Jallianwala Bagh. 13 April 1919. Twenty-two-year-old Nanak Singh joins the mass of peaceful protestors agitating against the Rowlatt Act. What then turns out to be one of the worst atrocities perpetrated by the British Raj, and a turning point in India's independence movement, also becomes a life-changing experience for Nanak Singh, who survives the massacre, unconscious and unnoticed among the hundreds of corpses. After going through the traumatic experience, Nanak Singh proceeds to write *Khooni Vaisakhi*, a long poem in Punjabi. The poem was a scathing critique of the British Raj and was banned soon after its publication in May 1920. After sixty long years, it was rediscovered and has been translated into English for the first time by the author's grandson, Navdeep Suri. Featuring the poem in translation and in original, this bilingual book is accompanied by essays from Navdeep Suri, Punjabi literature scholar

H.S. Bhatia and BBC correspondent Justin Rowlatt. *Khooni Vaisakhi* is not only a poignant piece of protest literature but also a historical artefact and a resurrected witness to how Sikhs, Hindus and Muslims came together to stand up to colonization and oppression in one of India's darkest moments. *Ikigai* Penguin Books India Collection of letters between Amrita Pritam (1919-2005), a Panjabi author, and Imaroza, her close associate. *UPSC IAS Exam Syllabus (Pre+Mains) 2020* Sterling Publishers Pvt. Ltd The largest film industry in the world after Hollywood is celebrated in this updated and expanded edition of a now classic work of reference. Covering the full range of Indian film, this new revised edition of the *Encyclopedia of Indian Cinema* includes vastly expanded coverage of mainstream productions from the 1970s to the 1990s and, for the first time, a comprehensive name index. Illustrated throughout, there is no comparable guide to the incredible vitality and diversity of historical and contemporary Indian film. **Nanak Singh's Sainly Sinner** Harvard University

Press
Five hundred years ago, Guru Nanak founded the Sikh faith in India. The Sikhs defied the caste system; rejected the authority of Hindu priests; forbade magic and idolatry; and promoted the equality of men and women -- beliefs that incurred the wrath of both Hindus and Muslims. In the centuries that followed, three of Nanak's nine successors met violent ends, and his people continued to battle hostile regimes. The conflict has raged into our own time: in 1984 the Golden Temple of Amritsar -- the holy shrine of the Sikhs--was destroyed by the Indian Army. In retaliation, Sikh bodyguards assassinated Prime Minister Indira Gandhi. Now, Patwant Singh gives us the compelling story of the Sikhs -- their origins, traditions and beliefs, and more recent history. He shows how a movement based on tenets of compassion and humaneness transformed itself, of necessity, into a community that values bravery and military prowess as well as spirituality. We learn how Gobind Singh, the tenth and last Guru, welded the Sikhs into a brotherhood,

with each man bearing the surname Singh, or "Lion," and abiding by a distinctive code of dress and conduct. He tells of Banda the Brave's daring conquests, which sowed the seeds of a Sikh state, and how the enlightened ruler Ranjit Singh fulfilled this promise by founding a Sikh empire. The author examines how, through the centuries, the Sikh soldier became an exemplar of discipline and courage and explains how Sikhs -- now numbering nearly 20 million worldwide -- have come to be known for their commitment to education, their business acumen, and their enterprising spirit. Finally, Singh concludes that it would be a grave error to alienate an energetic and vital community like the Sikhs if modern India is to realize its full potential. He urges India's leaders to learn from the past and to "honour the social contract with Indians of every background and persuasion."

1947, Chakri. An idyllic village on the banks of the Soan near Rawalpindi, surrounded by stalks of golden wheat and festive songs. Muslims, Hindus and Sikhs eagerly await the end of winter and get together to prepare for Lohri. Amidst this joyous bustle, Baba Bhana, the erudite village elder, worries about the future of his foster daughter, Naseem. Life comes to a halt when news of a possible partition of India reaches the village. Amid a frenzy of communal violence, Baba Bhana and his family must reluctantly leave their beloved village. They embark on a long and dangerous journey, slowly coming to terms with the fact that their lives may be changing forever. Khoon de Sohile, first published in February 1948, and now translated for the first time into English, provides a timely reminder of the grief and trauma that a religious divide brings in its wake. looking for more fulfilling

