 In "THE CROSS AND ITS SHADOW," the type and the antitype are placed side by side, with the hope that the reader may thus become better acquainted with the Saviour. It is not the intention of the author of this work to attack any error that may have been taught in regard to the service of the sanctuary, or to arouse any controversy, but simply to present the truth in its clearness. This is a reprint of an important early Advent book, which explains the sanctuary and its services. -

 The Body of Christ is being destroyed by lack of knowledge, wisdom, and understanding of the captivity of individuals, families, cities, and even nations caused by generational and personal accusations. The reality of the goodness of God is challenged by the stark contrast between the covenantal blessings promised in the Word of God and the struggles in one's life. In this book, the Hanselman's uncover the source of these hindrances with practical teachings and prayers that will help you be cleared of the charges against you and your family in the Court of Heaven. Allow the Just Judge to declare you innocent by the Blood of the Lamb as you agree with your accuser in generational and personal repentance. Now is the time to begin the process of dismantling the accusations of the enemy! Families, regions, and nations can be set free by the application of these prayers. It is time for the destiny of the Body of Christ to be released for the great end time harvest.

What is Born of the Spirit is Spirit provides reflections on Scripture texts associated with (Holy Spirit and (human) spirit. Various aspects of Spirit and spirit are explored in one-hundred-five entries. The subtitle, A Biblical Spirituality of Spirit, indicates the ways biblical authors are inspired

to present imaginatively what cannot be pictured: Spirit and spirit. This book attempts to recover the spirituality of biblical stories that narrate how the Spirit connects to spirit and the results of such connectivity. By exploring the use of biblical metaphors and similes we develop a spirituality of Spirit, the way human spirit is in the presence of the divine Spirit. Spirituality is Spirit connecting to spirit. It is Spirit giving birth to spirit (John 3:6).

According to narratives in the Bible the threats of the people's end come from various sources, but the most significant threat comes, as learned from the Pentateuch, from God himself. What is the theological meaning of this tradition? In what circumstances did it evolve? How did it stand alongside other theological and socio-political concepts known to the ancient authors and their diverse audience? The book employs a diachronic method that explores the stages of the tradition's formation and development, revealing the authors' exegetical purposes and ploys, and tracing the historical realities of their time. The book proposes that the motif of the threat of destruction existed in various forms prior to the creation of the stories recorded in the final text of the Pentateuch. The inclusion of the motif within specific literary contexts attenuated the concept of destruction by presenting it as a phenomenon of specific moments in the past. Nevertheless, the threat was resurrected repeatedly by various authors, for use as a precedent or a justification for present affliction.

Illuminating the ethical legacy of the biblical prophets, Path of the Prophets identifies the prophetic moment in the lives of eighteen biblical figures and demonstrates their compelling relevance to us today. While the Bible almost exclusively names men as prophets, Rabbi Barry L. Schwartz celebrates heroic, largely unknown biblical women such as Shiphrah, Tirzah, and Hannah. He also deepens readers' interpretations of more familiar biblical figures not generally thought of as prophets, such as Joseph, Judah, and Caleb. Schwartz introduces the prophets with creative, first-person retellings of their decisive experiences, followed by key biblical narratives, context, and analysis. He weighs our heroes' and heroines' legacies—their obstacles and triumphs—and considers how their ethical examples live on; he guides us on how to integrate biblical-ethical values into our lives; and he challenges each of us to walk the prophetic path today.

