The 5th edition of BASIC AUTOMOTIVE SERVICE & SYSTEMS is a comprehensive Classroom Manual/Shop Manual set provides an accessible overview of automotive systems to prepare you for all aspects of work in the field. The Classroom Manual explores the basic theories of operation behind each automotive system, while the Shop Manual covers the hands-on diagnostic, testing, and repair procedures that relate to them. Assuming no prior knowledge of automotive technology, this clear and engaging book addresses fundamental skills and maintenance and the application of key theories. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

### **Hearings, Reports and Prints of the House Committee on Interstate and Foreign Commerce**

The President of the United States on September 16, 1974 signed Proclamation 4313 proclaiming a program to afford reconciliation to Vietnam era draft evaders and military deserters. The Proclamation provided for the performance of a period of alternate service as a condition for that reconciliation.
