## WELCH BAKER

**The Boot Camp** Scholastic Inc.

During the Spanish colonization of Mexico, a young girl invents a diving bell to save her brother and her people.

*Can't Get There from Here* Zondervan

"[H]aunting and harrowing." —Booklist (starred review) "Vivid, distressing, and all too real." —Kirkus Reviews In this 20th anniversary edition of Todd Strasser's gut-wrenching and critically acclaimed *Give a Boy a Gun*, two boys bring guns to school in search of revenge against their classmates. For as long as they can remember, Brendan and Gary have been mercilessly teased and harassed by the jocks who rule Middletown High. But not anymore. Stealing a small arsenal of guns from a neighbor, they take their classmates hostage at a school dance. In the panic of this desperate situation, it soon becomes clear that only one thing matters to Brendan and Gary: revenge. This special 20th anniversary edition includes updated backmatter and statistics on school shootings—a topic that is now more relevant than ever.

*How I Changed My Life* iUniverse

When Nick and Kia are invited to former Toronto Raptor Jerome "Junk Yard Dog" Williams' basketball camp in Washington, DC, they quickly discover that this is no ordinary summer hoop camp. This is a basketball boot camp that focuses on discipline and hard work. Jerome and Johnnie's father, "Sergeant Push-up" to the campers, is the no-nonsense camp director. When scrimmages begin, Nick and Kia fall victim to the antics of their teammate Jamal, a talented but troubled player who tries to win games on his own. Only after some hard lessons—and some tough losses—do the three youngsters learn that it takes everyone on the team to accomplish real success.

*Snitch* Simon and Schuster

NEW YORK TIMES BESTSELLER • Turn: Washington's Spies, now an original series on AMC Based on remarkable new research, acclaimed historian Alexander Rose brings to life the true story of the spy ring that helped America win the Revolutionary War. For the first time, Rose takes us beyond the battlefield and deep into the shadowy underworld of double agents and triple crosses, covert operations and code breaking, and unmasks the courageous, flawed men who inhabited this wilderness of mirrors—including the spymaster at the heart of it all. In the summer of 1778, with the war poised to turn in his favor, General George Washington desperately needed to know where the British would strike next. To that end, he unleashed his secret weapon: an unlikely ring of spies in New York charged with discovering the enemy's battle plans and military strategy. Washington's small

band included a young Quaker torn between political principle and family loyalty, a swashbuckling sailor addicted to the perils of espionage, a hard-drinking barkeep, a Yale-educated cavalryman and friend of the doomed Nathan Hale, and a peaceful, sickly farmer who begged Washington to let him retire but who always came through in the end. Personally guiding these imperfect everyday heroes was Washington himself. In an era when officers were gentlemen, and gentlemen didn't spy, he possessed an extraordinary talent for deception—and proved an adept spymaster. The men he mentored were dubbed the Culper Ring. The British secret service tried to hunt them down, but they escaped by the closest of shaves thanks to their ciphers, dead drops, and invisible ink. Rose's thrilling narrative tells the unknown story of the Revolution—the murderous intelligence war, gunrunning and kidnapping, defectors and executioners—that has never appeared in the history books. But Washington's Spies is also a spirited, touching account of friendship and trust, fear and betrayal, amid the dark and silent world of the spy.

*Blood on My Hands* Flamingo Fiction 9-13s

this book is a magical journey through life from the beginnings of time to the birth of a child and the adventure that we take on our way to the grave and beyond to the stars it is a celebration of being human and all of the beautiful things that is in between. if you like books that are about: why we are here how we are made babies shedding their baby legs and growing their child legs the innocence of childhood the warmth of papas back teen life body hare the first kiss falling in love being alone the gift of a feather tales of witches saturday nights monday mornings the mystery of old peoples earlobes death ghosts and the meaning of life then this book is for you because inside of this book there is all of those things and after reading about 5 pages of it you will be the main expert of human life and there will be nothing in this world that you will not know love from your friend chris (simpsons artist) xox

*Teen Angst? Naaah . . .* Simon and Schuster

In *Teen Angst! Naaah . . .* Ned Vizzini offers an authentic and raw portrayal of the crushing anxiety many teens experience, and which often is dismissed as simple 'angst'. In this classic testament to high school, Ned invites you into his world of school, parents, cool (and almost cool), music (the good and bad), friends, fame, camp, sex (sort of), Cancún (almost), prom, beer, video games, and more. With wit, irony, and honesty, Vizzini presents the weird, funny, and sometimes mortifying moments that made up his teen years. From the author of Broadway musical sensation *Be More Chill* and *It's Kind of a Funny Story*, this is a quasi-autobiographical examination of one high schooler's battle with social anxiety, written when the author was just nineteen. "Fiercely intelligent and introspective . . . Insightful,

and thoroughly charming." —SLJ

**The Wave** MP Publishing

Impact Zone: The most dangerous part of the wave You gotta beat it...or you'll eat it. Ever since he went up against the locals and broke into the lineup, Kai has had his own crew. Spazzy is a summer kid with a lot of fancy gear. He looks like a total shubee. But on the board he's good, really good -- despite everything going against him. The Spazz wants to be in the local competition, but he can't do it without Kai. Kai knows there's no way Spazzy can win against Lucas, the local hero. But Kai would never let a brah down....

