When Aphrodite learns her fianc has been involved in extracurricular activities for the duration of their relationship, she leaves him on the spot. Now faced with the issue of no home, no car, and no job, she willingly accepts the airline tickets and small donations from her friends and family. At first, this period of extensive travel ushers in

exciting adventures and people. Gallivanting around the globe as a free agent with no responsibility or fianc to answer to is refreshing. However, after a year, the novelty wears off, and the jet-setter lifestyle begins to take its toll. She no longer takes joy in the irony of traveling on private jets and hobnobbing with the wealthy while she is flat broke. Inwardly, she yearns for the stability of home and someone to love but has no idea how to attain such things while stuck in such a fast and shallow environment. This is a true story of Aphrodites quest for freedom and

happiness, what she does to survive in NYC, and how she calls forth the courage to completely reinvent herself that, in turn, reconnects her with a man who's been waiting for her since their first brief but indelible meeting years before; this is about how the power of love can transform. Ultimately, its Aphrodite refusal to accept a mediocre life that enables her to successfully pursue her dreams and refine her character. Its a story of how we all may attain the happy ending by simply listening to our inner voice and wisdom.

Marriage is a divine institution founded
upon sound tenets, principles and codes
of conduct designed to enable couples to
love each other until separated by
death. Tabled here are many plausible or
conceivable ideas that will not only
restore these core values, but also
prevent marriages from falling apart: •
Extracting the best of both worlds, I
borrowed extensively from the
Orient—especially my ancestral Indian

homeland—where the fundamentalism
of marriage still produces the desired
results. • I herein utilize my life sciences
training to explain gendered
differentiations, thereby establishing
common grounds for couples to operate
harmoniously. • Statistics show that
many women succumb to severe
brutality and death at the hands of their
unscrupulous husbands, whose actions
must be impugned or remedied. • When
a man snuffs the life out of his wife,
another man somewhere loses a
daughter. How would that feel as a
father? • I appeal to all males to
examine their consciences and start
treating their wives the way they want
men treat their daughters. • This book
focuses on men amending their
incorrigible or embittered ways, which

will definitely inject marital bliss into ailing marriages. • It embodies many time-tested tips that will surely help us achieve these noble ends.

trying to figure out the keys to men or not knowing why your relationships went wrong, or watching other women land their dream guy or other women who seem to get the rich men who provide, take them on exotic vacations, buy them cars, completely adore them and do whatever they want, while you meanwhile pay half the bills, and end up in relationships with ungrateful men who aren't even half as smart as you, then this is the book for you. If you find yourself asking why do men seem to choose the needy women over you, the boss chick who doesn't need a man and can do everything on her own, then Sis this book is about to change your life. If you've suffered from a broken heart after pouring all of your love into a man who failed to provide for you, this book

You tend to be the smartest person out of all of your friends. 9/10 you're way more smarter than your chosen partners. Not matter how much love you pour into your relationships, they tend to end really badly. They move on fast to the next person, meanwhile you're left crushed, heartbroken and having to pick up the pieces of your shattered life all by

yourself. Yet, you understand that you are not a victim in your relationships. If someone treats you poorly, you reflect on what this experience is trying to teach you and why this manifested without being hard on yourself. No matter how many times you've been hurt you live from your heart, and have great vision. Often you attempt to help activate a man's King DNA to no avail. Get the entire INTERIM GODDESS OF LOVE trilogy in one ebook! College sophomore Hannah Maquiling doesn't know why everyone tells her their love problems. She's never even had a boyfriend, but that doesn't stop people from spilling their guts to her, and asking for advice. So maybe it shouldn't be a surprise when the cutest guy in school tells her that she's going to have to take on this responsibility -- but for all

humanity. The Goddess of Love has gone AWOL. It's a problem, because her job is to keep in check this world's obsession with love (and lack of it). The God of the Sun, for now an impossibly handsome senior at an exclusive college just outside of Metro Manila, thinks Hannah has what it takes to (temporarily) do the job. INTERIM GODDESS OF LOVE: While she's learning to do this goddess thing, she practices on the love troubles of shy Kathy, who's got a secret admirer on campus. Hannah's mission, should she choose to accept it, is to make sure that he's not a creepy stalker and they find their happily ever after -- or at least something that'll last until next semester. (As if she could refuse! The Sun God asked so nicely. And he's so, well, hot.) QUEEN OF THE CLUELESS: If

you've been feeling neglected by the Goddess of Love lately, don't worry -- Hannah Maquiling, college sophomore, is in training to take over. The Original Goddess is missing, but Hannah is Interim Goddess now, and she should figure out how to solve humanity's love problems soon. Quin (God of the Sun) is still her mentor, still really hot, but apparently isn't as honest about his other earthly relationships as she thought. It's frustrating, and enough to make her check out possibilities with Diego (God of the Sea) and Robbie (Cute Human). In the meantime, she's decided to spend some of her precious training time helping to break up a relationship, instead of putting one together. Why? Because the girl in question happens to be her best friend Sol, whose boyfriend

is stealing not just from her, but from other people on campus. Sol didn't exactly summon the Goddess, but this is what power over Love is for, right? Surely it's not just about matchmaking, but ending doomed relationships too. (Even when it's not what people want.)

ICON OF THE INDECISIVE: College student Hannah Maquiling, also temporarily working as the Goddess of Love, has had enough of everyone asking for her help when it comes to relationships. It's her turn to find romance! She deserves it, after serving as matchmaker and confidant to everyone else in Ford River College for the past year. She's had a crush on handsome senior (and God of the Sun) Quin forever, but he's destined to fall in love with an extraordinary mortal

woman, so she's figured her chances with him have pretty much dropped to zero. It's not like she doesn't have any options for a classic college romance though. There's Diego, God of the Sea and Quin's best friend/enemy. And regular guy Robbie is stepping up, making sure she knows how he feels about her. How hard can it be for a goddess to find someone to love, and be loved in return? This ebook contains the *complete* INTERIM GODDESS OF LOVE trilogy.

Gods and Goddesses in Love Harper Collins

For as long as we have sought god, we have found the goddess. Ruling over the imaginations of humankind's earliest agricultural civilizations, she played a critical spiritual role as a keeper of nature's fertile powers and an assurance of the next sustaining harvest. In *The Goddess*, David Leeming and

Christopher Fee take us all the way back into prehistory, tracing the goddess across vast spans of time to tell the epic story of the transformation of belief and what it says about who we are. Leeming and Fee use the goddess to gaze into the lives and souls of the people who worshipped her. They chart the development of traditional Western gender roles through an understanding of the transformation of concepts of the Goddess from her earliest roots in India and Iran to her more familiar faces in Ireland and Iceland. They examine the subordination of the goddess to the god as human civilizations became mobile and began to look upon masculine deities for assurances of survival in movement and battle. And they show how, despite this history, the goddess

has remained alive in our spiritual imaginations, in figures such as the Christian Virgin Mother and, in contemporary times, the new-age resurrection of figures such as Gaia. The

Goddess explores this central aspect of ancient spiritual thought as a window into human history and the deepest roots of our beliefs.
