This popular and reliable series is aimed at all students preparing to sit their IELTS exams. It retains many of the features which make this series so popular: clear grammar explanations, themed vocabulary units to contextualise words and phrases, and a variety of exercise types to provide plenty of practice. This is the ideal accompaniment for any IELTS student or preparation class.

Complete CAE Class Audio CDs (3) The  
Gestalt Journal Press

Also based on the highly-successful  
Language Practice Series, this low-level

grammar practice book presents basic grammar in easy-understand explanations with cartoons and diagrams to help at this early stage in learning English. A variety of exercise types are used to give thorough practice of form and meaning with regular revision units to consolidate students' knowledge. 15 units of learning and practicing topic-related vocabulary are included as well as sections dealing with spelling rules.

### **Advanced Language Practice**

Macmillan Elt

This book is part of the Macmillan English

Grammar In Context series, a three-level grammar practice series with a difference. Incorporating contextual examples in grammar practice activities, Macmillan English Grammar In Context is a grammar book that can be used in both the classroom and for self-study. Key Features: Grammar explanations with traditional practice activities and contextual examples Cross-curricular content areas include: literature science, geography, history and social sc

Practical Faster Reading provides the basis for a reading improvement course lasting a total of 30 class hours and has proved popular with students and teachers in a variety of settings. Thirty passages covering a wide range of topics of general interest and accompanying exercises give practice in the reading skills needed at upper-intermediate and more advanced levels. Substantial increases in reading speed are usually attained with improvements in comprehension and vocabulary. The full answer key for self-

checking also makes this useful for the student working alone.

### **English Grammar and Vocabulary**

Cambridge University Press

In stripping away the flowery language, the sugar coating so to speak, the author is aware that he is presenting Self Enquiry as the challenging Practice it is designed to be, directly, "in the raw". But then this will take you to an important question: Who or what is being challenged? What is it within you that creates this resistance, doubt and fear? This is your first opportunity to go to the source, to step back from this anxiety and concern and see it for what it is: the many-layered mind with all its attachments continuing its game-playing in an effort to remain in control. In being prepared to swallow what seems to be a bitter pill you are taken directly to what matters: the path to Truth.

English Jackpot!: 1 Cambridge University Press

"I came into this body with no-thing: without my name, my mind, my ego and without any material thing. It is assured that I will leave this body with no-thing. What is the nature of this "I" which existed before all these things were attached to

it.....? What is the nature of this Consciousness, this Awareness, that existed as "I" before entering this body? Who is this "I" that I am? Who amongst us will dare to ask.....?" If you would reflect on "Who am I?" in your search for Self Realisation this small volume may be the invitation you seek and the map you require on your personal journey. The travelling may not be easy as you are invited to drop all the masks and kick away the crutches. But as the fog lifts and the clouds clear away you will become aware that the Realisation of True Self is the essential factor rendering as decoration and side show all other activities pursued in life. You have within you all that is required and membership of this club is guaranteed with endless benefits.....

Macmillan ELT

In Postcards from the Hedge, Jill Appenzeller reflects on life, family, and human nature in the context of her ever-changing garden. The book is a collection of vivid vignettes that span all four seasons as well as decades of memories both in and out of the garden.

*Highlight: Upper Intermediate Cambridge University Press*

Complete CAE is a course for the 2008 updated CAE exam. Informed by the Cambridge Learner Corpus and providing a complete CAE exam paper specially prepared by Cambridge ESOL, it is the most authentic exam preparation course available. This topic-based course covers every part of the CAE exam in detail, ensuring that students are fully equipped to tackle each part of every paper. The Class Audio CDs contain all the audio for the Students' Book.

*Advanced English Practice Wydawnictwo UJ*

A text offering practice material to students preparing for the Cambridge Advanced English examination. There are 30 units containing grammar explanation and practice, 20 developing and practising topic-related vocabulary and phrasal verbs, and ten working on expressions, idioms and word formation.

*The Crisis of Love in an Age of Disillusion Macmillan Elt*

Are top scorers really the most valuable players? Are games decided in the final few minutes? Does the team with the best

player usually win? Thinking Basketball challenges a number of common beliefs about the game by taking a deep dive into the patterns and history of the NBA.

Explore how certain myths arose while using our own cognition as a window into the game's popular narratives. New basketball concepts are introduced, such as power plays, portability and why the best player shouldn't always shoot.

Discover how the box score can be misleading, why "closers" are overrated and how the outcome of a game fundamentally alters our memory.

Behavioral economics, traffic paradoxes and other metaphors highlight this thought-provoking insight into the NBA and our own thinking. A must-read for any basketball fan -- you'll never view the sport, and maybe the world, the same again.

