Successor to the Mines Handbook and the Copper Handbook ... Describing the Non-ferrous Metal Mining Companies in the Western Hemisphere ...

Forever Roy Rogers and Dale Evans ruled the West from the silver screen as the King of Cowboys and the Queen of the West. Off screen, this husband and wife duo raised a family and lived the "Code of the West." In this biography, named for their first feature film as a pair, the Rogers family shares the inside story of these beloved Western icons, detailing their personal struggles and rise to stardom, the lives of their children, the tragedies that befell their family, and their memories of Roy and Dale and Trigger and other sidekicks on the silver screen and behind the scenes. More than eighty photographs of the couple at work and at home are included. In this expanded edition, there will be details on Trigger and Buttermilk, the famed horses who co-starred in the duo's most memorable on-screen appearances, and there will be an epilogue covering what's happened to the legacy of the couple and their family.

Mesa Arraguso writes about hot cowboys for a living. Being a romance writer has its perks and its drawbacks. She spends a lot of time alone in front of her computer, but she gets to fantasize about incredibly hot men wearing cowboy boots and Stetsons. While visiting San Antonio, Texas for a writer's conference, she finds herself stranded on the back roads of Bandera only to be rescued by one of the most gorgeous men she's ever encountered, be it fantasy or for real. Joel Young is a cowboy. From the top of his Stetson to the tip of his dirty cowboy boots, he's cowboy through and through. Along with rescuing women when they do silly things like running out of gas miles from town on a dirt road, he spends his days herding cattle, fixing fences and breaking horses. Can one handsome cowboy and a city-girl

from LA find common ground is the Hill Country long enough to see beyond a quick fling?

Ben's the perfect no-strings boyfriend, until Charlotte discovers that beneath that rugged, charming exterior lies a sweet and bighearted cowboy. New York Times bestselling author R.C. Ryan takes readers on a wild ride with a strong heroine who must trust the cowboy trying to save her life. A cowboy with a wild side Kirby Regan isn't opposed living on the edge. After all, she just quit her career in Washington, D.C., so she could move back to Wyoming and buy her family's ranch. But hiking the Tetons after dark during a snowstorm goes beyond being adventurous, especially when Kirby's boss warns her that an escaped convict is at large. Sheltering in a cave seems the safest option to ride out the blizzard-until Kirby realizes it's already occupied . . . by a ruggedly handsome cowboy. Like the mustangs he treats, veterinarian and rancher Casey Merrick prefers to live wild and free, which is why a relationship is not in the cards for him. He doesn't mind sharing his space with a gorgeous stranger, as long as they can both keep their distance-a task that begins to seem impossible as the attraction between them heats up. But before they can worry about the spark smoldering between them, Casey must find a way to protect Kirby from nature's most ruthless conditions . . . and a convicted killer on the loose. Includes the bonus novel *Wildflower Ranch*, a continuation of Daisies in the Canyon, by New York Times bestselling author Carolyn Brown!
