The Usborne Book of Greek Myths  
Usborne Books

A sticker book for young children packed with colourful pirate scenes. It contains over 150 stickers which can be used to complete busy scenes of pirate life above and below deck. It lets you witness a pirate battle, find buried treasure, and build your own sticker pirate ship.

Growing Up for Boys Usborne Publishing

A stylish colouring book with simple, attractive pictures and abstract patterns to colour.

Dot-to-Dot in Space Usborne Pub Limited  
Girls can unleash their creativity in this jam-packed drawing, doodling and colouring book, sure to provide hours of fun. Doodle fluttering butterflies, design outfits, decorate snail shells, fill a page with rainbows, colour in Russian dolls and lots, lots more. A perfect pastime for the school holidays.

*Big Book of Things to Draw* Usborne Books

Provides games and riddles aimed at

improving critical thinking, creativity, math skills, logic, verbal skills, and memory.

*Big Colouring Book* Usborne Books  
Peep under seaweed and waves and into rock pools to discover all the delights of the seashore in this little book. What does a limpet look like in its shell? What's inside a pelican's bulging beak? What is a sea otter cuddling as it floats on its back? From bugs in the sand dunes to turtles hatching on a moonlit beach, this book explores seashores from all around the world. Shaped flaps and die-cut peep holes encourage little children to find information about the seashore for themselves. The charmingly written simple information is a joy for young children to expand their knowledge of the natural world and

adults might learn a thing or two as well! (Did you know that baby puffins are called pufflings?)

The Usborne Reading Collection (Yellow Set) Usborne Early Years Wipe-clean

Peep Inside: Peep Inside the Seashore R. Bowker

A number book like no other, introducing children to the significance of different numbers and the things they are associated with. Did you know that an octopus has 3 hearts, every snowflake has 6 points, giraffes have 7 bone in their necks, cloud cover is measure in 'oktas' from 0 to 8, and that 9 is lucky in China (but unlucky in Japan)? An unusual approach to a numbers book and a gorgeous and slightly eccentric illustration style will make this title stand out in a crowded retail environment. By the team who worked together on the acclaimed My First 100 Words Book, Count to 100 and the award-winning Big Book of Colours (winner of the School Library Association's Under 7 Children's Choice Award 2016). An effortless and enjoyable way for children to learn about

topics as diverse as fractions, counting, shapes, measuring, music, dates, animals, space, sports, geography and mythology through the magic of numbers.

Big Book of the Body Usborne Publishing Ltd

A brilliant activity pad with 30 tear-off sheets, each featuring an elaborate, colourful dot-to-dot puzzle. Puzzles to complete include aliens, planets and astronauts in space, monsters lurking in a sludgy swamp, a sunny seaside scene and lots more. Each page also includes things to spot and other details to fill in. Sure to keep children entertained during holidays, rainy days, and other quiet times, and large enough to be shared. This compact new edition of 9781409581260 will fit neatly into

bookshelves. Perfect for toyshops and gift shops, as well as bookshops.

*The Usborne Big Book of Sea Creatures*  
Usborne
