Tourism, Parks and Recreation (ATPR). The other two documents are: • Tourism Development Guide • Tourism Funding Sources Guide The three resources are meant to be used together. Web-based, DVD and hardcopy versions of these guides are available. Tourism business plan Business Planning GuideThe financial

forecasts for a tourism business plan are designed to provide investors with a three to five-year projection period. These projections will ideally be based upon the prior operating performance of your company and, if possible, extrapolated based on the management strategy for the use of funds. Tourism Business Plan | Pro Business Plans The elements of a tourism business plan The business

plan is the basis of your submission to lenders and investors and will contain the summary of all your financial research. The plan describes your business goals and the business concept in relation to local/regional and tourism markets. Table of Contents Your business plan is the blueprint for your tourism business. It should include an executive summary that covers your business' purpose,

market sector, competition, and financial projections. For the most part, it should include all the information you have researched up until now. How to Develop a Tourism Business (with Pictures) - wikiHow Travel and tourism is a fun and rewarding industry. Starting with a good business plan will help you succeed in this exciting field.
