## SHILOH TRAVIS

---

**Adara and the Red Priests** Tor Teen Ruling a nest of vampires is a little like herding cats. Extremely sneaky and badly-behaved cats. Yet, that's exactly what Alessandro has to do. Even worse, this particular nest is in tatters, the legacy of the previous lord's cruelty. Now faced with the responsibility for those who remain, Alessandro needs to know who can be trusted as he begins to rebuild. Meeting his human Blood Mate? That just makes it all trickier and now the stakes have never been higher. Faith is more than a little smitten with the man who comes to her rescue one night. When his true nature is revealed, it leaves her desperately trying to decide if she can live in the vampire world. Dangerous, violent, and unpredictable, Alessandro's world is not easy to navigate. Yet, how can she bring herself to walk away from a connection so strong, especially with the knowledge it will mean Alessandro's death? Drawn together like moths to a flame, just how much are they prepared to risk for love? "Lord of the Night" is designed to be part of a series. Although this couple's story is complete, not all background plots will be resolved. No cliffhangers. Not suitable for those who prefer clean romance. *Sitzungsberichte der Philosophisch-Historischen Classe der Kaiserlichen Akademie der Wissenschaften Univ. of Manitoba Press*

Adara is the main character of this sci-fantasy sword and sorcery adventure with plenty of attitude and action. With sword in hand, our larger than life heroine of the pre-flood world is befriended by an Atlantean king whose

once glorious kingdom is beseeched by a horde of invaders from across the eastern sea from the hostile land laying waste of this last salvation of hope in the decaying world controlled by the fallen watchers, whose Red Priests would stop at nothing to get control of man's last haven against the hordes of barbarians and dragons from the east. In this epic good vs. evil Adara and her friends fight the host of ships, weapons, Red Priests, giant orcs, dragons, seabests and invading hordes. She puts her famous black metal, ancient arts of war, Amazonian skills to an inhuman test in this action packed trilogy about the Nephilim and their secret plan to create a race of Nephilim born giants to take all of man's possessions and their daughters and to devour man himself. In her sandled feet and black sword the Amazon princess will meet her enemies head-on in the fight of her life using all the skill the dark jungles of the third age can muster. A female warrior as big as Hercules or Achilles, is a story of a forgotten age that needs to be told. The first two tales are put together so that the reader may enjoy her tales to the fullest and leaving the reader to wait for the last tale leaving the avid sci-fiction fantasy fan wanting more.

*Never Far Apart* Wm. B. Eerdmans Publishing

Ayna could predict the future. Cari could find what was lost. Gair thought he was ordinary. The three children of Gest, the chief of Garholt, know the perils of the Moor on which they live. The Dorig, their people's enemies, are cold-blooded, fierce underwater creatures who terrify anyone unlucky enough to happen upon them. The Giants are dangerous and violent. But it's not until their home is invaded that Gair learns of a dying curse that endangers all three peoples of the

Moor. A curse that ordinary Gair, with the help of his extraordinary brother and sister, may be able to break, but only at the most dreadful risk to all three, and to the Moor itself.

In the decade after the Second World War, 35,000 Jewish survivors of Nazi persecution and their dependants arrived in Canada. This was a watershed moment in Canadian Jewish history. The unprecedented scale of the relief effort required for the survivors, compounded by their unique social, psychological, and emotional needs challenged both the established Jewish community and resettlement agents alike. Adara Goldberg's *Holocaust Survivors in Canada* highlights the immigration, resettlement, and integration experience from the perspective of Holocaust survivors and those charged with helping them. The book explores the relationships between the survivors, Jewish social service organizations, and local Jewish communities; it considers how those relationships—strained by disparities in experience, language, culture, and worldview—both facilitated and impeded the ability of survivors to adapt to a new country. Researched in basement archives and as well as at Holocaust survivors' kitchen tables, *Holocaust Survivors in Canada* represents the first comprehensive analysis of the resettlement, integration, and acculturation experience of survivors in early postwar Canada. Goldberg reveals the challenges in responding to, and recovering from, genocide—not through the lens of lawmakers, but from the perspective of "new Canadians" themselves.

Arundel Publishing

The soldier heaved me over his shoulder as if I were a spring lamb. "I am not Israelite!" I screamed. I beat his back, hurting my hands. "Let me go." Adara has always longed to do the things that well-brought-up girls of her time are not supposed to do. She wants to learn to read and write -- like men. And she wants the freedom to travel -- like men -- outside the boundaries of her sheltered life. One day she awakens to a blast of trumpets as the Israelites and Arameans battle just outside the safety of her village walls. Curious, Adara sneaks out to see the battle. Little does she know that this will be her last day of freedom for a very long time. Sold into slavery, Adara becomes a servant to General Namaan and his family and begins a remarkable journey of self-discovery, healing, and redemption -- a journey that, in the end, faces her with the hardest decision of her life . . .

