The official movie tie-in novelization of the highly anticipated sequel to the blockbuster feature film Star Trek! Pioneering director J.J. Abrams has delivered an explosive action thriller that takes Star Trek Into Darkness. When the crew of the Enterprise is called back home, they find an unstoppable force of terror from within their own organization has detonated the fleet and everything it stands for, leaving our world in a state of crisis. With a personal score to settle, Captain Kirk leads a

manhunt to a war-zone world to capture a one man weapon of mass destruction. As our heroes are propelled into an epic chess game of life and death, love will be challenged, friendships will be torn apart, and sacrifices must be made for the only family Kirk has left: his crew. Star Trek Into Darkness, starring Chris Pine, Zachary Quinto, Zoe Saldana, Karl Urban, John Cho, Bruce Greenwood, Simon Pegg, Anton Yelchin, Benedict Cumberbatch, Alice Eve, and Peter Weller, arrives on May 17th, 2013.

SPACE. THE FINAL FRONTIER . . . These are the voyages of the Starship Enterprise. Celebrate Star Trek's thirtieth anniversary with the original mission logs chronicling some of the crew's most bizarre missions and strangest encounters with alien races across the galaxy . . . where no man has gone before. BEYOND THE FARTHEST STAR Behind a negative star, the Enterprise finds some malevolent company. For a green evil alien of unimaginable power beams aboard--to destroy the crew and hijack the ship for its own deadly purposes. YESTERYEAR Spock returns from a time-travel research project to find that no one on the Enterprise recognizes him. Now he must go back through the Time Gate to his Vulcan childhood--to save the life of the child he was. ONE OF OUR

PLANETS IS MISSING A huge cosmic cloud that "eats" celestial objects has already consumed one planet and is on its way to another, where 82 million people will die. And Kirk and his crew find themselves in its voracious path. THE SURVIVOR The crew rejoices when a drifting, damaged spaceship yields Carter Winston, the famous philanthropist missing and presumed dead. But Carter is not all that he seems. THE LORELEI SIGNAL When Kirk, Spock, and McCoy beam down to a mysterious planet, they discover an exotic race of enchantingly beautiful women who seem ready to fulfill every fantasy--but a far deadlier fate awaits them. THE INFINITE VULCAN Keniclius 5, a 24-foot-tall clone of a demented scientist, kidnaps Spock to clone him into immortality. Unfortunately, to achieve this transformation, the real Spock must die . . .

For three decades science fiction legend Alan Dean Foster has captivated readers around the world, from his debut classic The Tar-Aiym Krang and his inspired scenario for the first Star Trek movie to a host of New York Times bestsellers, including Splinter of the Mind's Eye and Flinx in Flux. In this collection of twenty brilliant odysseys of the imagination, Foster once again soars beyond the limits of reality—where the real thrills begin. . . . NASA Sending Addicts to Mars!: It was

the most insane idea in the annals of space travel—and the only one that would work. Diesel Dream: Sometimes on dark, lonely highways dreams do come true, and this trucker’s hope was the best one of all. Sideshow: Flinx hadn’t a clue about the alien dancer, but Pip knew trouble when she saw it. Empowered: A magnificent male discovers the not-so-super part about being a superhero. The Question: A bold adventurer determines to solve one of life’s profound mysteries. . . and fifteen other amazing stories!

Star Trek Logs One, Two and Three Pocket Books/Star Trek

An original novel based on the thrilling Star Trek movies directed by J.J. Abrams! Taking place in an alternate timeline created when the Starship Kelvin was destroyed by a Romulan invader from the future, this bold new novel follows Captain James T. Kirk and an inexperienced crew commandeering a repaired U.S.S. Enterprise out of spacedock for a simple shakedown cruise. When a distress call comes in, the Enterprise must aid a large colony ship of alien refugees known as the Perenorean, who are under siege by an unknown enemy. But Kirk and his crew will find that the situation with the peaceful Perenorean is far more complicated than they bargained for, and the answers as to why they were attacked in the first place unfold in the most insidious of ways...

