Edexcel International GCSE (9-1) Mathematics Practice Book Third Edition Hodder Education

The most student-friendly and engaging resource for the 2016 Edexcel GCSE Geography B specification, this brand new course is written to match the demands of the specification. As well as providing thorough and rigorous coverage of the spec, this book is designed to engage students in their learning and to motivate them to progress.

Edexcel International GCSE (9-1) Biology Student Book (Edexcel International GCSE (9-1)) Cgp Range Extension

This Student Book provides a grammar-led approach with extensive exam preparation to develop independent, culturally aware students of German, ready for the exam. This book is endorsed by Cambridge International Examinations for the latest IGCSE® (0525) and International Level 1/Level 2 Certificate (0677) syllabuses. Extensive use of German reflects the style of the exams and, with specific advice and practice, it helps students use the acquired skills to their best ability. Topics on German-speaking cultures are integrated throughout to ensure students gain the cultural awareness that is at the heart of this qualification. - Develop students' ability to use German effectively - Stretch and challenge students to achieve their best grades - Ensure the progression required for further study at A-level or equivalent - Provide insight and encourage a positive attitude towards other cultures
 The book provides up-to-date content following a clear sequencing of topics designed specifically for teaching German at this level. It is designed to

develop spontaneous, confident linguists who are able to progress to further study of German. - Teacher Resource + Audio-CDs (ISBN 9781471833076) includes all recordings and transcripts together with detailed guidance, editable vocabulary lists, cultural PowerPoints and interactive quizzes - Grammar Workbook (ISBN 9781471833182) Vocabulary is also available online at Vocab Express, an interactive learning application Visit www.vocabexpress.co.uk/hodder for more information.

IGCSE Information and Communication Technology Cambridge University Press

Endorsed for Edexcel Nurture and strengthen your students' mathematical skills; these expert-written textbooks consolidate knowledge with worked examples, test key skills through practice and extend learning using enrichment activities designed to excite and challenge students. - Support and develop a deeper understanding of topics with plenty of worked examples and practice questions that follow the types of problems students are likely to face - Introduce students to content with fun activities and clear learning objectives at the start of each chapter - Build problem-solving skills with questions that test students' knowledge and comprehension - Further understanding and ignite an enthusiasm for maths with 'internet challenges' that extend learning beyond the curriculum and help to engage students - Offer a complete package of support with free downloadable resources that include detailed worked examples and answers, plus informative 'Personal Tutor' videos for each chapter

Edexcel International GCSE (9-1) Mathematics Student Book Third Edition Hodder Education

The Somali people are fiercely nationalistic. Colonialism split them into five segments divided between four different powers. Thus decolonization and pan-Somalism became synonymous. In 1960 a partial reunification took place between British Somaliland and Somalia Italiana. Africa Confidential wrote at the time that the new Somali state would never be beset by tribal division but this discounted the existence of powerful clans within Somali society and the persistence of colonial administrative cultures. The collapse of parliamentary democracy in 1969 and the resulting army--and clan--dictatorship that followed led to a civil war in the 'perfect' national state. It lasted fourteen years in the British North and is still raging today in the 'Italian' South. Somaliland re-birthed itself through an enormous solo effort but the viable nation so recreated within its former colonial borders was never internationally recognized and still struggles to exist economically and diplomatically. This book recounts an African success story where the peace so widely acclaimed by the international community has had no reward but its own lonely achievement.

Pearson Edexcel International GCSE (9-1) History: Paper 2 Investigation and Breadth Studies Edexcel IGCSE ICT
