Receiving his father's blessing to take leave of the family farm in Vermont, Joseph Wayne heads to California to begin a life of homesteading. He arrives in California in the spring of 1904. It is within a valley between the Salinas and the

Pacific known as Nuestra Senora that Joseph Wayne sets to work on a detailed record of his adventures in homesteading. Two weeks after his arrival, the lumber arrives. In response to the delay, Joseph is told of earlier times in the 1880s when there was a dry season that seems to indicate the wisdom of preparing for regular onsets of drought. Meanwhile, work continues on building the home and eventually the frame is completed. Not long after comes word that Joseph's beloved father has passed away, instilling in Joseph the belief that the spirit of his father has become one with a truly spectacular oak tree.

John Bunyan (28 November 1628 - 31 August 1688) was an English Christian writer and preacher, famous for writing *The Pilgrim's Progress*. Though he was a Reformed Baptist, in the Church of England he is remembered with a Lesser Festival on 30 August, and on the liturgical calendar of the Episcopal Church (USA) on August 29. As his popularity and notoriety grew, Bunyan increasingly became a target for slander and libel; he was described as "a witch, a Jesuit, a highwayman" and was said to have mistresses and multiple wives. In 1658, aged 30, he was arrested for preaching at Eaton Socon and indicted for preaching without a licence. He continued preaching, however, and did not suffer imprisonment until November 1660, when he was taken to the County gaol in Silver Street, Bedford. In that same year, Bunyan married his second wife, Elizabeth, by whom he had two more children, Sarah and Joseph. The Restoration of the monarchy by Charles II of England began Bunyan's persecution as England returned to Anglicanism. Meeting-houses were quickly closed and all citizens were required to attend their Anglican parish church. It became punishable by law to "conduct divine service except in accordance with the ritual of the church, or for one not in Episcopal orders to address a congregation." Thus, John Bunyan no longer had that freedom to preach which he had enjoyed under the Puritan Commonwealth. He was arrested on 12 November 1660, whilst preaching privately in Lower Samsell by Harlington, Bedfordshire, 10 miles south of Bedford.

"Jesus of Nazareth, a Biography, by John Mark," recognizes the author of the second Gospel as that "John, whose surname was Mark" (Acts 15:37), whom Barnabas chose as companion when he sailed for Cyprus on his second missionary journey. In making use of the new title, the plan of

the Editor is to present "The Gospel: According to Mark" as it would be printed were it written in the twentieth rather than the first century. Mark's Gospel has been chosen for this purpose to make available in more readable form this timely portion of the Bible. In John Mark the missionary is revealed a man of action. This characteristic influences strongly the point of view and style of his writing. As John, the beloved disciple, in "The Revelation" beholds the victorious Christ as "the Lion of the tribe of Judah," foretold by the prophets, so Mark sees Jesus of Nazareth as the strong, vigorous man of action; he writes of His mighty works in swift narrative at times so vivid it flashes like a burst of flame, as though the facts presented must have been on fire in the heart of the author. Written for the practical, energetic Roman, the Editor feels that this biography of Jesus of Nazareth exactly fits the mood of our own time, with its emphasis upon the practical and its insistence that the man of action, the doer, is the man for the hour. Printed like a modern book, but in the fine old King James' version, it is believed that all Bible lovers will welcome their old friend, "The Gospel: According to Mark," in its new literary dress; it is hoped, too, that in this popular form book buyers and lovers of good literature may be led to purchase a book which needs only to be thoroughly and thoughtfully read to be greatly revered.

The God Warriors To a God Unknown

John was once described by a friend as a man who looked like he had a party going on in his head all the time. In *Duck Butts: Seasons With God* he invites you to that party. In this, his first collection of writings, he shares his somewhat askew humor with short essays like *If I Were the Pope*. He takes us on an imaginative flight in *Astronaut*, and then brings us soberly back home with *Walking For Groceries*. Within these pages you'll also find experiments in poetry and a few song lyrics, some of which have forgotten melodies and have come to stand as statements that punctuate a journey of faith and grace. This book can be read straight through but also allows the reader to go slow and experience the change of seasons. John's voice can be irreverent, silly, and painfully honest but always returns to grace--as all seasons with God do.

The Outlaw Preacher Penguin UK

A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called *East of Eden* "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, *East of Eden* is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, *East of Eden* has remained vitally present in American culture for over half a century.

The Grapes of Wrath Createspace Independent Pub

John Steinbeck wrote *The Grapes of Wrath* during an astonishing burst of activity between June and October of 1938. Throughout the time he was creating his greatest work, Steinbeck faithfully kept a journal revealing his arduous journey toward its completion. The journal, like the novel it chronicles, tells a tale of dramatic proportions—of dogged determination and inspiration, yet also of paranoia, self-doubt, and obstacles. It records in intimate detail the conception and genesis of *The Grapes of Wrath* and its huge though controversial success. It is a unique and penetrating portrait of an emblematic American writer creating an essential American masterpiece.

From the author of the bestselling *Anam Cara* comes a beautiful collection of blessings to help readers through both the everyday and the extraordinary events of their lives. John O'Donohue, Irish teacher and poet, has been widely praised for his gift of drawing on Celtic spiritual traditions to create words of inspiration and wisdom for today. In *To Bless the Space Between Us*, his compelling blend of elegant, poetic

language and spiritual insight offers readers comfort and encouragement on their journeys through life. O'Donohue looks at life's thresholds—getting married, having children, starting a new job—and offers invaluable guidelines for making the transition from a known, familiar world into a new, unmapped territory. Most profoundly, however, O'Donohue explains "blessing" as a way of life, as a lens through which the whole world is transformed. O'Donohue awakens readers to timeless truths and shows the power they have to answer contemporary dilemmas and ease us through periods of change.

Intimacy With God Canongate U.S.

Winner of the 2021 Los Angeles Times Book Prize for Biography A Publishers Weekly Best Book of 2020 in Nonfiction A resonant biography of America's most celebrated novelist of the Great Depression. The first full-length biography of the Nobel laureate to appear in a quarter century, *Mad at the World* illuminates what has made the work of John Steinbeck an enduring part of the literary canon: his capacity for empathy. Pulitzer Prize finalist William Souder explores Steinbeck's long apprenticeship as a writer struggling through the depths of the Great Depression, and his rise to greatness with masterpieces such as *The Red Pony*, *Of Mice and Men*, and *The Grapes of Wrath*. Angered by the plight of the Dust Bowl migrants who were starving even as they toiled to harvest California's limitless bounty, fascinated by the guileless decency of the downtrodden denizens of Cannery Row, and appalled by the country's refusal to recognize the humanity common to all of its citizens, Steinbeck took a stand against social injustice—paradoxically given his inherent misanthropy—setting him apart from the writers of the so-called "lost generation." A man by turns quick-tempered, compassionate, and ultimately brilliant, Steinbeck could be a difficult person to like. Obsessed with privacy, he was mistrustful of people. Next to writing, his favorite things were drinking and womanizing and getting married, which he did three times. And while he claimed indifference about success, his mid-career books and movie deals made him a lot of money—which passed through his hands as quickly as it came in. And yet Steinbeck also took aim at the corrosiveness of power, the perils of income inequality, and the urgency of ecological collapse, all of which drive public debate to this day. Steinbeck remains our great social realist novelist, the writer who gave the dispossessed and the disenfranchised a voice in American life and letters. Eloquent, nuanced, and deeply researched, *Mad at the World* captures the full measure of the man and his work.