Keep Talking Macmillan

Get REA's newly updated grammar guide and workbook for intermediate and advanced ESL learners. This second edition is ideal for self-guided study or as a supplement to your ESL coursebook. If you're an ESL student who would like to make English a part of your everyday life,

ESL Grammar: Intermediate and Advanced is for you. The book is for anyone with a basic command of English grammar and vocabulary who wants to build their fluency and confidence. You will find this study guide and workbook to be an excellent resource that you can use as a supplement to your coursebook or on its own, whether you're at home, in school, or on the job. This new second edition expands the book's thorough coverage of the important intermediate and advanced grammar topics, with handy usage tips and easy-to-follow practice exercises in every section. The book has been enriched with current topics and examples designed to help you increase your fluency on your journey to mastering English as it's spoken by native speakers. We've included the most commonly confused words (including sound-alikes) to help you avoid the top mistakes English learners make. We show you how word families—groups of words formed from the same base or root word—will help you grow your vocabulary and understand what words mean even before you look them up in a dictionary. Many English words are borrowed from other world languages. This book will show

you how to have fun with useful “loanwords” while you improve your vocabulary. We've added a new chapter on “Technology in Our Life Today.” Here you will find clear definitions of frequently used computer and technology terms to help you communicate effectively in today’s digital world. Whether you’re in school, managing a household, or looking for a job to advance your career, this book will help you take command of English and express yourself with precision. Be sure to look for the companion volume, *ESL Writing: Intermediate and Advanced*, also by Mary Ellen Muñoz Page.

**ESL Grammar: Intermediate & Advanced** Macmillan ELT

This new edition is part of a popular series that provides an in-depth, detailed approach to English grammar and vocabulary. It is a thorough and comprehensive series that ensures students confidence with language through the progressive levels. Clear explanations of structures and examples of use, with an answer key. Extensive written and oral practice. Advanced grammar systematically revised and consolidated through a variety of

exercises in the CAE and new Proficiency (CPE) exam styles. *Comp My Mom is a Nurse* MacMillan Education, Limited

This practical book contains over 100 different speaking exercises, including interviews, guessing games, problem solving, role play and story telling with accompanying photocopiable worksheets.

*On Being You* Macmillan

Comprehensive course divided into 20 units, each focusing on a different grammar point. With glossary of grammar points, various exercises, illustrations, examples, and answers. Suitable for self-study, building vocabulary, and developing grammar skills.

*English Grammar and Vocabulary : with Key* TrineDay

This preparation book for the Cambridge advanced and proficiency exams provides coverage of the structures and vocabulary essential for exam success. Grammar is presented clearly and concisely in each unit with integrated vocabulary content, and varied and challenging exercises.

Essential with Key Edumond

Taking young learners from Beginner to Intermediate level, this three-stage ELT

course offers a variety of factual and fictional topics. It consists of student's books, workbooks, teacher's books and cassettes. Pupils meet crazy twins Patsy and Bob, the Round the World Kids, Gaz and Lex from outer space, and the time-travelling Time Twisters. They sing the songs of Skinny Jack, and learn about the real world with reporters Nick and Helen. The course also encourages pupils to talk and write about their world and ideas that interest them.

**A Simple Guide to Self Enquiry**

MacMillan Education, Limited

Only a few teachers, thinkers, and writers among Gestalt therapists have succeeded in extending its beautiful groundbreaking theory and practice which originally appeared in Perls, Hefferline & Goodman's Gestalt Therapy which published in 1951. Among this small group Jean-Marie Robine, who lives in Bordeaux, France, stands out as one of the most inventive and important figures on the current scene. Robine's special gift as a theorist is a sensibility that moves with ease from the philosopher's absorption in the task of fine-tuning concepts to the clinician's fascination with the nuances of feeling and

behavior. The essays in this book illuminate one facet of Gestalt therapy after another from fresh points of view. Despite Robine's taste for the philosophical, there are passages of personal reflection alongside samples drawn from individual and group sessions, so that one comes away from the book with a sense of intimate connection between his development as a theorist and his experience as a therapist. On the Occasion of an Other is a work of value for not only the Gestalt therapists, but also for all psychotherapists who use an existential-humanistic approach in their clinical practice.

**Macmillan English Grammar in**

**Context** John Hunt Publishing

Thousands of books and articles have been written about the murder of JFK, many of which are large in volume and short on facts. Quite often, these works try to reinvent the wheel, attempting to cover every single area of the assassination, as

well as many tangential and unessential points, as well. The reader is often left exhausted and confused. The sheer volume of pages, conflicting facts, and theories leaves one unsatisfied and, quite frankly, not sure exactly what did happen on 11/22/63. This book seeks to separate the wheat from the chaff. It is 55-plus years later: it is time for real, honest answers in an easy-to-read and understand format. Proof of a conspiracy; no theories; to-the-point; a perspective on the assassination for the millennial age and beyond. Based on years—decades—of primary source research and having read countless books on the subject.