*Give a Boy a Gun* Simon and Schuster

At a high school party, a girl finds her best friend murdered, only to be discovered holding the weapon and accused of the crime.

*Washington's Spies* Simon Pulse

In a gripping novel with a plot pulled from the headlines, Todd Strasser turns his attention to gang life in the inner-city projects. DeShawn is a teenager growing up in the projects. Most of his friends only see one choice: join up to a gang. DeShawn is smart enough to want to stay in school and make something more of himself, but when his family is starving while his friends have fancy bling and new sneakers, DeShawn is forced to decide--is his integrity more important than feeding his family?

*How I Created My Perfect Prom Date* Trapeze

I'll begin with Lucy. She is definitely first on the list. You can't believe how it feels to be in the cafeteria and turn around and there she is staring at me like I'm some disgusting bug or vermin. Does she really think I WANT to be this way? I hate you, Lucy. I really hate you. You are my #1 pick. I wish you were dead. The day after anonymous blogger Str-S-d wishes the popular girl would die, Lucy vanishes. The students of Soundview High are scared and worried. Especially frightened and wracked with guilt is Madison Archer, Lucy's friend and the last person to see her the night she disappeared. As days pass with no sign of the missing girl, even the attention of Tyler, an attractive new student, is not enough to distract Madison from her growing sense of foreboding. When two more popular students disappear after their names are mentioned on Str-S-d's blog, the residents of Soundview panic. Meanwhile, Madison receives anonymous notes warning that she could be next. Desperate to solve the mystery before anyone else disappears, Madison turns to Tyler, but can she trust him when it becomes clear that he knows more than he's sharing? The clock is ticking. Madison must uncover the truth behind the mysterious disappearances . . . before her name appears in Str-S-d's blog. In the spirit of stories like *I Know What You Did Last Summer*, Todd Strasser updates the teen thriller for the techno age with *Wish You Were Dead*.

*Cut Back* Ember

The New York Times Bestseller! "An absolute page turner, I'm Not Dying with You Tonight is a compelling and powerful novel that is sure to make an impact." —Angie Thomas, New York Times bestselling author of *The Hate U Give* An NAACP Image Award Nominee, *I'm Not Dying with You Tonight* follows two teen girls—one black, one white—who have to confront their own assumptions about racial inequality as they rely on each other to get through the violent race riot that has set their city on fire with civil unrest. Lena has her killer style, her awesome boyfriend, and a plan. She knows she's going to make it big. Campbell, on the other hand, is just trying to keep her head down and get through the year at her new school. When both girls attend the Friday-night football game, what neither expects is for everything to descend into sudden mass chaos. Chaos born from violence and hate. Chaos that unexpectedly throws them together. They aren't friends. They hardly understand the other's point of view. But none of that matters when the city is up in flames, and they only have each other to rely on if they're going to survive the night. This book is perfect for: Sparking conversations about prejudice and the racial tension that exists in America Parents and educators looking for multicultural and African American books for teens Fans of Nic Stone, Angie Thomas, and Jason Reynolds Additional Praise for *I'm Not Dying with You Tonight*: "A vital addition to the YA race relations canon." —Nic Stone, New York Times bestselling author of *Dear Martin* "An astounding achievement. This novel is an incendiary experience, one that does not shy away from difficult questions about privilege and violence. But Jones and Segal don't hold our hands to provide us easy answers; this is a book meant to be devoured in a single sitting and discussed for years to come." —Mark Oshiro, author of *Anger is a Gift* "I'm Not Dying With You Tonight is a powerful

examination of privilege, and how friends are often found in surprising places. Jones and Segal have penned a page-turning debut, as timely as it is addictive." —David Arnold, New York Times bestselling author of *Mosquitoland* and *Kids of Appetite*

#### **The Pigman** Simon and Schuster

A sharp, dark, humorous debut about a teenage commando wannabe who runs amok in a boot camp for juvenile delinquents. Fourteen-year-old Loren is obsessed with all things military: Special Forces, secret missions, rules, and regulations — it's all so finite and orderly. Especially compared to other parts of Loren's life. His mom, for example, keeps introducing him to a string of loser boyfriends, and the latest one, the golf pro, is so irritating that Loren decides to stage a night raid and vandalize his beloved golf course. When the mission goes embarrassingly awry, Loren's mom sends him to 'Camp Ascend!', where a dedicated staff of specialists are trained to whip 'mixed-up' teens back into shape. Or so it seems. What Loren's mom doesn't know — and what Loren soon discovers — is that 'Camp Ascend!' is actually a scam run by an ex-con nicknamed 'the Colonel', his ditzzy, overly tanned wife, and her manic, kid-hating brother. And so Loren finally has a real-life mission: to free himself and his new posse of delinquent friends from 'Camp Ascend!' and to take the place down.
