Be careful
what you wish

for -- again!
This follow-up
to You Don't
Want a
Unicorn points
out the
hilarious
mishaps that
come with
adopting a
dragon. Our
protagonist
wishes (much
to the
narrator's
continued
chagrin) for a
pet dragon.
Though
initially
thrilled, the
kid quickly

discovers that dragons aren't quite as awesome as they originally thought. From the scooting to the digging to the fire-breathing, our Kid is dismayed that they still haven't found their perfect pet. Little do they know, that pet might just be right around the corner . . .

A Memoir through (Un)Popular Culture

Harper Collins
Nina is a Lipan girl in our world. She's always felt there was something

more out there. She still believes in the old stories. Oli is a cottonmouth kid, from the land of spirits and monsters. Like all cottonmouths, he's been cast from home. He's found a new one on the banks of the bottomless lake. Nina and Oli have no idea the other exists. But a catastrophic event on Earth, and a strange sickness that befalls Oli's best friend, will drive their worlds together in

ways they haven't been in centuries. And there are some who will kill to keep them apart. Darcie Little Badger introduced herself to the world with Elatsoe. In A Snake Falls to Earth, she draws on traditional Lipan Apache storytelling structure to weave another unforgettable tale of monsters, magic, and family. It is not to be missed. Think Again Penguin
Be careful

what pet you wish for in this hilarious picture book from bestselling author Ame Dyckman and beloved illustrator Liz Climo. *div* When a little boy throws a coin in a well asking for a pet unicorn, he has no idea what kind of trouble he's in for. Unbeknownst to him, unicorns make the absolutely worst pets: they shed, they poke holes in your ceiling, and they make a big mess. With a knowing

wink from Ame Dyckman, creator of Wolfie the Bunny and cheerful illustrations from Rory the Dinosaur creator and Tumblr star Liz Climo, this rollicking story shares all of the ways a pet unicorn can ruin your life, and is sure to have readers in stitches. [How to Recognize and Cultivate The Three Essential Virtues](#) Running Press Adult In this book, novelist Colm Tóibín offers a

deeply personal introduction to the work and life of one of his most important literary influences—the American poet Elizabeth Bishop. Ranging across her poetry, prose, letters, and biography, Tóibín creates a vivid picture of Bishop while also revealing how her work has helped shape his sensibility as a novelist and how her experiences of loss and exile resonate with his own. What emerges is a

compelling double portrait that will intrigue readers interested in both Bishop and Tóibín. For Tóibín, the secret of Bishop's emotional power is in what she leaves unsaid. Exploring Bishop's famous attention to detail, Tóibín describes how Bishop is able to convey great emotion indirectly, through precise descriptions of particular settings, objects, and events. He

examines how Bishop's attachment to the Nova Scotia of her childhood, despite her later life in Key West and Brazil, is related to her early loss of her parents—and how this connection finds echoes in Tóibín's life as an Irish writer who has lived in Barcelona, New York, and elsewhere. Beautifully written and skillfully blending biography, literary appreciation, and

descriptions of Tóibín's travels to Bishop's Nova Scotia, Key West, and Brazil, On Elizabeth Bishop provides a fresh and memorable look at a beloved poet even as it gives us a window into the mind of one of today's most acclaimed novelists. [The Liz Taylor Ring Little](#), Brown Books for Young Readers Come spend some time in Liz Climo's world! The artist and

popular blogger returns with another collection of her comics-- this time following the seasons with her most beloved characters. Fans love Liz Climo's charmingly funny animal kingdom, which was first featured in *The Little World of Liz Climo and Lobster is the Best Medicine. Best Bear Ever!* follows Bear and Rabbit, along with their other friends (including Otter, Sloth,

Skunk, and Turtle), to commemorate special days throughout the year, while also embarking on fun adventures to celebrate the seasons. When you have good pals like these, any time of year can be the BEST EVER! [Rory the Dinosaur Needs a Christmas Tree](#) Running Press Adult *The Little World of Liz Climo* Running Press Adult [A Little Book for Mothers](#) (And the

[People Who Love Them](#)) Flatiron Books *Texts from Mittens* is a series of text message conversations between a snappy, self-absorbed housecat named Mittens and his long-suffering human, a single woman who works away from home during the day. Mittens relentlessly hassles his human all day long, while only taking breaks to watch Judge Judy, hang with his best

friend Stumpy, complain about the antics of Drunk Patty the neighbor, ask Grandma for money to buy useless items from QVC, and harass the “filthy beast” dog, Phil. Angie Bailey is an award-winning writer and blogger, humorist, and professional member of the Cat Writers’ Association. Her primary blog, Catladyland, has won many awards, and her humor writing is featured nearly daily on Catster.com, one of the most popular cat sites on the Web. She loves to photograph her cats in silly poses and sleeps with one eye open. And yes, she has three cats. “Each installment of Texts From Mittens is like a little gift to brighten your day!” —Kate Benjamin, Hauspanther founder and co-author of Catification with Jackson Galaxy “Texts From Mittens makes me wish my cat had thumbs! This is a hilarious book; Angie Bailey has done it again!” —Jeremy Greenberg, Author of Sorry I Barfed on Your Bed “We all knew that cats were hilarious, but Ms. Bailey’s sardonic cat quips really take their mannerisms, attitude and occasional apathy to another level.” —Susan Michals, Curator of Cat Art Show Los Angeles Come home! There’s an emergency! What?? Are you OK? My

