(1837-84) was an extraordinary and precocious talent: a child prodigy who quickly rose to become the best player in America, and then the world, before he effectively retired from serious play at the age of 21. Morphy's prowess created masterpieces of attacking chess so beautiful that they endure to the present day. The Genius of Paul Morphy - Ward - Chess and Bridge Paul Keres was a five-time Estonian and three-time Soviet chess champion. Although he never played in a world championship match, he is considered one of the top players never to become champion. The closest he came to achieving the pinnacle of chess was his third-place finish in the 1948 World Chess Championship tournament. Early Life And Career Paul Keres | Top Chess Players - Chess.com Paul Morphy, called "the pride and sorrow of chess", was an American chess master. He was the greatest chess player of his era and an unofficial world champion. This was widely accepted when he defeated Adolf Anderssen, with seven wins, two losses, and two draws, in 1858. Morphy was also one of the first great chess prodigies in the modern era. p263 Morphy was a Creole of mixed inheritance.
