*, in the West End Phoenix "What begins as one woman's critique of our culture of overwork and productivity ultimately becomes an investigation into our most urgent problems: vast inequality, loneliness, economic precarity, and isolation from the natural world. Henley punctures the myths of the meritocracy in a way few writers have. This is an essential book for our time." --Mandy Len Catron, author of *How to Fall in Love with Anyone* A deeply personal and informed reflection on the modern world--and why so many feel disillusioned by it. In 2016, journalist Tara Henley was at the top

of her game working in Canadian media. She had traveled the world, from Soweto to Bangkok and Borneo to Brooklyn, interviewing authors and community leaders, politicians and Hollywood celebrities. But when she started getting chest pains at her desk in the newsroom, none of that seemed to matter. The health crisis--not cardiac, it turned out, but anxiety--forced her to step off the media treadmill and examine her life and the stressful twenty-first century world around her. Henley was not alone; North America was facing an epidemic of lifestyle-related health problems. And yet, the culture was continually celebrating the elite few who thrived in the always-on work world, those who perpetually leaned in. Henley realized that if we wanted innovative solutions to the wave of burnout and stress-related illness, it was time to talk to those who had leaned out. Part memoir, part travelogue, and part investigation, *Lean Out* tracks Henley's journey from the heart of the connected city to the fringe communities that surround it. From early retirement enthusiasts in urban British Columbia to moneyless men in rural Ireland, Henley uncovers a parallel track in which everyday citizens are quietly dropping out of the mainstream and reclaiming their lives from overwork. Underlying these disparate movements is a rejection of consumerism, a growing appetite for social contribution, and a quest for meaningful connection in this era of extreme isolation and loneliness. As she connects the dots between anxiety and overwork, Henley confronts the biggest issues of our time.

When the Sun Bursts Anchor

Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before

she fully understands the importance her family attributes to having land of their own.

Language and Society in Japan Simon and Schuster

In this astrology guide for the New Age, MacNaughton shows readers how to work with both the positive and negative aspects of their sun sign to achieve personal growth, inner peace and Robin MacNaughton's Sun Sign Personality Guide.

The Glass Castle Appetite by Random House

The original classic touch and feel book that has been entertaining babies for over 60 years.

Life as We Knew it Houghton Mifflin Harcourt

Once a promising actor, Tim Brettigan has gone missing. His father thinks he may have seen him among some homeless people. And though she knows he left on purpose, his mother has been searching for him all over their home city of Minneapolis. She checks the usual places -- churches, storefronts, benches -- and stumbles upon a local community group with lofty goals and an enigmatic leader. Christina, a young woman rapidly becoming addicted to a boutique drug that gives her a feeling of blessedness, is inexplicably drawn to the same collective by a man who's convinced he may start a revolution.

How Japan Created Its Own Lost Generation Simon & Schuster

The advanced technology of a house first pleases then increasingly terrifies its occupants.

Same Sun Here Applewood Books

Every vampire has heard rumor of the mythical place where their kind can daywalk. But what no vampire knows is that this City of Eternal Night actually exists. And its name is New Orleans. For

centuries, the fae have protected the city from vampire infestation. But when the bloodsuckers return, the fragile peace in New Orleans begins to crumble. Carefree playboy Augustine, and Harlow, a woman searching for answers about her absent father, are dragged into the war. The fate of the city rests on them --- and their fae blood that can no longer be denied. Book one in the brand new, action-packed urban fantasy Crescent City series, from award winning, House of Comarre author Kristen Painter! **Shadows of the Rising Sun** Simon and Schuster

"Clarke and Baxter have mastered the art of saving the world in blockbuster style."—Entertainment Weekly Returned to the Earth of 2037 by the mysterious and powerful Firstborn, Bisesa Dutt is haunted by memories of her five years spent on the strange alternate Earth called Mir, a jigsaw-puzzle world made up of lands and people cut out of different eras of Earth's history. Why did the Firstborn create Mir? Why was Bisesa taken there and then brought back just a day after her disappearance? Bisesa's questions are answered when scientists discover an unnatural anomaly in the sun's core—evidence of alien intervention more than two thousand years ago. Now plans set in motion by inscrutable observers light-years away are coming to fruition in a sunstorm designed to eradicate all life on Earth in a bombardment of radiation. As the apocalypse looms, religious and political differences on Earth threaten to undermine every countereffort. And all the while, the Firstborn are watching. . . . Praise for Sunstorm "An absolute must for science fiction fans."—All Things Considered, NPR "Enthralling . . . highly satisfying."—The New York Times Book Review "Will keep readers turning pages."—Publishers Weekly
