Girls being fearless. Girls being silly. Girls being wild, stubborn, and proud. Girls whose faces are smeared with dirt and lit up with joy. So simple and yet so powerful, *Strong Is the New Pretty* celebrates, through more than 175 memorable photographs, the strength and spirit of girls being 100% themselves. Real beauty isn't about being a certain size, acting a certain way, wearing the right clothes, or having your hair done (or even brushed). Real beauty is about being your authentic self and owning it. Kate T. Parker is a professional photographer who finds the real beauty in girls, capturing it for all the world to see in candid and arresting images. A celebration, a catalog of spirit in words and smiles, an affirmation of the fact that it's what's inside you that counts, *Strong Is the New Pretty* conveys a powerful message for every girl, for every mother and father of a girl, for every coach and mentor and teacher, for everyone in the village that it takes to raise a strong and self-confident person.

*The Passions and Pain of the Real Vampira, Maila Nurmi* Sharon Publications Incorporated  
 Showcasing three decades of Glamour's Women of the Year, this book is a record of the ceiling-shattering achievements that have reshaped our world, and a manual for success for the women of today—and tomorrow For over 80 years, Glamour has been the preeminent female empowerment title in America. From Glamour's origin as the magazine "for the girl with a job" to today, strong, ambitious women have always taken center stage, and no place more so than at Glamour's annual Women of the Year Awards. Launched in 1990, the annual awards have become a 30-year living, breathing history, mapping out the evolution of women's power across the worlds of film, politics, sports, activism, and more. Many of the names are familiar. We've grown up with Billie Jean King, Madonna, Nora Ephron, and Ruth Bader Ginsburg. Titans of change like Michelle Obama and Malala Yousafzai have rocked our world in lasting ways. Stars such as Reese Witherspoon, Ava DuVernay, Julianne Moore, Lupita Nyong'o, and Ashley Graham have used their global influence to shift the needle in filmmaking, reproductive rights, criminal justice, and representation. Other names you may not know so well include women who have transformed the futures of school children in local communities, and teens who organized millions to fight against gun violence. *Glamour: 30 Years of Women Who Have Reshaped the World* touches on some of the most culturally important moments of our recent history. Additionally, it includes

original content from Shonda Rhimes, Diane von Furstenberg, Arianna Huffington, and more to inspire future generations. Most importantly, the book offers inspiration and service, reminding today's women and girls that, in the words of 2015 Women of the Year honoree Reese Witherspoon, ambition is not a dirty word.

During the 1960s, many models, Playboy centerfolds, beauty queens, and Las Vegas showgirls went on to become "decorative actresses" appearing scantily clad on film and television. This well illustrated homage to 75 of these glamour girls reveals their unique stories through individual biographical profiles, photographs, lists of major credits and, frequently, in-depth personal interviews. Included are Carol Wayne, Edy Williams, Inga Neilsen, Thordis Brandt, Jo Collins, Phyllis Davis, Melodie Johnson, and many equally unforgettable faces of sixties Hollywood.

*How Girls See the World* Michael O'Mara Books

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an

ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

"Marlowe Granados's *Happy Hour* is as refreshing as a gin fizz. It is a wild careening joyride through a hot sultry summer in New York in 2013, and it evokes that time with such sparkling specificity that you can feel the heat coming off the pavement. If you are looking for romance, ambition, glamour, and a story about what it means to be young and striving in the city, this is your song of the summer." -Rachel Syme, *New Yorker* staff writer  
 "A wild ride with a brilliantly cocky young protagonist who's got the world wrapped around her finger. So propulsive you'll feel like you've been hypnotized." -Zoe Whittall, author of *The Best Kind of People* "A dreamy account of one heady summer, Marlowe Granados's debut is a dispatch from another land; not only New York City, but youth itself. *Happy Hour* is aptly titled—it's an intoxicating little book, at once heartbreaking and joyful."

-Rumaan Alam, author of *Rich and Pretty* and *That Kind of Mother*  
 "Happy Hour feels like a breathless whisper at six in the morning when it's too hot to sleep. Marlowe Granados is a fresh, exciting new voice in fiction, and *Happy Hour* is a spellbinding debut."

-Amy Jones, author of *We're All in This Together* and *Every Little Piece of Me* "Happy Hour is filled with charm, memorable insight, and witty aperçus. They add up to the realization that life, while unfair, is antic enough to be worth all the trouble." -A. S. Hamrah, author of *The Earth Dies Streaming* With the verve and bite of *My Year of Rest and Relaxation* and the whip-smart, wisecracking sensibility of a golden-age Hollywood heroine, Marlowe Granados's stunning debut brilliantly captures a summer of striving in New York City. Refreshing and wry in equal measure, *Happy Hour* is an intoxicating novel of youth well spent. Isa Epley is all of twenty-one years old and already wise enough to understand that the purpose of life is the pursuit of pleasure. She arrives in New York City for a summer of adventure with her best friend, one newly blond Gala Novak. They have little money, but that's hardly going to stop them from having a good time. In her diary, Isa describes a sweltering summer in the glittering city. By day, the girls sell clothes in a market stall, pinching pennies for their Bed-Stuy sublet and bodega lunches. By night, they weave

from Brooklyn to the Upper East Side to the Hamptons among a rotating cast of celebrities, artists, tech entrepreneurs, stuffy intellectuals, and bad-mannered grifters. Money runs ever tighter and the strain tests their friendship as they try to convert their social capital into something more lasting than precarious gigs as au pairs, nightclub hostesses, paid audience members, and aspiring foot-fetish models. Through it all, Isa's bold, beguiling voice captures the precise thrill of cultivating a life of glamour and intrigue as she juggles paying her dues with skipping out on the bill. *Happy Hour* announces a dazzling new talent in Marlowe Granados, whose exquisite wit recalls Anita Loos's 1925 classic, *Gentlemen Prefer Blondes*, updated to evoke a recent, golden period of hope and transformation — the summer of 2013. A cri de cœur for party girls and anyone who has ever felt entitled to an adventure of their own, *Happy Hour* is an effervescent tonic for the ails of contemporary life.

How do we understand glamour? Has it empowered women or turned them into objects? Once associated with modernity and the cutting edge, is it entirely bound up with nostalgia and tradition? This unique and fascinating book tells the story of glamour. It explores the changing meanings of the word, its relationship to femininity and fashion, and its place in twentieth century social history. Using a rich variety of sources - from women's magazines and film to social surveys and life histories - Carol Dyhouse examines with wit and insight the history and meaning of costume, cosmetics, perfume and fur. Dyhouse disentangles some of the arguments surrounding femininity, appearance and power, directly addressing feminist concerns. The book explores historical contexts in which glamour served as an expression of desire in women and an assertion of entitlement to the pleasures of affluence, finally arguing that glamour can't simply be dismissed as oppressive, or as male fantasy, but can carry celebratory meanings for women.

In 1950s and 1960s Paris, a host of glamour magazines sprang up featuring voluptuous nude pin-up girls thrust in front of hungry cameras in sleazy backstreet studios. Magazines like *Paradise*, *Sensation* and *Pink and Black* were at the forefront, featuring scores of sexy young amateurs. *Paris Pussy* presents a stunning array of these vintage photographs, simultaneously taking readers back to the style of more innocent decades and delivering a strong erotic thrill at the rediscovery of these wanton Parisian girls in their sexual prime.