April 8, 2003. U.S. Army Chaplain Jaime Richards is stunned when her civilian

friend Adara Dunbar staggers, mortally wounded, out of the Iraqi night, with an urgent “package” for Jaime to drop at ruins of the ancient city of Ur, now inside a U.S. military base. Jaime is soon pulled into a web of five-thousand-year-old secrets as she joins forces with Adara’s mysterious brother on a quest through Ur, Babylon, Baghdad, and Iraq’s southern swamps to save a hidden treasure that powerful men are willing to steal and kill—and start a war—to find. Smart and suspenseful, a hold-on-to-your-seat race to find the site of the original Garden of Eden.

Contains 273 entries to information derived from the sciences, the social sciences, and the humanities.

Comprehensive coverage, including biographical, subject, and historical information. Many entries contain sub-topics. Articles are signed and include references. Index in last volume.

*The Mind and Its Control* First Second  
The control of the mind is not a problem peculiar to religious aspirants; people in all walks of life need to control their minds if they are to succeed in their respective vocation. No fundamental work for the uplift of the individual or of the community can ever be done without the mind being controlled. This book published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, India, sets forth the teachings of Vedanta and Yoga on the nature of the mind and ways of controlling it.

*Queens of Beasts* Independently Published

The Ice Dragon is an enchanting tale of courage and sacrifice for young readers and adults by the wildly popular author of the #1 New York Times bestselling

Song of Ice and Fire series, George R.R. Martin. Lavish illustrations by acclaimed artist Luis Royo enrich this captivating and heartwarming story of a young girl and her dragon. In the world of A Song of Ice and Fire the ice dragon was a creature of legend and fear, for no man had ever tamed one. When it flew overhead, it left in its wake desolate cold and frozen land. But Adara was not afraid. For Adara was a winter child, born during the worst freeze that anyone, even the Old Ones, could remember. Adara could not remember the first time she had seen the ice dragon. It seemed that it had always been in her life, glimpsed from afar as she played in the frigid snow long after the other children had fled the cold. In her fourth year she touched it, and in her fifth year she rode upon its broad, chilled back for the first time. Then, in her seventh year, on a calm summer day, fiery dragons from the North swooped down upon the peaceful farm that was Adara's home. And only a winter child—and the ice dragon who loved her—could save her world from utter destruction. This new edition of The Ice Dragon is sure to become a collector's item for fans of HBO's megahit Game of Thrones. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**The Butterflies of India, Burmah and Ceylon** MacKenzie Publishing

Welcome to Hell Fire Valley where if the boredom doesn't kill you, the monsters beneath the surface surely will. Adara Mashall is in town three months after her grandmother's mysterious passing for one thing and one thing only: answers. But in a town like Hell Fire Valley, the only thing deeper than the family ties are the secrets. Most people know better than to snoop around and stir up the

demons that have been hibernating for decades. Adara isn't most people. Daniel Farrell and Alonzo Leones wanted Adara from the moment she blew into Hell Fire Valley. She's beautiful. She's smart. She's strong. She's the key to getting their hands on the Mashall land. When tensions mount, Adara finds herself caught in the middle of a territory war and a love triangle. Secrets are revealed. Monsters are awoken. Death is imminent. Will Adara find the answers she's looking for? Or will Hell Fire Valley be this Queen's final resting place?

The imaginative YA paranormal romance and sci-fi genre fusion debut from Adara Spence *Drawing Red* is now available! Summary Progress doesn't sleep and neither does a vampire! Facing homelessness, artist Lucy takes a job with global household brand Cross-Key & Co, entering a world where art meets the supernatural. One week in, her charge Oda (a naïve tree spirit inhabiting a notebook), goes missing, along with company supplies. If not recovered she could lose her job, home, and wolfishly handsome wheelchair using flat mate. Lucy races to recover them, in a journey leading her through mirror-portals and uncovering secrets of cosmic proportions. Paranormal and intergalactic peace is on the line. Amidst tangled relationships, chasing down an escaped vampire convict, and a web of family and inter-species politics, Lucy discovers her own her voice. But when the time comes to speak, will she be Little Red Riding Hood or the Red Queen? *Drawing Red* is a thrilling clash of love, loyalty, and unearthly revelations, where courage defies boundaries. Join Lucy in unravelling the