Star Trek Log Nine Del Rey

As is evident in his many thrilling novels, Alan Dean Foster is a master at creating other worlds in an array of genres. Now he turns his imagination to the short story in these spectacular tales of outer space, cyberspace, ancient gods, modern demons, and mortal horror, including Panhandler A predatory lawyer encounters a fabled boyhood hero and falls victim to the less innocent intrigues of eternal youth. Growth Not even his minidrag Pip can save Flinx from the overly intimate advances of an intruder who goes entirely too far. Basted A lowly, hen-pecked Egyptian discovers that the Pharaoh’s tomb holds exactly what he needs for a whole new life. The Killing of Bad Bull A man with a knack for getting gambling’s one-armed bandits to give it up finds himself at the top-of several hit lists. At Sea A poor Scandinavian captain forced into running drugs is shown a way out of his desperate straits with the help of five beautiful blondes who are simply out-of-this-world. Open Exceptions to Reality to find these amazing stories and nine other irresistibly unearthly tales! [A Novel!](#) Del Rey Books

Ever since his classic debut, *The Tar-Aiym Krang*, the first of the wildly successful Pip and Flinx adventures, New York Times bestselling author Alan Dean Foster has captivated readers around the world. Now this writer of bold imagination and stunning originality has created an electrifying space epic set in a universe at once strangely familiar and starkly terrifying. Familiar because the universe is ours; terrifying because the human condition might soon be. . . . Not so long ago Marcus Walker was just another young commodities trader in Chicago, working hard and playing harder. But that’s all in the past, part of a life half forgotten—a reality that vanished when he was attacked while camping and tossed aboard a starship bound for deep space. Desperately, Walker searches for explanations, only to realize he’s trapped in a horrifying nightmare that is all too real. Instead of being a rich hotshot at the top of the food chain, Walker discovers he’s just another amusing novelty, part of a cargo of “cute” aliens from primitive planets—destined to be sold as pets to highly advanced populations in “civilized” regions of the galaxy. Even if he weren’t constantly watched by his captors, Walker has few options. After all, there is no escape from a speeding starship. Another man might resign himself to the inevitable and hope to be sold to a kindly owner, but not Walker. This former college football star has plenty of American ingenuity and no intention of admitting defeat, now or ever. In fact, he’s only just begun to fight. The adventure will continue with two more novels [More Beautiful Than Death](#) Del Rey

An original novel based on the thrilling new Star Trek movies! Based on the “Kelvin Universe” movie saga! Captain James T. Kirk and the Enterprise crew escort Spock’s father, Ambassador Sarek of Vulcan, to a dilithium-rich planet called Akiron. They arrive to find this world under siege by creatures that some of the planet’s denizens believe are demons. Sarek orders Kirk to abandon the mission, but the young captain won’t turn his back on people in danger. After a harrowing encounter with the dark-energy “demons,” Kirk’s belief in a rational universe is challenged by a mystic who insists that it wasn’t coincidence that brought Kirk to Akiron, but the alien equivalent of a Karmic debt. Meanwhile, aboard the Enterprise, Sarek’s young Vulcan aide L’Nel has a sinister agenda—and its chief objective appears to be the cold-blooded murder of Spock!

The first human-alien contact. The last word in galactic warfare. The story you must read-before Transformers rockets to the big screen! A mammoth robotic being, clearly of alien origin, has been found beneath the Arctic ice. Its advanced engineering dwarfs known human technology, and unlocking its secrets will catapult American science eons into the future. In search of the mysterious artifact’s origin, a covert government agency sends the manned craft Ghost 1 on a perilous journey of discovery. When a mishap maroons Ghost 1 in the far reaches of unknown space, the ship’s distress beacon reaches the very alien race Ghost 1’s crew has been seeking: the Autobots. The gigantic mechanized beings are also on a quest: to find the Allspark, a device crucial to the salvation of their home world, Cybertron. But they’re not alone. The Decepticons, the Autobots’ brutal enemies, have their own sinister purposes in seeking the Allspark. As these adversaries are drawn together once more, the stage is set for a death-dealing new battle in which

each is driven by a single-minded aim: total annihilation of the enemy.

Celebrate Star Trek’s thirtieth anniversary with the original mission logs chronicling some of the crew’s most bizarre missions and strangest encounters with alien races across the galaxy . . . where no man has gone before. BEM It seems like a simple request. The Pandronians have petitioned to send a representative to observe a Federation crew carrying out a survey mission. So Commander Ari bn Bem joins Captain Kirk to evaluate aboriginal life forms of undetermined intelligence and accomplishments on planet Delta Theta Three. There, the trouble begins with an omniscient entity. Then disaster summons Bem to his home planet, with the Enterprise ordered to assist him in every way. The shocking theft of a priceless treasure threatens to reduce Pandronian civilization to anarchy—and bring the crew of the Enterprise to the brink of disaster. SLAVER WEAPON A billion years ago Slavers ruled the galaxy, but all that remains of their once awesome empire is concentrated in extraordinary cubes known as stasis boxes. Now the Enterprise must transport a stasis box containing the ultimate weapon, a war computer/handgun with settings that fire nuclear explosions. But the Kzin--violent, ferocious, catlike creatures--crave the weapon that will make the galaxy a smorgasbord for their insatiable appetites. With ruthless cunning they lure the unsuspecting starship to an icy planet, where a cataclysmic fate awaits them--and the universe.