dish is half empty! I'll be home soon. You wish starvation upon me! Stop being dramatic. Am weeak. Caan hasrdly tyyppe. Are you going to wear those black pants on your bed? Yes. I have a date. They're comfortable. Mittens, get off my pants! FYI: Poly-blend makes your butt look big
The Little World of Liz Climo
 Dramatists Play Service Inc
 The hilarious and heartwarming

companion to international bestselling author Liz Climo's *You're Mom From* new dads to those who've been around the block, dads who go to work to those who are at home, and all the dads in between, *You're Dad* is a touching tribute to fathers everywhere. With humor, heart, and adorable drawings, Liz Climo celebrates fatherhood in all its shapes and sizes (and species). Featuring

different types of dads and the paths they can travel, Climo's whimsical animal illustrations take us through the adventures of fatherhood, commemorating the laughter and the tears as well as the stumbles and the triumphs. Perfect for dads, the dad-like, any and all parents, and the people who love them, this sweet collection of fatherly love will move and delight.

"THIS. This is
the right book
for right now.
Yes, learning
requires focus.
But,
unlearning
and relearning
requires much
more—it
requires
choosing
courage over
comfort. In
Think Again,
Adam Grant
weaves
together
research and
storytelling to
help us build
the
intellectual
and emotional
muscle we

need to stay
curious
enough about
the world to
actually
change it. I've
never felt so
hopeful about
what I don't
know."
—Brené
Brown, Ph.D.,
#1 New York
Times
bestselling
author of Dare
to Lead The
bestselling
author of Give
and Take and
Originals
examines the
critical art of
rethinking:
learning to
question your
opinions and
open other
people's
minds, which
can position
you for

excellence at
work and
wisdom in life
Intelligence is
usually seen
as the ability
to think and
learn, but in a
rapidly
changing
world, there's
another set of
cognitive skills
that might
matter more:
the ability to
rethink and
unlearn. In our
daily lives, too
many of us
favor the
comfort of
conviction
over the
discomfort of
doubt. We
listen to
opinions that
make us feel
good, instead
of ideas that
make us think

hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side

wrong, and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-

rated professor and the bestselling author of *Originals* and *Give and Take*, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll

learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. Think Again reveals that we don't have to believe everything we think or internalize

everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.

A Novel

Running Press Artist Liz Climo has charmed her fans with her comic world of whimsical animal characters, where everyone from grizzly bears, dinosaurs, rabbits, and anteaters

grapple with everyday life with wit and humor. Through her comics, we discover that an armadillo can dress for Halloween, a dinosaur can be a loving parent ... and a rhino can squeeze orange juice! This collection features more than 100 comics, starring her beloved characters in all kinds of funny situations, from celebrating holidays to helping friends.

Air Facts and

Feats Simon and Schuster From beloved author-illustrator Liz Climo comes an adorable story about a young dinosaur who wants to go on an adventure without his caring father for the first time! Meet Rory the Dinosaur. He loves spending time with his dad, but today he wants to go on an adventure all on his own. Rory can't wait to tell his dad about all the things he's doing by himself, like crossing rivers

and finding shelter from the rain. But little does Rory know, his father is never far behind. There's nothing Rory's dad won't do for his intrepid son. Liz Climo celebrates the bond between father and child with her adorable, deceptively simple illustrations in this timeless story of a child's quest for independence. Christmas Tree

The Little World of Liz Climo Postcard Book

HarperCollins

A sweet and funny collection of comics on self-love from international bestselling author Liz Climo. Sometimes we just need a little pep talk to remind us that we're doing our best. With help from her charming animal drawings, Liz Climo encourages us to embrace the joyful

moments, get back up after falling down, and always love ourselves. A little book to let someone know how important they are to you or a thoughtful gift you can give to yourself, *I'm So Happy You're Here* highlights how truly amazing we are and can be. Like a good friend, it will lift you out of low moments and keep you company until they've passed, making you laugh and cry while

reminding you that you're loved, you matter, and we're all really happy you're here.

**You're Mum:
A Little Book
for Mothers
(And the
People Who
Love Them)**

Harper Collins
"Smart, fast, clever, and funny (As f*ck!)" (Tiffany Haddish), this collection of side-splitting and illuminating essays by the popular stand-up comedian, alum of *Chelsea Lately* and *The Mindy Project*, and host of truTV's *Talk Show* the

Game Show is perfect for fans of the *New York Times* bestsellers *Why Not Me?* by Mindy Kaling and *We Are Never Meeting in Real Life* by Samantha Irby. From a young age, Guy Branum always felt as if he were on the outside looking in. From a stiflingly boring farm town, he couldn't relate to his neighbors. While other boys played outside, he stayed indoors reading Greek

mythology. And being gay and overweight, he got used to diminishing himself. But little by little, he started learning from all the sad, strange, lonely outcasts in history who had come before him, and he started to feel hope. In this “singular, genuinely ballsy, and essential” (Billy Eichner) collection of personal essays, Guy talks about finding a sense of belonging at

