JEFFERSON BAKER

The Voice of Hope Farrar, Straus and Giroux
An examination of the current political crisis in Burma, and in particular its Buddhist and socio-psychological aspects.

The Lady W. W. Norton & Company

As the Rohingya crisis exploded, observers of Myanmar were shocked to see Aung San Suu Kyi, champion for the causes of liberal democracy and human rights, stand by as atrocities tore

apart the western reaches of her country. The Daughter is an in-depth exploration of this icon-turned-leader and of the people, ideas, and experiences that have shaped her political identity. What emerges is not a shift in ideology but a consistent picture of the contrasts and multidimensionality that have defined her--prisoner and leader, principled resistor and pragmatic politician, the Lady and Mother Suu. Translated and updated from the original German, The Daughter is essential reading for professionals, journalists, and other observers seeking to understand Aung San Suu Kyi's role in Myanmar.

Aung San Suu Kyi was born to lead. Following in the footsteps of her dissident father, Aung San, she has resisted the machinations of a corrupt government for years and paid dearly for it. In a largely biographical format, this book details Aung's rise as an opposition leader in Myanmar (formerly Burma), telling the story of a woman who willingly sacrificed her freedoms for those of her people. Background information and notable moments in her struggle are called out in boxed inserts.

[The Daughter](#) The Experiment + ORM

Nobel Peace Prize winner, Aung San Suu Kyi, is a symbol of supreme courage in the face of tyranny. Released from house arrest in 2010, she led her party to a dramatic victory in Burma's first free general election in a generation. Acclaimed biographer, Peter Popham, describes how, inspired by her leadership, Burma has found its voice and transformed its destiny. However greater freedom has brought with it other troubles. *The Lady and the Generals* offers a compelling portrait of this fascinating country and asks where Burma and Suu Kyi - with her bravery, her charisma and her limitations - are heading next. Praise for *The Lady and the Peacock*, also by Peter Popham 'What a gift to our world and what a splendid telling of [Aung San Suu Kyi's life]. We are deeply indebted to Peter Popham for such a superb account' -

Archbishop Desmond Tutu 'Sensitive and moving' - Sunday Times
'Beautifully written and compelling in every aspect' - Joanna Lumley 'Warm and objective...will not be bettered for a long time' - Independent on Sunday

[Mental Culture in Burmese Crisis Politics](#) Random House

Aung San Suu Kyi has suffered constant harassment and abuse from the Burmese authorities, long separation from her family and six years of house arrest. In these 12 interviews, she talks about her passion for justice and the sacrifices she has had to make. One of the very few people she has trusted enough to take her message to the wider world is Alan Clements. *The Voice of Hope* is the result of the secret and dangerous meetings they had over several years, and offers unquestionably the most wide-ranging collection of her views on the political situation inside Burma, her non-violent approach to democracy and human rights, her Buddhist beliefs, her family, and how she keeps a sense of meaning and purpose under the most appalling conditions. Brand new material includes an inspiring discussion with U-Gambira, the leader of the All-Burma Monks Alliance, conducted after the 2007 uprising (he has since 'disappeared'). There is also an updated Chronology of Events of recent Burmese history, a new introduction and a new list of Burma-related websites.
