City of Dark Magic HarperCollins UK

"[A] subtle and unnerving story of the little things that can tip the balance of one's life and send it spiraling into chaos."

—Publishers Weekly Stephen King called Michael Marshall's debut novel The Straw

Men, “a masterpiece...brilliantly written and scary as hell.” With *Killer Move*, the acclaimed author of *Bad Things* and *The Intruders* demonstrates that he has only gotten better with time. The electrifying story of a man on the fast track to success who finds that his life has been chillingly “modified” by someone, somewhere with a very different master plan for his future, *Killer Move* is a remarkably intelligent, genuinely creepy thriller from Phillip K. Dick Award-winner Marshall.

*Stories from Palestine* Sourcebooks, Inc. A USA TODAY BESTSELLER! A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing and the power of our own stories. The smallest items can hold centuries of secrets... Inara Erickson is exploring her deceased aunt's island estate when she finds an elaborately stitched piece of fabric hidden in the house. As she peels back layer upon layer of the secrets it holds, Inara's life becomes interwoven with that of Mei Lein, a young Chinese girl mysteriously driven from her home a century before. Through the stories Mei Lein tells in silk, Inara uncovers

a tragic truth that will shake her family to its core—and force her to make an impossible choice. A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson.

*The Football Girl* Grand Central Publishing "Michael Marshall Smith's original short story was then translated into French by Benoît Domis, before being rendered back into English by Nicholas Royle--who had no access to the original text or author during the process."--Dust jacket, p. [2].
