Midoriya inherits the superpower of the world's greatest hero, but greatness won't come easy. What would the world be like if 80 percent of the population manifested superpowers called "Quirks"? Heroes and villains would be battling it out everywhere! Being a hero would mean learning to use your power, but where would you go to study? The Hero Academy of course! But what would you do if you were one of the 20 percent who were born Quirkless? Shigaraki Tomura has finally awakened, and as he begins to unleash his savage powers, the heroes realize it's going to take everyone and everything they have to stop him. Several heroes have been lost already, and even as the number one hero, Endeavor, takes on Tomura, Midoriya and Bakugo must now put themselves on the front line. Meanwhile, the massive villain Gigantomachia rampages toward Jaku City. It seems nothing can stop him, but the students of U.A. are determined to succeed or die trying...

"Pop has emerged as the new Queen Bee, her transformation forced upon her by the villainous Nomura, a.k.a. Number 6. At his direction, Pop begins to rain destruction down on Naruhata. With a villain on the loose, it's only natural for heroes to be called in to deal with the situation, but Koichi knows his friend's life and soul are at stake. Will inspiration from his old master and training with past foes help him find the hero within?"--

But what would you do if you were one of the 20 percent who were born Quirkless? The U.A. students have reached the practical portion of their final exam, but they didn't expect to have to beat their own teachers in order to pass! Paired with his archrival Bakugo, Midoriya has to try to take on none other than All Might himself. Working with Bakugo is one thing, but is giving everything he's got to beat All Might more than Midoriya can handle? And in a nearby arena, Yaoyorozu and Todoroki endure a similar struggle. Meanwhile, a sinister new adversary prepares to make a move...

In the third match of the joint battle training, the students of Class 1-A have their hands full dealing with the unexpected creativity of Class B's Quirk use. Yuji Itadori is resolved to save the world from cursed demons, but he soon learns that the best way to do it is to slowly lose his humanity and become one himself! In a world where cursed spirits feed on unsuspecting humans, fragments of the legendary and feared demon Ryomen Sukuna were lost and scattered about. Should any demon consume Sukuna's body parts, the power they gain could destroy the world as we know it. Fortunately, there exists a mysterious school of Jujutsu Sorcerers who exist to protect the precarious existence of the living from the supernatural! Yuji Itadori and the first-years have defeated two of the reincarnated Death Painting curses and recovered one of Sukuna's fingers. Due to their success, some have been recommended for a promotion to Grade 1. Later, the story flashes back in time to when Satoru Gojo and the nefarious Suguru Geto were second-year students at Jujutsu High! What went wrong back then that led Geto astray?

Not everyone needs a license to fight for justice! In a superpowered society, there is nothing ordinary about evil anymore. Heroes, trained and licensed to protect and defend the public against supervillains, stand above all the rest. Not everyone can be a hero, however, and there are those who would use their powers to serve the people without legal sanction. But do they fight for justice in the shadows, or for reasons known only to themselves? Whatever they fight for, they are called...vigilantes. With the sky-high Sky Egg stadium teetering on the edge of destruction and thousands of lives at stake, Captain Celebrity and Koichi have held the line against a horde of flying bombers as long as they can. But when Captain Celebrity's strength finally gives out, who can save them from a long fall to their deaths? Later, Knuckleduster returns to settle an old score, and Koichi, Pop and the Narufest crew look to the future as "Eraser Head" Aizawa remembers the past.

Being a hero would mean learning to use your power, but where would you go to study? The Hero Academy of course! But what would you do if you were one of the 20 percent who were born Quirkless? Getting into U.A. High School was difficult enough, but it was only the beginning of Izuku's long road toward becoming a superhero. The new students all have some amazing powers, and although Izuku has inherited All Might's abilities, he can barely control them. Then the first-year students are told they will have to compete just to avoid being expelled!

In Pale Fire Nabokov offers a cornucopia of deceptive pleasures: a 999-line poem by the reclusive genius John Shade; an adoring foreword and commentary by Shade's self-styled Boswell, Dr. Charles Kinbote; a darkly comic novel of suspense, literary idolatry and one-upmanship, and political intrigue.