WINNER OF THE COSTA FIRST NOVEL AWARD A NATIONAL BOOK FOUNDATION 5 UNDER 35 "Open Water is tender poetry, a love song to Black art and thought, an exploration of intimacy and vulnerability between two young artists learning to be soft with each other in a world that hardens against Black people."—Yaa Gyasi, author of Homegoing In a crowded London pub, two young people meet. Both are Black British, both won scholarships to private schools where they struggled to belong, both are now artists—he a photographer, she a dancer—and both are trying to make their mark in a world that by turns celebrates and rejects them. Tentatively, tenderly, they fall in love. But two people who seem destined to be together can still be torn apart by fear and violence, and over the course of a year they find their relationship tested by forces beyond their control. Narrated with deep intimacy, Open Water is at once an achingly beautiful love story and a potent insight into race and masculinity that asks what it means to be a person in a world that sees you only as a Black body; to be vulnerable when you are only respected for strength; to find safety in love, only to lose it. With gorgeous, soulful intensity, and blistering emotional intelligence, Caleb Azumah Nelson gives a profoundly sensitive portrait of romantic love in all its feverish waves and comforting beauty. This is one of the most essential debut novels of recent years, heralding the arrival of a stellar and prodigious young talent.

In the twenty years since its publication, Celebration of Discipline has helped over a million seekers discover a richer spiritual life infused with joy, peace, and a deeper understanding of God. For this special twentieth anniversary edition, Richard J. Foster has added an introduction, in which he shares the story of how this beloved and enduring spiritual guidebook came to be. Hailed by many as the best modern book on Christian spirituality, Celebration of Discipline explores the "classic Disciplines," or central spiritual practices, of the Christian faith. Along the way, Foster shows that it is only by and through these practices that the true path to spiritual growth can be found. Dividing the Disciplines into three movements of the Spirit, Foster shows how each of these areas contribute to a balanced spiritual life. The inward Disciplines of meditation, prayer, fasting, and study, offer avenues of personal examination and change. The outward Disciplines of simplicity, solitude, submission, and service, help prepare us to make the world a better place. The corporate Disciplines of confession, worship, guidance, and celebration, bring us nearer to one another and to God. Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities—and how they can help us shed our superficial habits and "bring the abundance of God into our lives." He offers crucial new insights on simplicity, demonstrating how the biblical view of simplicity, properly understood and applied, brings joy and balance to our inward and outward lives and "sets us free to enjoy the provision of God as a gift that can be shared with others." The discussion of celebration, often the most neglected of the Disciplines, shows its critical importance, for it stands at the heart of the way to Christ. Celebration of Discipline will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth.

In this series of studies we do not propose to confine ourselves to the petitionary prayers of the apostle, but rather take in a wider range. In Scripture "prayer" includes much more than making known our requests to God, and this is something which His people need reminding of, and some of them instructing in, in these days of superficiality and ignorance. The very verse that presents the privilege of spreading our needs before the Lord emphasizes this very thing: "In every thing by prayer and supplication with thanksgiving let your requests be made known unto God" (Phil. 4:6). Unless gratitude be expressed for mercies already received and thanks be given for granting us the continued favor of petitioning our Father, how can we expect to obtain His ear and receive answers of peace! Yet prayer, in its highest and fullest sense, rises above thanksgiving for gifts vouchsafed: the heart is drawn out in contemplating the Giver Himself so that the soul is prostrated before Him in worship and adoration.

One contemporary scholar and authority on Spurgeon says of this work: "Next to Mr. Spurgeon's great literary work, The Treasury of David, we consider (these) Lectures to My Students his greatest single contribution to the Christian world. There is more practical wisdom, common sense and sage advice packed within these pages than with any other book of similar size, or content." This complete and unabridged edition of Spurgeon's great work will make it possible for today's generation to appreciate Spurgeon's combination of discerning wit and refreshingly practical advice. Included in the twenty-eight chapters of this classic volume are lectures such as: - The Call to Ministry - The Preacher's Private Prayer - On the Choice of a Text - On the Voice - The Holy Spirit in Connection with Our Ministry - The Blind Eye and the Deaf Ear - On Conversion as Our Aim - Illustrations in Preaching As were all of Spurgeon's messages to his people, each of these lectures is Scripture-saturated and Christ-honoring. They move swiftly and are fascinating in their content and sage counsel.