Berkeley—and stirring up controversy in a newspaper column that led to a run-in with the Secret Service. He recounts the pitfalls of being typecast as the “Sassy Gay Friend,” and how, after taking a wrong turn in life (i.e. law school), he found stand-up comedy and artistic freedom. He analyzes society’s calculated deprivation of personhood from fat people, and how, though

it’s taken him a while to accept who he is, he has learned that with a little patience and a lot of humor, self-acceptance is possible. “Keenly observant and intelligent, Branum’s book not only offers uproarious insights into walking paths less traveled, but also into what self-acceptance means in a world still woefully intolerant of difference” (Kirkus Reviews, starred

review). My Life as a Goddess is an unforgettable and deeply moving book by one of today's most endearing and galvanizing voices in comedy. The Power of Knowing What You Don't Know Roaring Brook Press From international bestselling author Liz Climo comes You're Mom, a hilarious and relatable collection of original comics about motherhood Moms: they are there for us through the

good, the bad, the scary, the sticky, and everything in between. They also read us a lot of picture books along the way, and now there's a picture book just for them. Liz Climo brings her trademark wit and adorable drawings to You're Mom: a funny, honest, and sweet homage to motherhood. Detailing the ups and downs of mothering, along with the many paths to becoming a mom and the different types of

motherhood, Climo pairs humorous observations with clever illustrations of baby animals and their mothers. With more than 100 beautiful drawings, You're Mom is a book for the new mom, the seasoned mom, anyone in a mom-like role, or anyone who has ever loved a mom. It's a thank you to those taking on the challenging role of parenting - and it's also short and sweet, which means you

can read it and then hopefully get some sleep!

Nightmare Escape (Dream Jumper, Book 1)

Running Press Adult

A celebration of friendship returns readers to a quirky animal kingdom where a menagerie of grizzlies, bunny rabbits, and other critters humorously explore relationship issues.

Success Is 90% Spite

Penguin
The role of the Shanghai Cooperation Organization (SCO) in regional politics and the significance of the organization for U.S.

interests are widely misunderstood. The organization is emphatically not a military bloc, and yet engages in joint activities which resemble military cooperation to U.S. eyes. It is, in theory, open to new members; but at present is highly unlikely to accept any. Its rhetoric firmly opposes U.S. presence and activity on the territory of member states, and yet individual member states leverage

basing agreements with the U.S. to their advantage. The author reviews SCO's history and stated aspirations, and measures these against actual achievements. He concludes that, with the notable exception of the Regional Anti-Terrorist Structure(RAT S), the great majority of SCO accomplishments are of little significance other than to provide an additional multinational vehicle

through which China and in particular Russia can seek to counter U.S. and Western activity in Central Asia. My Life as a Goddess Little, Brown Books for Young Readers In this companion to Rory the Dinosaur: Me and My Dad, Rory brings the Christmas spirit to his friends and family! When Rory the Dinosaur starts to get excited for Christmas, he notices that his island

home doesn't exactly have the best trees for a traditionally festive holiday. So he and his dad set out to decorate their home the best way they can-- but without the perfect tree Rory is worried that Christmas won't be the same! Can Rory and his friends save the spirit of the season? Liz Climo looks at the true meaning of the holidays-- spending time with friends and having the love and support of

your family--in a place without any snow or evergreens. Don't Miss!:Rory the Dinosaur: Me and My DadRory the Dinosaur Wants a Pet **You Don't Want a Dragon!** CreateSpace In his classic book, *The Five Dysfunctions of a Team*, Patrick Lencioni laid out a groundbreaking approach for tackling the perilous group behaviors that destroy teamwork. Here he turns his focus to

the individual, revealing the three indispensable virtues of an ideal team player. In *The Ideal Team Player*, Lencioni tells the story of Jeff Shanley, a leader desperate to save his uncle's company by restoring its cultural commitment to teamwork. Jeff must crack the code on the virtues that real team players possess, and then build a culture of hiring and development around those

virtues. Beyond the fable, Lencioni presents a practical framework and actionable tools for identifying, hiring, and developing ideal team players. Whether you're a leader trying to create a culture around teamwork, a staffing professional looking to hire real team players, or a team player wanting to improve yourself, this book will prove to be as useful as it is compelling.

<p><u>Lobster Is the Best Medicine</u> Chronicle Books</p> <p>"This book focuses on the transformation of rural places, peoples, and land endemic to the contemporary manifestations of globalization. Migration, global economic restructuring and climate change are rapidly transforming rural places across the globe. Yet, global</p>	<p>attention characteristically focuses on urban social and economic issues, neglecting the continued roles of rural people and places. Organized around the three core themes of demographic change, rural-urban partnerships and innovations, and landscape change, the case studies included in this volume represent both the Global</p>	<p>North and Global South and underscore the complexity and multi-scalar nature of these contemporary challenges in rural development, planning, and sustainability. This book would be valuable supplementary reading for both students and professionals in the fields of rural land management and rural planning"--</p>
