What is your God-sized assignment? God has an assignment for you—a God-sized destiny for you to fulfill. How can you know what it is, and what is the process to walk in that calling? The Joseph Calling presents six unique stages that many people pass through to fulfill their destiny. Such was the case for Joseph in the Bible—he was a dreamer with a calling. After being the favored son, his brothers betrayed him, which led to a thirteen-year journey of hardship, humble circumstances, accusations, and pain. But God used Joseph's adversities to fulfill a larger story—to be a spiritual and physical provider for others. "Josephs" today are men and women, old and young, who are set apart by God for his divine purposes. In *The Joseph Calling* Os Hillman will help you: Embrace God's activity in your life. Navigate through adversity. Discover your calling. Fulfill God's purpose for your life. God has a plan for you at every stage of life. He wants you to know his assignment for you—and only you—so you can live an intentional and purpose-filled life.

In an age of hashtag and armchair activism, merely raising awareness about injustice is not enough. Michelle Warren and her family have chosen to live in communities where they are "proximate to the pain of the poor." Here she shows us how proximity changes our perspective, compels our response, and keeps us committed to the journey of pursuing justice for all.

Shay was still angry but shrugged nonchalantly as if to say, it's not that big of a deal. "So, what am I wrong about?" "You're not going to want to hear this, but I have to tell you anyway." Liam paused before finishing. "You might be working hard, but you're not doing it for the company." "What the hell does that mean?" Shay wanted to know. Knowing that his adversary might punch him for what he was about to say, Liam responded. "You're doing it for yourself." New York Times best-selling author Patrick Lencioni has written a dozen books that focus on how leaders can build teams and lead organizations. In *The Motive*, he shifts his attention toward helping them understand the importance of why they're leading in the first place. In what may be his edgiest page-turner to date, Lencioni thrusts his readers into a day-long conversation between rival CEOs. Shay Davis is the CEO of Golden Gate Alarm, who, after just a year in his role, is beginning to worry about his job and is desperate to figure out how to turn things around. With nowhere else to turn, Shay receives some hard-to-swallow advice from the most unlikely and unwanted

source—Liam Alcott, CEO of a more successful security company and his most hated opponent. Lencioni uses unexpected plot twists and crisp dialogue to take us on a journey that culminates in a resolution that is as unexpected as it is enlightening. As he does in his other books, he then provides a straightforward summary of the lessons from the fable, combining a clear explanation of his theory with practical advice to help executives examine their true motivation for leading. In addition to provoking readers to honestly assess themselves, Lencioni presents action steps for changing their approach in five key areas. In doing so, he helps leaders avoid the pitfalls that stifle their organizations and even hurt the people they are meant to serve.

 The Bible says fear of the Lord is the "beginning of wisdom" (Psalm 111:10) and the "beginning of knowledge" (Proverbs 1:7). Proverbs 14:27 even calls it a "fountain of life"! But do people really understand what is meant by the "fear of the Lord"? Drastically different from the frightful trembling we feel in response to a threatening person or dangerous situation, the "fear of the Lord" is a deep sense of reverence and awe of the One who created us, loves us, and saved us. With comforting words of instruction, renowned Bible scholar Derek Prince explains... How the fear of the Lord differs from other types of fear How to gain wisdom and understanding, which are rooted in the fear of the Lord How to overcome pride in order to submit to Christ and to others How to stand in awe of God's holiness Experience peace and confidence by cultivating the fear of the Lord, the place Where Wisdom Begins!

 Become a World-Shaper. The times we are living in are scary, to say the least. The world is unstable. Global politics are volatile. The rate of change we now experience is spiraling out of control. We're uncertain about what will happen tomorrow, and we feel helpless to do anything about it. Yet what we are facing isn't new. In the past, there have been many wars. There have been threats and acts of terrorism. History is spotted with violent episodes of unimaginable carnage and horror. And what did people do about them? The only thing they could do: they prayed! Discover with Derek Prince how your prayers and fasting can change the world. Using experiences from his own life, he illustrates how you can make a difference. You don't have to fight. You don't have to hold high political position. You don't have to be a certain age. You don't even have to have power, money, or influence on earth. What is important is your influence in heaven. Learn to touch the heart of God through prayer—prayer that will change the world!