positions should start by identifying their ikigai.” —Business Insider “One of the unintended—yet positive—consequences of the [pandemic] is that it is forcing people to reevaluate their jobs, careers, and lives. Use this time wisely, find your personal ikigai, and live your best life.” —Forbes Find your ikigai (pronounced ee-key-guy) to live longer and bring more meaning and joy to all your days. “Only staying active will make you want to live a hundred years.” —Japanese proverb According to the Japanese, everyone has an ikigai—a reason for living. And according to the residents of the Japanese village with the world’s longest-living people, finding it is the key to a happier and longer life. Having a strong sense of ikigai—where what you love, what you’re good at, what you can get paid for, and what the world needs all overlap—means that each day is infused with meaning. It’s the reason we get up in the morning. It’s also the reason many Japanese never really retire (in fact there’s no word in Japanese that means retire in the sense it does in English): They

remain active and work at what they enjoy, because they’ve found a real purpose in life—the happiness of always being busy. In researching this book, the authors interviewed the residents of the Japanese village with the highest percentage of 100-year-olds—one of the world’s Blue Zones. Ikigai reveals the secrets to their longevity and happiness: how they eat, how they move, how they work, how they foster collaboration and community, and—their best-kept secret—how they find the ikigai that brings satisfaction to their lives. And it provides practical tools to help you discover your own ikigai. Because who doesn’t want to find happiness in every day?

Hymns in Blood Image Jallianwala Bagh massacre, the butchering of unarmed innocents, is a historic event that haunts the human mind even after the lapse of a century. 1650 rounds fired in a matter of ten minutes, the blocking of exits, preventing help reaching the injured are all acts of unmitigated bestiality. Through a selection of prose and poetry – The direct outcome of this horrific

event and an introduction that traces the history of events leading to the massacre – Rakhshanda Jalil, a literary historian and translator from Urdu and Hindi, attempts to open a window into the world of possibilities that literature offers to reflect, interpret and analyse events of momentous historical import. The selection offers ways of ‘seeing’ history, of exploring how an incident that stirred the conscience of millions, one that had far-reaching implications for the National freedom struggle and British rule, found its way through pen and Paper to reach the nooks and crannies of popular imagination filtered through the mind of the creative writer. The stalwarts and acknowledged doyens of Indian literature featured in this volume include Saadat Hasan Manto, Mulk Raj Anand, Krishna Chander, Abdullah Hussein, Bisham Sahni, Ghulam Abbas, subadhra Kumari Chauhan, Sarojini Naidu, sohan Singh Misha, Muhammad Iqbal, Josh malihabadi, Nanak Singh, to name a few. A collection that can pave the way for further research. [A History of Punjabi](#)

 Operation Blue Star Is One Of The Most Controversial, Hotly-Debated Military Operations In The World And A Turning Point In Contemporary Indian History. This Is An Account By The Army Officer Who Led It -- Touchingly Honest, Often Anguished, Minutely Detailed. It Hides Nothing -- Not The Unexpected Reverses Suffered By The Army, Nor Its Miscalculations, Nor The Grit And Determination Of The Militants It Was Assigned To Flush Out.
The Rising of the Moon
 Penguin

This book is meant to reinvigorate your thought process and give your life a new vision and perspective. This book is a spiritual journey with the teachings of Shri Guru Granth Sahib Ji. The approach is not to be religious or dogmatic but spiritual and liberal. the book contains the teachings of Sri Guru Granth Sahib Ji, which contains the teachings of Sikh Gurus, other saints, and words of eternal wisdom. Each chapter is like peeling a layer of an onion, intended to step by step, on a daily basis, unclutter your mind and sharpen your vision. This

book is meant for those who are searching for or are at the edge of a new direction, a new beginning in their life but are unsure whether or not to take the plunge. This may also be helpful to those who have a deep-seated unfulfilled purpose in their life but are just unsure whether or not to do what they would be happy to do in their lives. Modern day youth often finds themselves at cross roads because they find a sea of difference in the value system that they have grown up in and the value system that contemporary society demands. The correct way would be to have a strong value system so that one is unmoved by the conflicting thought processes that one comes across on a daily basis. This book is intended to give that strength and robustness of thought process to those who are always in two minds in choosing what's right for them and what is in front of them.

