We ride our bikes to work and around town. We ride our bikes in the peloton, on the trails and down the mountains. It's this passion and participation that leads to many of the innovations seen in our products. We hope you enjoy them as much as we do. Service Resources - RockShox | SRAM Servicing RockShox suspension requires knowledge of suspension components as well as the special tools and fluids used for service. Used suspension fluid should be recycled or disposed of in accordance to local and federal regulations. NEVER pour suspension fluid down a sewage or drainage system or into the ground or a body of water.