God's Remedy for Rejection Derek Prince Ministries
 Drawing from six decades of Scripture-based teaching and study in the original Greek and Hebrew, the late Derek Prince clearly

explains the foundations for Christian faith, salvation, baptism, the Holy Spirit, laying on of hands, the believer's resurrection, and eternal judgment. The revised book, which has been translated and distributed worldwide in more than sixty languages, offers Christian everything they need to develop a strong, balanced, Spirit-filled life, including a comprehensive index of topics and a complete index of Scripture verses.

No matter how big an organization, we all do ministry with a team, whether paid or volunteer. Anyone who has been part of a great team knows it's something special. When there is good chemistry, everyone is operating from their sweet spot, the objectives are clear, and kingdom progress is being made, it is incredibly fulfilling and fun. On the flip side, we're painfully aware what happens when there is dysfunction in the team--stress, tension, politics, and posturing. It's not much fun for anyone, and we end up squandering our divine assignment. Lance Witt, founder of Replenish Ministries and a former executive and teaching pastor at Saddleback Church, knows what it takes to keep teams functioning at the highest level of impact. He shows leaders how to build next-level teams that are spiritually, emotionally, and relationally healthy and productive and high-performing. Short, to-the-point chapters make the book easy to digest and the perfect resource for your team to read through together.

If God asked you, as He did with Abraham, to sacrifice your "pride and joy," your "Isaac," could you do it? From the Scriptures, Derek Prince shows that God will give back to you abundantly when you are willing to yield to Him. He also discusses how to: Have the Spirit of Christ Receive your inheritance as a child of God Become mature in the faith Please God in all that you do Live in victory every day You can be confident that, as you yield to the Spirit of Christ, you will walk in the abundance of God's power and blessings.

The past provides a blueprint for the present and promises hope for the future. Many Christians struggle to understand Old Testament teachings. We look at the laws and rituals and wonder how those long-ago practices could possibly be relevant to our lives now. Randy Robison believes they are not only necessary but are, in fact, vital to a closer walk with Jesus. In *The Age of Promise*, Robison introduces us to ten foundational promises made in the Old Testament and transformed in Christ, ten mysteries now revealed in Jesus that offer us a deeper, more powerful relationship with the Father. These ten promises, which bring God's intricate plan of redemption to fulfillment, include: The promise of deliverance The promise of the chosen people The

promise of the temple And much, much more! When we learn from the past and apply it to the present, we determine our future. The Age of Promise invites us to uncover the glorious riches of our heritage of faith and experience real transformation in our everyday lives. With the light of Christ shining on the shadows of the past, we develop a more complete perspective and discover a deeper, more powerful relationship with the eternal Father who is the same yesterday, today, and forever. As Christians, we know that we are new creations in Jesus. So we try to act differently, hoping this will make us more like Him. But changing our outward behavior doesn't change our hearts. Only by God's grace can we be transformed internally. Renovation of the Heart lays a biblical foundation for understanding what best-selling author Dallas Willard calls the "transformation of the spirit"—a divine process that "brings every element in our being, working from inside out, into harmony with the will of God." This fresh approach to spiritual growth explains the biblical reasons why Christians need to undergo change in six aspects of life: thought, feeling, will, body, social context, and soul. Willard also outlines a general pattern of transformation in each area, not as a sterile formula but as a practical process that you can follow without the guilt or perfectionism so many Christians wrestle with. Don't settle for complacency. Accept the challenge Renovation of the Heart offers to become an intentional apprentice of Jesus Christ, changing daily as you walk with Him.