Number Theory LeftWord Books

A discussion with a friend soon turned into a matter of self-assessment, leading to this discourse on why Bhagat Singh chose to be an atheist. Even in the face of death at a very young age, with

uncanny observations and sharp questions, he forces us to re-think our foundations to faith in god.

Divine Cool Breeze Books
Number theory is one of the oldest branches of mathematics that is primarily concerned with positive integers. While it has long been studied for its beauty and elegance as a branch of pure mathematics, it has seen a resurgence in recent years with the advent of the digital world for its modern applications in both computer science and cryptography. Number Theory: Step by Step is an undergraduate-level introduction to number theory that assumes no prior knowledge, but works to

gradually increase the reader's confidence and ability to tackle more difficult material. The strength of the text is in its large number of examples and the step-by-step explanation of each topic as it is introduced to help aid understanding the abstract mathematics of number theory. It is compiled in such a way that allows self-study, with explicit solutions to all the set of problems freely available online via the companion website. Punctuating the text are short and engaging historical profiles that add context for the topics covered and provide a dynamic background for the subject matter.

Eng M. Gandhi in His Gujarati Writings

Psychology Press
An unprecedented historical account of undivided Punjab, from the death of Aurangzeb to the Partition. For centuries, the fertile land of five rivers in the north of the Indian subcontinent was coveted by numerous empires and invaders. In this, the first major account of undivided Punjab, award-winning historian, biographer and scholar, Rajmohan Gandhi, gives us its history during its most

tumultuous phase from the death of Aurangzeb, in the early eighteenth century, to its brutal partition in 1947, coinciding with the departure of the British. Relying on fresh sources as well as previous accounts provided from opposing perspectives, the author fashions a compelling narrative about the great events of the time in the region - the battles and tragedies that routinely disrupted the lives of ordinary Punjabis, the sacking of iconic cities like Lahore, Amritsar, Multan and Jalandhar by a succession of conquerors, the ravages wrought by invaders like Nadir Shah, the rise of the Sikhs culminating in the storied reign of Maharaja Ranjit Singh, Britain's successful wars against the Sikh kingdom, the Great Rebellion of 1857 and its effect on Punjab, imperialist machinations, the influence on the people by leaders of the independence movement like Mahatma Gandhi, Muhammad Ali Jinnah and Lala Lajpat Rai, as also key regional figures such as Fazl-i-Husain, Master Tara Singh, Sikander Hayat Khan and Khizr Hayat Tiwana, the devastation of Partition -

and much else besides. Believing that modern India and Pakistan cannot be understood without comprehending the Punjab that was, the author also delves into the idea of Punjabiya - Punjabiness - the literature and poetry of creative giants like Bulleh Shah, Waris Shah, Iqbal, Amrita Pritam and Saadat Hasan Manto, the spiritual teachings of the Sikh Gurus and Sufi saints and, above all, the testimonials and narratives of ordinary Punjabis, to create an unforgettable portrait of a place - undivided Punjab - that continues to fascinate us (even though it broke up more than six decades ago) and of its hard-tested and resilient people, Hindu, Muslim and Sikh.

Encyclopaedia of Sikh Religion and Culture
Partridge Publishing
British agitations, are thoughts of going home to his wife. When he returns, he finds out that his wife has died, leaving behind their infant child. As Kuldeep's world collapses around him, he negotiates the divergent pulls exerted by people around him: a holy man who advocates renunciation; his childhood friend Saroj,

who has always loved him; and the tempestuous Prakash who hides an unsavoury past. Sahitya Akademi Award-winning author Nanak Singh draws on personal experiences to create this compelling portrait of Punjab in the 1920s. Originally published in Punjabi in 1940, *Adh Kidhiya Phool* is an intense meditation on the choices people make and the consequences these may have.

Parsa Sristhi Publishers & Distributors

Together in one place, this is a collection of most important works of Bhagat Singh, the Indian communist revolutionary who was executed by the British colonizers in 1931 at the age of 23. Bhagat Singh wrote this diary in the last two years of his young life while he was awaiting execution by the British rulers of India. His jail diary was handed over, along with other belongings to his father, Sardar Kishan Singh after his execution.
