Make
workplace
conflict
resolution a
game that
EVERYBODY

wins! Recent studies show that typical managers devote more than a quarter of their time to resolving coworker disputes. The Big Book of Conflict-Resolution Games offers

a wealth of activities and exercises for groups of any size that let you manage your business (instead of managing personalities). Part of the acclaimed, bestselling Big Books series,

this guide offers step-by-step directions and customizable tools that empower you to heal rifts arising from ineffective communication, cultural/personality clashes, and other specific problem areas—before they affect your organization's bottom line. Let *The Big Book of Conflict-Resolution Games* help you to: Build trust Foster morale Improve processes

Overcome diversity issues And more Dozens of physical and verbal activities help create a safe environment for teams to explore several common forms of conflict—and their resolution. Inexpensive, easy-to-implement, and proved effective at Fortune 500 corporations and mom-and-pop businesses alike, the exercises in *The Big Book of Conflict-Resolution*

Games delivers everything you need to make your workplace more efficient, effective, and engaged. *Swallowing Stones* Vintage You can't change the past. . . . When Michael fires his new rifle into the air on his seventeenth birthday, he never imagines that the bullet will end up killing someone. But it does—and Michael's world is changed forever. Desperate, he

wrestles with his guilt and keeps silent as his life begins to fall apart. When Jenna's father is killed in a freak Fourth of July accident, she's devastated. As she grieves, she tries to understand why she no longer feels comfortable with her boyfriend, Jason, and why a guy named Michael keeps appearing in her dreams. . . . Swallowing Stones is a haunting novel about choices . . .

and devastating consequences .

The Red Pony

Harper Collins
A Chinese peasant overcomes the forces of nature and the frailties of human nature to become a wealthy landowner.

Resisting the Forces of Neoliberalism

Grove/Atlantic, Inc.

Maus I: A Survivor's Tale and Maus II - the complete story of Vladek Spiegelman and his wife, living and surviving in

Hitler's Europe. By addressing the horror of the Holocaust through cartoons, the author captures the everyday reality of fear and is able to explore the guilt, relief and extraordinary sensation of survival - and how the children of survivors are in their own way affected by the trials of their parents. A contemporary classic of immeasurable significance. A Raisin in the Sun Alfred A.

<p>Knopf Books for Young Readers Shocking and controversial when it was first published in 1939, Steinbeck's Pulitzer prize-winning epic remains his undisputed masterpiece. It tells of the Joad family who travel West in search of the promised land, and find only broken dreams. <i>The Good Earth</i> Penguin The amazing New York Times bestseller about what you can do when life</p>	<p>gives you a second chance. <u>The Lincoln Highway</u> Houghton Mifflin Harcourt A Newbery Honor-winning author ("The Watsons Go to Birmingham") delivers a heart-wrenching, suspenseful novel of one unforgettable family caught up in the turbulent days of the Great Depression. <u>Crispin</u> G K Hall & Company The advanced technology of a house first pleases then increasingly</p>	<p>terrifies its occupants. <u>Twelve Angry Men</u> D & M Publishers A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called <i>East of Eden</i> "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling</p>
---	--	---

and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck’s later years, *East of Eden* is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring

themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love’s absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah’s Book Club back, *East of Eden* has remained vitally present in American culture for over half a century. **Of Mice and Men** Chappell Plays National

bestseller 2017 National Book Critics Circle (NBCC) Finalist ABA Indies Introduce Winter / Spring 2017 Selection Barnes & Noble Discover Great New Writers Spring 2017 Selection ALA 2018 Notable Books Selection An intimate and poignant graphic novel portraying one family’s journey from war-torn Vietnam, from debut author Thi Bui. This beautifully illustrated and

emotional story is an evocative memoir about the search for a better future and a longing for the past. Exploring the anguish of immigration and the lasting effects that displacement has on a child and her family, Bui documents the story of her family's daring escape after the fall of South Vietnam in the 1970s, and the difficulties they faced building new lives for themselves. At the heart of

Bui's story is a universal struggle: While adjusting to life as a first-time mother, she ultimately discovers what it means to be a parent—the endless sacrifices, the unnoticed gestures, and the depths of unspoken love. Despite how impossible it seems to take on the simultaneous roles of both parent and child, Bui pushes through. With haunting, poetic writing and

breathhtaking art, she examines the strength of family, the importance of identity, and the meaning of home. In what Pulitzer Prize-winning novelist Viet Thanh Nguyen calls “a book to break your heart and heal it,” *The Best We Could Do* brings to life Thi Bui's journey of understanding, and provides inspiration to all of those who search for a better future while longing for a simpler past. [Under the Feet of Jesus](#)

CreateSpace
Over seventy-five years since its first publication, Steinbeck's tale of commitment, loneliness, hope, and loss remains one of America's most widely read and taught novels. An unlikely pair, George and Lennie, two migrant workers in California during the Great Depression, grasp for their American Dream. They hustle work when they can, living a hand-to-mouth

existence. For George and Lennie have a plan: to own an acre of land and a shack they can call their own. When they land jobs on a ranch in the Salinas Valley, the fulfillment of their dream seems to be within their grasp. But even George cannot guard Lennie from the provocations, nor predict the consequences of Lennie's unswerving obedience to the things George taught him. Of Mice

and Men""represents an experiment in form, which Steinbeck described as "a kind of playable novel, written in a novel form but so scened and set that it can be played as it stands." A rarity in American letters, it achieved remarkable success as a novel, a Broadway play, and three acclaimed films. This edition features an introduction by Susan

