 Singing can be a healthy, invigorating
 activity for people of every age, and
 participating in this fully athletic exercise
 remains enjoyable through each season of
 life if the singer and singing teacher adjust
 expectations regarding tone quality,
 range, agility, and stamina. Brenda Smith
 systematically presents methods by which
 anyone can enjoy a long, healthy life of
 singing in *So You Want to Sing for a
 Lifetime*. This book contains chapters on
 the basics of singing (relaxation, posture,
 breathing, and resonance), practical
 examples of exercises and lists of

repertoire suited to each age group, and
 suggestions for negotiating individual
 musical obstacles related to aging.
 Featuring guest-authored chapters on
 voice science, vocal health, and how age
 affects the physiology of the human voice,
 the book serves as a useful guide to
 amateur and professional singers, music
 educators, choral conductors, church
 musicians, and private voice teachers. The
So You Want to Sing series is produced in
 partnership with the National Association
 of Teachers of Singing. Like all books in
 the series, *So You Want to Sing for

Our Band Could Be Your Life One World
 In this rich exploration of music, authors

Don and Emily Saliers interweave their
 own stories as well as those of others to
 reflect on the what, the how, and the why
 of music as a key aspect of spirituality in
 our lives. As an Indigo Girl, folk-rock
 singer-songwriter, Emily performs in
 primarily secular settings, while her father,
 Don - composer, cantor, and church
 musician - writes and arranges for church
 congregations. Their audiences may differ
 but both father and daughter understand
 the profound spirituality of music and have
 personally witnessed how their music
 brings healing to people no matter what
 the setting or circumstance. *A Song to
 Sing, A Life to Live* bridges two
 generations, two approaches to
 spirituality, and two genres of music - the
 music of Saturday night and Sunday
 morning. Don and Emily Saliers reflect on
 such topics as music and justice, music

and grief, music and delight, and music and hope. They open the way for those who seek to embrace new spiritual practices by creating music, sharing music, and developing their musical skills as a spiritual practice.

The Song of Life is a comedy about suffering and forgiveness. When 24-year-old Margaret Holly gets hit on the head with a Hindu scripture known as the Bhagavad Gita, she is propelled on a seven-year spiritual odyssey. During this time, she grieves a heartbreaking loss, forgives those who abused her, masters the practice of meditation, and comes to better understand the nature of the universe. Her journey introduces her to the inscrutabilities of brain science, the promise of Big Data, and—thanks to her charming, reckless cousin Roy—the colorfully brutal world of professional boxing. Elliott Fenwick is a college professor, an expert in predictive analytics, and a neurotic with lagging social skills who embarks on his own quirky odyssey and—despite himself—changes his and Margaret's lives forever. Meanwhile, far away and long ago, Arjuna—legendary warrior and hero of the Bhagavad Gita—enjoys his first day off in years. It's the eve of his legendary chariot ride with Krishna, the dialogue of which comprises the Bhagavad Gita's verses. At the end of the novel, Margaret's and Arjuna's worlds collide in an unexpected twist.

In the spirit of modern-day classics like *Fish in a Tree* and *Counting by 7s* comes the Schneider Family Book Award-winning story of a deaf girl's connection to a whale whose song can't be heard by his species, and the journey she takes to help him. From fixing the class computer to repairing old radios, twelve-year-old Iris is a tech genius. But she's the only deaf person in her school, so people often treat her like she's not very smart. If you've ever felt like no one was listening to you, then you know how hard that can be. When she learns about Blue 55, a real whale who is unable to speak to other whales, Iris understands how he must feel. Then she has an idea: she should invent a

way to "sing" to him! But he's three thousand miles away. How will she play her song for him? Full of heart and poignancy, this affecting story by sign language interpreter Lynne Kelly shows how a little determination can make big waves. "Fascinating, brave, and tender...a triumph." --Katherine Applegate, Newbery Award-winning author of *The One and Only Ivan*

Sing! has grown from Keith and Kristyn Getty's passion for congregational singing; it's been formed by their traveling and playing and listening and discussing and learning and teaching all over the world. And in writing it, they have five key aims:

- to discover why we sing and the overwhelming joy and holy privilege that comes with singing
- to consider how singing impacts our hearts and minds and all of our lives
- to cultivate a culture of family singing in our daily home life
- to equip our churches for wholeheartedly singing to the Lord and one another as an expression of unity
- to inspire us to see congregational singing as a radical witness to the world

