Education and Childcare T Level: Early Years Educator Nelson Thornes  
Written by a highly experienced and respected author team, this book focuses on the knowledge you will need in order to obtain the qualification, and will support you through your assessment and the start of your career. *Child Care and Education* Cengage Learning

Written specifically for the new CACHE Level 2 in Childcare and Education qualification, this book covers all of the mandatory and optional units.

**Child Care and Education** Hodder Education

Child Care and Early Education has been written as a course companion to all major level 3 childcare qualifications including the CACHE Diploma in Early Years Care and Education, S/NVQ Early Years Care and Education and BTEC National in Early Years. Written from a more practical angle than existing childcare texts, Child Care and Early Education successfully covers the theory associated with all aspects of care and education for the under eights. Suitable for use as a course textbook with a supervisor, college tutor or NVQ assessor, Child Care and Early Education will also be valuable for practitioners who want to extend their own practice. It offers advice on building your own portfolio, learning to use resources and continued professional development. Written in an accessible and lively style, Child Care and Early Education is up to

date on current childcare practice. It offers support, information and practical suggestions for practitioners in all types of early years and out of school care settings and also for readers working in a family home as nannies and childminders. Highly successful and established author Jennie Lindon offers different perspectives on some challenging issues often omitted from childcare texts.
