Then Master Reynst loses his fortune on a bad investment, and everything changes. The house is sold to creditors, leaving Jana back on the street and Sontje without a future. With no other

I went to a depraved club and came out pregnant by my best

friend's dad. Some girls have all the luck. They meet their man, get married, and start cranking out babies. But I'm not like that. I like things a little different, so I go to the place that satisfies those dark desires: The Cube. What we do in the club is off-limits and taboo to normal society, but it scratches an itch I have deep inside. Unfortunately, one night I meet a man at the Cube who takes my

breath away. He's just as dark, dangerous and twisted as me, but then his mask falls away ... AND IT'S MY BEST FRIEND'S DAD! Omg, I've had a crush on Brent Marshall for years. And now he's being naughty with me, his daughter's childhood buddy. What do we do? Or more accurately, what happens when I get pregnant from our illicit encounter? Hold onto your horses because Jane

Cuesta is a bad girl. She's got an innocent exterior, but the curvy girl likes things a certain way and Brent Marshall is just the man to give her what she needs. Sure, he's known her since she was practically a baby, but that's why it's so forbidden ... and so mind-blowingly yummy! No cheating, no cliffhangers, and always a HEA for my readers. This book features characters

that initially appeared in My Dad's Business Partner, but both books are standalones and can be read on their own. You'll love them, I promise!

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been

taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon

finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the

Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling

piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.