Bestselling author Timothy Keller and legal scholar John Inazu bring together a thrilling range of artists, thinkers, and leaders to provide a guide to faithful living in a pluralistic, fractured world. How can Christians today interact with those around them in a way that shows respect to those whose beliefs are radically different but that also remains faithful to the gospel? Timothy Keller and John Inazu bring together illuminating stories—their own and from others—to answer this vital question. Uncommon Ground gathers an array of perspectives from people thinking deeply and working daily to live with humility, patience, and tolerance in our time. Contributors include: Lecrae Tish Harrison Warren Kristen Deede Johnson Claude Richard Alexander Shirley Hoogstra Sara Groves Rudy Carrasco Trillia Newbell Tom Lin Warren Kinghorn Providing varied and enlightening approaches to reaching faithfully across deep and often painful differences, Uncommon Ground shows us how to live with confidence, joy, and hope in a complex and fragmented age. "Loving engagement with folks with whom we disagree does not come easily for many of us with strong Christian convictions. Tim Keller and John Inazu are not only models for how to do this well, but in this fine book they have gathered wise conversation partners to offer much needed counsel on how to cultivate the spiritual virtues of humility, patience, and tolerance that are necessary for loving our neighbors in our increasingly pluralistic culture." -- Richard Mouw, Professor of Faith and Public Life, Fuller Theological Seminary "For anyone struggling to engage well with others in an era of toxic conflict, this book provides a framework, steeped in humility, that is not only insightful but is readily actionable. I'm grateful for the

vulnerability and wisdom offered by each of the twelve leaders who contributed to this book. The task of learning to love well - neighbors and enemies alike - is long and urgent, and it can be costly. And yet, as this book shows us, because it is the work of Jesus, we can pursue this love with great hope." -- Gary A. Haugen, founder and CEO, International Justice Mission

Renovation of the Heart Derek Prince Ministries

Let's face it. Church isn't working. We hear sermons about the abundant life Jesus promised, but how many of us are actually living it? How many of our churches are thriving? How many people in our congregations are experiencing God's blessings? Maybe it's time to call it quits. Quit church? Well, not exactly. Drawing from his experience coaching hundreds of churches toward true growth, Chris Sonksen calls on us to quit our casual, cultural commitment to church as we know it. No more half-hearted attempts to win the favor of God and other people by doing the right thing. No more doing things out of a sense of duty. Instead, Sonksen reveals the spiritual habits that release the blessings of God, both on each individual and on the church. He explains why we struggle to put these practices into action and gives practical solutions to move us forward into health, growth, and maturity.

Rejection. It's a horrible feeling that you don't quite match up, that you're forever falling short, that you'll never live up to others' expectations. We've all faced it, whether it's being last-pick for the softball team at school, being overlooked for a promotion at work, or being excluded from a group of friends. Sometimes the rejection runs even deeper. Feelings of loneliness and inadequacy are hard to handle. The good news is there's a remedy. It's in Jesus Christ, who faced the ultimate rejection and therefore knows how it feels. In bearing our sins, He was rejected by the Father and by us, His own creation, as well. He knows how it hurts. Because He faced that pain, we no longer need to. He's planned another life for us, a life of acceptance in His family and freedom from rejection. Let go of the shame and enjoy the Father's embrace today.

"Why do I still struggle if I'm faithfully following God?" We all face challenges. On any given day, the problems of real life can take our breaths away. Our marriages, finances, relationships, and health are regular struggles, and that's just the beginning. Doesn't the Bible say the war has already been won? So why do we still battle? In a down-to-earth, let's-get-real approach, popular Bible teacher Havilah Cunnington cuts through the confusion and shows us how to Discern whether we're dealing with battles within ourselves, resistance from God, or genuine fights with the Devil. Throw off misconceptions about spiritual warfare, and understand what Jesus really said about our spiritual authority and the certainty we have in him. Ask the right questions and build a realistic battle plan to win one day at a time. With humor and honesty, Cunnington lays out practical tools to thrive in the face of hardship, enabling us to walk forward in the confidence that, because of Jesus, we really are stronger than the struggle.