Shillinglaw. A Novel Penguin "Created by Harvard students for students everywhere"-- Page 4 of cover. <i>Restart</i> Simon and Schuster A Time Best YA Book of All Time (2021) In this "searing work of historical fiction" (Booklist), Coretta Scott King Award- winning author Sharon M. Draper tells the epic story of a young girl torn from her African village, sold into slavery, and stripped of	everything she has ever known—except hope. Amari's life was once perfect. Engaged to the handsomest man in her tribe, adored by her family, and fortunate enough to live in a beautiful village, it never occurred to her that it could all be taken away in an instant. But that was what happened when her village was invaded by slave traders. Her family was brutally murdered as	she was dragged away to a slave ship and sent to be sold in the Carolinas. There she was bought by a plantation owner and given to his son as a "birthday present". Now, survival is all Amari can dream about. As she struggles to hold on to her memories, she also begins to learn English and make friends with a white indentured servant named Molly. When an opportunity to escape
--	---	--

presents itself, Amari and Molly seize it, fleeing South to the Spanish colony in Florida at Fort Mose. Along the way, their strength is tested like never before as they struggle against hunger, cold, wild animals, hurricanes, and people eager to turn them in for reward money. The hope of a new life is all that keeps them going, but Florida feels so far away and sometimes Amari

wonders how far hopes and dreams can really take her. East of Eden Penguin
A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, The Things They Carried is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. The Things They Carried depicts the men of Alpha

Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American

and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. The Things They Carried won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award. The Book of God Spark Novelette

depicting the Norwegian people's staunch resistance to the Nazi occupation. Tears of a Tiger Dramatic Publishing Three boys struggle to come to terms with the death of a friend in a drunk-driving auto accident in which all four were involved, in a story told through newspaper stories, diary entries, school announcements, telephone conversations, and classroom assignments. **The Mighty**

Miss Malone Penguin For use in schools and libraries only. Accused of a crime he did not commit, Crispin has been declared a "wolf's head." That means he may be killed on sight, by anyone. If he wishes to remain alive, he must flee his tiny village. *A Novel Of Mice and Men* This is the first book not only to detail the relationships neoliberalism encourages us to have but also to see how friendship

can provide a bulwark of resistance to it. Written in an engaging style, it will be understandable to political theorists, philosophers, social scientists, and cultural theorists.

Zondervan Anton Pavlovich Chekhov, (29 January 1860 - 15 July 1904) was a Russian physician, dramaturge and author who is considered to be among the greatest writers of short stories in history. His

career as a dramatist produced four classics and his best short stories are held in high esteem by writers and critics.

Chekhov practised as a medical doctor throughout most of his literary career: "Medicine is my lawful wife", he once said, "and literature is my mistress." Chekhov renounced the theatre after the disastrous reception of *The Seagull* in 1896, but the

play was revived to acclaim in 1898 by Constantin Stanislavski's Moscow Art Theatre, which subsequently also produced Chekhov's *Uncle Vanya* and premiered his last two plays, *Three Sisters* and *The Cherry Orchard*.

These four works present a challenge to the acting ensemble as well as to audiences, because in place of conventional action Chekhov offers a "theatre of

mood" and a "submerged life in the text." Chekhov had at first written stories only for financial gain, but as his artistic ambition grew, he made formal innovations which have influenced the evolution of the modern short story. His originality consists in an early use of the stream-of-consciousness technique, later adopted by James Joyce and other modernists, combined with a disavowal of

the moral finality of traditional story structure. He made no apologies for the difficulties this posed to readers, insisting that the role of an artist was to ask questions, not to answer them. Always modest, Chekhov could hardly have imagined the extent of his posthumous reputation. The ovations for the play, *The Cherry Orchard*, in the year of his death showed him how high he had risen in the

affection of the Russian public—by then he was second in literary celebrity only to Tolstoy, who outlived him by six years—but after his death, Chekhov's fame soon spread further afield. Constance Garnett's translations won him an English-language readership and the admiration of writers such as James Joyce, Virginia Woolf, and Katherine Mansfield. The

issues surrounding the close similarities between Mansfield's 1910 story "The Child Who Was Tired" and Chekhov's "Sleepy" are summarised in William H. New's Reading Mansfield and Metaphors of Reform The Russian critic D.S. Mirsky, who lived in England, explained Chekhov's popularity in that country by his "unusually complete rejection of what we may call the heroic

values." In Russia itself, Chekhov's drama fell out of fashion after the revolution but was later adapted to the Soviet agenda, with the character Lopakhin, for example, reinvented as a hero of the new order, taking an axe to the cherry orchard. One of the first non-Russians to praise Chekhov's plays was George Bernard Shaw, who subtitled his Heartbreak House "A Fantasia in the Russian

Manner on English Themes" and noted similarities between the predicament of the British landed class and that of their Russian counterparts as depicted by Chekhov: "the same nice people, the same utter futility." A Drama in Three Acts Wendy Lamb This blistering novel—from the bestselling, Pulitzer Prize-winning author of *The Road*—returns to the Texas-Mexico border, setting

<p>of the famed Border Trilogy. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million</p>	<p>dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law-in the person of aging, disillusioned Sheriff Bell-can contain. As Moss tries to evade his pursuers-in particular a mysterious</p>	<p>mastermind who flips coins for human lives-McCarthy y simultaneousl y strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning's headlines. No Country for Old Men is a triumph.</p>
