CHASE BRYAN

The King of Good
Intentions Turtleback
An opinionated tour of

the past, present, and
future of pro
basketball, written by
ESPN's "Sports Guy"
columnist, shares
insights on everything
from major NBA events
and underrated players
to how Hall of Famers

should be selected.
Squids Will Be Squids
Henry Holt and
Company (BYR)
The colorful boyhood of
a popular author
comes to life in this
personal account
Imagine learning from
a nosy classmate that
your mother is having
yet another baby. To
Ralph's classmates,
news of one more
Fletcher baby is just
"scuttlebutt." But for
Ralph, the oldest of
nine, being part of a
large family means
more kids to join in the
fun—from making
tripods in the woods
and "snicking" up the
rug, to raising chicks
and even discovering a
meteor (well, maybe).
It doesn't feel like
there's life beyond
Marshfield,
Massachusetts. Then
one day Dad's new job
moves the family to

Chicago, and there's so
much Ralph has to
leave behind. In this
humorous and
captivating memoir,
Ralph Fletcher traces
the roots of his
storytelling.

**Frank Einstein and
the Bio-Action Gizmo
(Frank Einstein**

Series #5) Vintage
Alex, whose birthday it
is, hijacks a story about
Birthday Bunny on his
special day and turns it
into a battle between a
supervillain and his
enemies in the forest--
who, in the original
story, are simply
planning a surprise
party.

Viking Books for Young
Readers

Get a double dose of
sexy fun with this
contemporary romance
collection—featuring a
Winston novella from
New York Times
bestselling author Lori

Foster. Think of the man you'd give anything to be with. Think of what you'd like to do to him...and what you'd like him to do to you. Think of the fun you could have. Now, double it! New York Times bestselling sensations Lori Foster, Deirdre Martin, Jacquie D'Alessandro, and Penny McCall come together to deliver four playful stories of games between friends and lovers in this tantalizing anthology, including a novella featuring Foster's Winston cousins—sexy twins who use their knock-out mirror-image good looks to switch places and tantalize the girls of their dreams.

Book Three Sleeping Bear Press
Donalyn Miller says she has yet to meet a child

she couldn't turn into a reader. No matter how far behind Miller's students might be when they reach her 6th grade classroom, they end up reading an average of 40 to 50 books a year. Miller's unconventional approach dispenses with drills and worksheets that make reading a chore. Instead, she helps students navigate the world of literature and gives them time to read books they pick out themselves. Her love of books and teaching is both infectious and inspiring. The book includes a dynamite list of recommended "kid lit" that helps parents and teachers find the books that students really like to read.

The NBA According

to the Sports Guy

Viking Childrens Books
A collection of seventeen wonderful short stories showing that two-time Oscar winner Tom Hanks is as talented a writer as he is an actor. A gentle Eastern European immigrant arrives in New York City after his family and his life have been torn apart by his country's civil war. A man who loves to bowl rolls a perfect game-- and then another and then another and then many more in a row until he winds up ESPN's newest celebrity, and he must decide if the combination of perfection and celebrity has ruined the thing he loves. An eccentric billionaire and his faithful executive assistant venture into America

looking for acquisitions and discover a down and out motel, romance, and a bit of real life. These are just some of the tales Tom Hanks tells in this first collection of his short stories. They are surprising, intelligent, heartwarming, and, for the millions and millions of Tom Hanks fans, an absolute must-have!

Guys Read: Funny Business Viking

Juvenile

WHEN YOU GROW up in a small town in the north woods, you have to make your own excitement. High spirits, idiocy, and showing off for the girls inspire Gary Paulsen and his friends to attempt:

- Shooting waterfalls in a barrel
- The first skateboarding
- Breaking the world record for speed on

skis by being towed behind a souped-up car, and then . . . hitting gravel • Jumping three barrels like motorcycle daredevil Evel Knievel, except they only have bikes • Wrestling . . . a bear? Extreme sports lead to extreme fun in new tales from Gary's boyhood. A New York Times Bestseller

When I Was a Kid

Penguin

Includes excerpt of:
The only thing worse than witches.

Knucklehead John Wiley & Sons

Set in Los Angeles in the early 90s, the novel chronicles the early days of an indie band as they meet, practice, make their first record, and get their first break/big gig. It's also the story of the the flowering love affair between John

and Jenny, the two charming if troubled guitarists/singers in the band. John is by day a misanthropic substitute teacher in the zany, sometimes horrific LA Unified School District; Jenny is an mysterious recovering child prodigy. Along the way, the couple and their bandmates make momentous discoveries about themselves and the Hollywood milieu in which they struggle to succeed, a world peopled by narcissistic actors, wannabe screenwriters, pretentious musicians, weirdo fans, crazy neighbors -- and an emu. The King of Good Intentions was originally to have been published by Henry Rollins's 2.13.61 press in 1999. When Rollins decided henceforth to

publish only his own work, Fredrick set the novel aside to focus on his musical and teaching career. Now it will finally make its long overdue debut.

Knucklehead Read Books Ltd

"Huge laughs and great science—the kind of smart, funny stuff that makes Jon Scieszka a legend."

—Mac Barnett, author of *Battle Bunny* and *The Terrible Two*
Frank Einstein (kid-genius scientist and inventor) and his best friend Watson, along with Klink (a self-assembled artificial intelligence entity), create the BrainTurbo to power-boost the human body and help their baseball-pitching pal Janegoodall make the team. But when Klank (a mostly self-assembled and

artificial almost intelligence entity) goes missing, they must first rescue their robot pal and stop T. Edison—Frank's classmate and archrival—from stealing their latest invention and using it against them!

[The Good, the Bad, and the Goofy #3](#) Chronicle Books

Jimmy Gownley's graphic novel memoir about the "dumb" idea that changed his life forever! What if the dumbest idea ever turned your life upside down?

[The Book Whisperer](#) St. Martin's Press

Sent to live with relatives on their farm because of his unhappy home life, an eleven-year-old city boy meets his distant cousin Harris and is given an introduction

to a whole new world. *Pilfer Academy* Disney Books for Young Readers
 Step into a whole new world in the first Novel of the Edge from the #1 New York Times bestselling author of the Kate Daniels series. The Edge lies between worlds, on the border between the Broken, where people shop at Wal-Mart and magic is a fairy tale—and the Weird, where blueblood aristocrats rule, changelings roam, and the strength of your magic can change your destiny... Rose Drayton thought if she practiced her magic, she could build a better life for herself. But things didn't turn out the way she'd planned, and now she works an off-the-books job in the Broken just to survive. Then Declan Camarine,

a blueblood noble straight out of the deepest part of the Weird, comes into her life, determined to have Rose (and her power). But when a flood of creatures hungry for magic invade the Edge, Declan and Rose must overcome their differences and work together to destroy them—or the beasts will devour the Edge and everyone in it... *Guys Read* Abrams
 Presents a memoir of what it was like to grow up in the 1950s and other almost true stories by American children's author Jon Scieszka. *Marshfield Dreams* Penguin