extraordinary in this enthralling narrative. Accolades for *Drawing Red*: \*\*\* LONGLISTED FOR THE MSLEXIA CHILDREN AND YOUNG ADULT NOVEL AWARD 2023! \*\*\* LONGLISTED FOR THE PAGE TURNER: WRITING 2023 AWARD! Reader Reviews: "An amazing debut novel from start to finish! The characters are well written, gripping plot, and before you know it the time is 4am and you have finished the book! I don't think I have loved and hated characters so much before. A must read." ~ V.J. "Great read for young people. Full of adventure, excitement and overall its diverse and outstanding quality of content. This book is a real page turner, a one you can't put down when you start to read." ~ M.R. "*Drawing Red* is a fascinating story of adventure and fantasy, where Lucy Blakely discovers her talents set her apart. Along the way on her journey encountering vampires and werewolves in space, her mind is broadened to say the least. You will want to read on as this page turner continues to please from the moment you pick it up." ~ T.S.

Project report for Graduate Diploma of Business (Shipping)

Sitzungsberichte Eerdmans Young Readers

*A Prodigal Princess* is a creatively candid true story of transparency, transformation, and triumph. It is a refreshingly honest look into the often unspoken struggles of being raised in the church, but still choosing to run to the world in an attempt to run from God's call. Filled with Biblical examples and personal experiences, *A Prodigal Princess* takes us on a journey of finding God, finding purpose, and ultimately finding oneself. It is a unique blend of revelation and rawness, as it gives an

honest look into the author's encounters with love, heartbreak, and even low self-esteem. Adara makes her testimony an open book, sharing her journey from the "pig's pen" back to her Father's house. This book serves as a inspiration and reminder to all those who may feel they are in a "prodigal" state, that it's never too late to take your rightful place as an heir to Christ's throne with purpose in God's kingdom.

*The Hibbert Journal* N.Y. Lysk

Kati and her younger sister, Ilonka, arrive in Canada with painful memories from the Holocaust, which has taken both of their parents. Their harrowing time alone in the Budapest ghetto is fresh in their minds, as are their fragile hopes to be adopted. But their lives in Toronto are far from what they expected, and full of broken promises. As the sisters navigate their new surroundings, they each grow fiercely strong and independent, while holding onto the comfort that they will be Never Far Apart.

Louise Vandercourt lives in a modern day castle, but she does not believe in fairy tales, nor the silly ideas of love that are associated with them. However, she does believe in the power of money and knows it can buy her anything, including the Beauty that walks by her property every day. No one tells Louise no, and no matter what the cost, Louise will have her Beauty by her side forever. Though life seems to be at its worst, Adara Monroe still believes in fairytale endings, and the majestic castle not far from her home may be the very place where it could happen. Love, laughter, and happily ever afters, all these things must be so close...When a series of events forces Adara to reside in the castle, she

soon realizes that not all fairy tales are filled with happiness and princesses full of love. In fact, some are cursed with darkness and a very cruel Beast. In order for Adara to have the happily ever after she has always desired, she must find a way to break the curse of the castle, and the curse of the one that has taken hold of her as well.

Adara and the Beast Harper Collins

A heart warming tale of a young girl who finds her inner potential while combating the realities of a social anxiety disorder.

The Ice Dragon Simon and Schuster

**Power of Three** HarperCollins UK

The Nature of Life presents a totally new way of looking at the world and how we live. This 600-page textbook offers a new all-encompassing model for wholistic healing and natural living. It provides us with the means of bringing together all existing fields of thought - philosophy, religion, science, mathematics, language, art, and music. This comprehensive book presents detailed charts, tables and flowcharts that will enable you to navigate your way through life. It will empower you with the ability to transcend the negative influences in the world, and remain grounded in a true sense of being. Brian presents key tools that allow us to consciously remain in a natural state of empowerment whilst

living in the modern world. It is not just a book, it is a map, a tool, a path, and a work of art, explaining how we can bring everything into the present moment, and deliberately move towards a future only ever dreamed possible.

*Unspeakable Desires* Xlibris Corporation  
Cici dreams of being a novelist. Her favorite subject: people, especially adults. She's been watching them and taking notes. Everybody has one special secret, Cici figures, and if you want to write about people, you need to understand what's hiding inside them. But now she's discovered something truly strange: an old man who disappears into the forest every Sunday with huge pots of paint in all sorts of colors. What is he up to? Why does he look so sad when he comes back? In a graphic novel interwoven with journal notes, scrapbook pieces, and doodles, Cici assembles clues about the odd and wonderful people she's uncovered, even as she struggles to understand the mundane: her family and friends.
