Extreme Measures Simon and Schuster
 In this special collectors' edition, relive the action in Vince Flynn's #1 New York Times bestselling political thrillers: Term Limits, Transfer of Power, and The Third Option. Term Limits In one bloody night, three of Washington's most powerful politicians are executed with surgical precision. Their assassins then deliver a shocking ultimatum: set aside partisan politics and restore power to the people. A joint FBI-CIA task force reveals the killers are elite military commandos. Only Michael O'Rourke, a former U.S. Marine and freshman congressman, holds a clue to the violence: a

haunting incident in his own past with explosive implications for his country's future. Transfer of Power On a busy Washington morning, the stately calm of the White House is shattered as terrorists gain control of the executive mansion, slaughtering dozens of people, taking hundreds hostage, and threatening the life of the president. One man is sent in to take control of the crisis. Mitch Rapp, the CIA's top counterterrorism operative, makes a chilling discovery that could rock Washington to its core: someone within his own government wants his rescue attempt to fail. The Third Option CIA counterterrorism operative Mitch Rapp falls prey to government forces with an agenda of their own after Dr. Irene Kennedy is named the successor to dying CIA Director Thomas Stansfield -- a choice that enrages many inside the world's most powerful intelligence agency. Her detractors will resort to extreme measures to prevent her from taking the reins, which makes Rapp an expendable asset. But Mitch Rapp is no one's pawn, and he will stop at nothing to find out who has set him up.

The Vince Flynn Reader's Companion Simon and Schuster

For ten years Mitch Rapp has fought on the frontline of the War on Terror. His bold actions have saved the lives of thousands -- but in the process his list of enemies has grown inexorably. There are even those within his own government who would like to see him eliminated. Thousands of miles away, the influential father of a dead terrorist demands retribution for the death of his son. He wants Rapp dead -- and his hate-filled plea has found sympathetic ears. In the tangled, duplicitous world of espionage, there are those, even among America's allies, who feel Rapp has grown too effective. They've been looking for an excuse to eliminate America's No 1 counterterrorism operative -- and they've decided to seize the chance. The Hunter has become the Hunted. A tragedy of unimaginable proportions is about to befall Mitch Rapp -- and he must use all his cunning, skill and ruthless determination to stay alive and seek vengeance against the traitor who would bring him down.

The Men of Medicine

Ridge Simon and Schuster

Oath of Loyalty Simon and Schuster

Mitch Rapp #16, following ORDER TO KILL. After 9/11, the US made one of the most secretive and dangerous deals in its history. The evidence against the powerful Saudis who coordinated the attack would be buried. In return, King Faisal would promise to keep the oil flowing and deal with the conspirators in his midst. When the king's own nephew is discovered funding ISIS, the president suspects that the Saudis never intended to live up to their agreement. He decides that the royalty needs to be sent a message and that Mitch Rapp is just the man to deliver it. The catch? America can't be seen moving against an ally. *Transfer of Power* Simon and Schuster
With a new CIA director and chaos and devastation looming in

the Middle East, counterterrorism operative Mitch Rapp is called into action.

Consent to Kill Simon and Schuster

The brand new Covert-One thriller from a master storyteller and global bestseller. When a US Special Forces team is wiped out by a group of normally peaceful farmers in Uganda, Covert-One operative Jon Smith is sent to investigate. Video of the attack shows even women and children possessing almost supernatural speed and strength, consumed with a rage that makes them immune to pain, fear and all but the most devastating injuries. Smith finds evidence of a parasitic infection that for centuries has been causing violent insanity and then going dormant. This time, though, it's different. And as Smith and his team are cut off from all outside support, they begin to suspect that forces much closer to home are in play...

Separation of Power

Simon and Schuster

On a busy Washington morning, amid the shuffle of tourists and the brisk rush of government officials, the stately calm of the White House is shattered in a hail of

gunfire. A group of terrorists has descended on the Executive Mansion, and gained access by means of a violent massacre that has left dozens of innocent bystanders murdered. The president is evacuated to his underground bunker - but not before almost one hundred hostages are taken. While the politicians and the military leaders argue over how to negotiate with the terrorists, one man is sent to break through the barrage of panicked responses and political agendas surrounding the crisis. Mitch Rapp, the CIA's top counterterrorism agent, makes his way into the White House and soon discovers that the president is not as safe as Washington's power elite had thought. And, in a race against time, he makes a chilling discovery that could determine the fate of America - and realizes that the terrorist attack is only the beginning of a master scheme to undermine an entire nation. Look out for the new Vince Flynn novel, *The Survivor*, published in autumn 2015!

Pursuit of Honor Simon and Schuster

This instant #1 New York Times bestseller and

“modern techno-thriller” (New York Journal of Books) follows Mitch Rapp in a race to prevent Russia’s gravely ill leader from starting a full-scale war with NATO. When Russian president Maxim Krupin discovers that he has inoperable brain cancer, he’s determined to cling to power. His first task is to kill or imprison any of his countrymen who can threaten him. Soon, though, his illness becomes serious enough to require a more dramatic diversion—war with the West. Upon learning of Krupin’s condition, CIA director Irene Kennedy understands that the US is facing an opponent who has nothing to lose. The only way to avoid a confrontation that could leave millions dead is to send Mitch Rapp to Russia under impossibly dangerous orders. With the Kremlin’s entire security apparatus hunting him, he must find and kill a man many have deemed the most powerful in the world. Success means averting a war that could consume all of Europe. But if his mission is discovered, Rapp will plunge Russia and America into a conflict that neither will survive in “a timely,

explosive novel that shows yet again why Mitch Rapp is the best hero the thriller genre has to offer” (The Real Book Spy).