They have also added a few "bonus tracks" at the end with some more practical suggestions for different groups who are more deeply involved with church singing. God intends for this compelling vision of His people singing—a people joyfully joining together in song with brothers and sisters around the world and around his heavenly throne—to include you. He wants you, he wants us, to sing. Making friends has never been Elise Dembowski's strong suit. All throughout her life, she's been the butt of every joke and the outsider in every conversation. When a final attempt at popularity fails, Elise nearly gives up. Then she stumbles upon a warehouse party where she meets Vicky, a girl in a band who accepts her; Char, a cute, yet mysterious disc jockey; Pippa, a carefree spirit from England; and most importantly, a love for DJing. Told in a refreshingly genuine and laugh-out-loud funny voice, Leila Sales' *THIS SONG WILL SAVE YOUR LIFE* is an exuberant novel about identity, friendship, and the power of music to bring people together.

The definitive chronicle of underground music in the 1980s tells the stories of Black Flag, Sonic Youth, The Replacements, and other seminal bands whose DIY revolution changed American music forever. *Our Band Could Be Your Life* is the never-before-told story of the musical revolution that happened right under the nose of the Reagan Eighties -- when a small but sprawling network of bands, labels, fanzines, radio stations, and other subversives re-energized American rock with punk's do-it-yourself credo and created music that was deeply personal,

often brilliant, always challenging, and immensely influential. This sweeping chronicle of music, politics, drugs, fear, loathing, and faith is an indie rock classic in its own right. The bands profiled include: Sonic Youth Black Flag The Replacements Minutemen Husker Du Minor Threat Mission of Burma Butthole Surfers Big Black Fugazi Mudhoney Beat Happening Dinosaur Jr.

"Lyons delivers the history of a song that has inspired generations of African-Americans to persist and resist in the face of racism and systemic oppression. . . . A heartfelt history of a historic anthem."-- Publishers Weekly Sing a song full of the faith that the dark past has taught us. Sing a song full of the hope that the present has brought us. In Jacksonville, Florida, two brothers, one of them the principal of a segregated, all-black school, wrote the song "Lift Every Voice and Sing" so his students could sing it for a tribute to Abraham Lincoln's birthday in 1900. From that moment on, the song has provided inspiration and solace for generations of Black families. Mothers and fathers passed it on to their children who sang it to their children and grandchildren. Known as the Black National Anthem, it has been sung during major moments of the Civil Rights Movement and at family gatherings and college graduations. Inspired by this song's enduring significance, Kelly Starling Lyons and Keith Mallett tell a story about the generations of families who gained hope and strength from the song's inspiring words. --A CCBC Choice --A Notable Social Studies Trade Book for Young People --An ALSC Notable Children's Book

Singing in the Dark Thomas Nelson Sing Her Name follows two musically gifted women whose lives overlap across the boundaries of time. This third novel by

Rosalyn Story, whose critically acclaimed books treat the central role of Black people in American music, is her best and most rewarding yet. Beautiful and brilliantly talented Celia DeMille is a nineteenth-century concert artist who has garnered fame, sung all over the world, and amassed a fortune. But prejudice bars her from achieving her place in history as one of the world's greatest singers, and she dies in poverty and obscurity. In 21st-century New Orleans, Eden Malveaux, a thirty-something waitress with a beautiful but untutored voice, is the sole guardian of her 17-year-old brother. Motherless for most of their lives, she has struggled for years to make ends meet as she fights to keep the promise she made to their dying father: to protect her wayward brother and raise him as if he were her own child. After a hurricane displaces them to New York City, Eden seeks safe refuge—not only from the ensuing flood, but also to hide her brother from the law, while she works to divert him from a path of crime, prison, or worse. Months into their New York stay, Eden's estranged Great Aunt Julia summons her back to New Orleans for a brief visit, and the older woman gives Eden something that alters the course of her life: a box she found in the midst of flooded rubble containing a hundred-year-old scrapbook and a mysterious and valuable gold pendant necklace belonging to one of the greatest singers in history—Celia DeMille. Eden returns to New York, but as she explores the artifacts of Celia DeMille's extraordinary life, curiosity grows into obsession, then into an inspiration that propels Eden into a world she never dreamed. With the help of new friends, and buoyed by the diva's story, Eden's new life in New York takes a dramatic turn toward unimagined success. But just as she is poised to make her mark on the world stage, her brother's dangerous choices catch up with them, and Eden must confront buried secrets from her complicated childhood. To face the promise of her future, Eden must first reconcile years of regrets and leave behind the guilt of the past—and perhaps even the brother she loves.

NOW A MAJOR MOTION PICTURE The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature" (The New York Times Book Review). For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. Where the Crawdads Sing is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.
