### Examining FCE and CAE

Cambridge English  
 Venture into First for  
 Schools is an international  
 course preparing  
 secondary students for  
 the Cambridge English:  
 First for Schools exam. The  
 course prepares students  
 for exam success from the  
 outset with systematic  
 skills development and  
 scaffolded exam practice  
 in every unit. Exam  
 guides offer tips and hints  
 for every task type, and  
 students can prepare for  
 the examination with the  
 online practice  
 test. Covering a huge  
 range of topics, from The  
 Simpsons to Shakespeare,  
 the course encourages  
 cultural insights and  
 critical thinking and keeps

students motivated to achieve success.

 Lively introduction to early English silver Many hitherto unpublished items of silver illustrated in color A remarkable private collection formed over the last thirty years is the focus of this richly illustrated book that introduces the reader to English silver spanning a century and a half from a little before the Tudor age (1485-1603) to the threshold of the Civil War (1642-51). This was a period when England changed out of all recognition. At the beginning it was still essentially a medieval country dominated by an autocratic king and a rich and powerful Church; by the end of the period the Church had lost virtually all of its power and, with the execution of Charles I in 1649, the monarchy itself was abolished. To a degree, this changing world is mirrored in the styles represented by the silver featuring in the collection. Besides setting the silver against its social and historical background the book examines the wide range of techniques

used by silversmiths at the time to shape and adorn silver objects. Contents: Foreword by David Little; 1 English Silver before the Civil War; 2 Conspicuous Consumption: the Ceremonies of Dining; 3 'Plate commonly used in the howse'; 4 Silver and Godliness; 5 The Workshop and the Trade; 6 The Afterlife of Early Silver; Catalogue of items in the Little collection; Bibliography; Index; Picture credits"

This critical history covers 70 years of two major UCLES / Cambridge ESOL international exams: the First Certificate in English (FCE) and the Certificate in Advanced English (CAE). The story begins with the development and first sitting of the FCE (then called the Lower Certificate in English) in 1939. The book then traces subsequent developments, including the initiation of FCE under its current name in 1975,

the introduction of CAE in 1991, as well as reviews, major revisions, and modifications, leading to the update of FCE and CAE for December 2008. On the way, the history attempts to balance theory and practice, fact and opinion, insider and outsider perspectives, recurring themes and key innovations. We see the scale of the FCE and CAE exams grow from an initial candidature of just 144, to make a significant contribution to Cambridge ESOL's current total of over two million candidates in 130 countries.

"The course is designed to maximise the performance of school-age learners. It features eight units covering the core topics, vocabulary, grammar and skills needed for all four exam papers for the revised Cambridge English: First (FCE) for Schools exam from 2015. Two teen-inspired topics in each unit ensure the entire exam syllabus is covered, and can also act as a basis for CLIL-based extension activities and projects. Grammar sections and a Grammar Reference help students build up the accurate language structure

necessary for the Use of English parts of the new Reading and Use of English paper, while B2-level vocabulary is targeted, drawing on insights from English Profile, and brought together in a Wordlist based on key vocabulary from the units. 'Exam tips', and grammar and vocabulary exercises teach students to avoid common mistakes identified in Cambridge's unique collection of real exam papers, the Cambridge Learner Corpus."--Publisher description.
