MASON MATHEWS

The Rules of Love & Grammar Houghton Mifflin Harcourt
We all know the basics of punctuation. Or do we? A look at most neighborhood signage tells a different story. Through sloppy usage and low standards on the internet, in email, and now text messages, we have made proper punctuation an endangered species. In *Eats, Shoots & Leaves*, former editor Lynne Truss dares to say, in her delightfully urbane, witty, and very English way, that it is time to look at our commas and semicolons and see them as the wonderful and necessary things they are. This is a book for people who love punctuation and get upset when it is mishandled. From the invention of the question mark in the time of Charlemagne to George Orwell shunning the semicolon, this lively history makes a powerful case for the preservation of a system of printing conventions that is much too subtle to be mucked about with.

The Glamour of Angie Estes's Poetry Little, Brown
In this wickedly humorous manual, language columnist June Casagrande uses grammar and syntax to show exactly what makes some sentences great—and other sentences suck. Great writing isn't born, it's built—sentence by sentence. But too many writers—and writing guides—overlook this most important unit. The result? Manuscripts that will never be published and writing careers that will never begin. With chapters on “Conjunctions That Kill” and “Words Gone Wild,” this lighthearted guide is perfect for anyone who's dead serious about writing, from aspiring novelists to nonfiction writers, conscientious students to cheeky literati. So roll up your sleeves and prepare to craft one bold, effective sentence after another. Your readers will thank you.

A Novel Little, Brown

An exploration of glamour, a potent cultural force that influences where people choose to live, which careers to pursue, where to

invest, and how to vote, offers empowerment to be smarter about engaging with the world.

Longing and the Art of Visual Persuasion Henry Holt and Company
Winner of the Gold Dagger for Best Crime Novel from the Crime Writers' Association (UK) Winner for Best International Crime Fiction from Australian Crime Writers Association An Instant New York Times Bestseller “A vibrant, engrossing, unputdownable thriller that packs a serious emotional punch. One of those rare books that surprise you along the way and then linger in your mind long after you have finished it.” —Kristin Hannah, #1 New York Times bestselling author of *The Nightingale* and *The Four Winds* Right. Wrong. Life is lived somewhere in between. Duchess Day Radley is a thirteen-year-old self-proclaimed outlaw. Rules are for other people. She is the fierce protector of her five-year-old brother, Robin, and the parent to her mother, Star, a single mom incapable of taking care of herself, let alone her two kids. Walk has never left the coastal California town where he and Star grew up. He may have become the chief of police, but he's still trying to heal the old wound of having given the testimony that sent his best friend, Vincent King, to prison decades before. And he's in overdrive protecting Duchess and her brother. Now, thirty years later, Vincent is being released. And Duchess and Walk must face the trouble that comes with his return. *We Begin at the End* is an extraordinary novel about two kinds of families—the ones we are born into and the ones we create.

How the Secrets of 25 Great Works of Literature Will Improve Your Writing Penguin

Milwaukee Journal Sentinel's Best Books of 2018 Two-time Edgar Award-winning author Lori Roy spins a twisted, atmospheric tale about a small Southern town where girls disappear and boys run away. When Lane Fielding fled her isolated Florida hometown after high school for the anonymity of New York City, she swore she'd never return. But twenty years later, newly divorced and with two daughters in tow, she finds herself tending bar at the local dive and living with her parents on the historic Fielding Plantation. Here, the past haunts her and the sinister crimes of

her father--the former director of an infamous boys' school--make her as unwelcome in town as she was the day she left. Ostracized by the people she was taught to trust, Lane's unsteady truce with the town is rattled when her older daughter suddenly vanishes. Ten days earlier, a college student went missing, and the two disappearances at first ignite fears that a serial killer who once preyed upon the town has returned. But when Lane's younger daughter admits to having made a new and unseemly friend, a desperate Lane attacks her hometown's façade to discover whether her daughter's disappearance is payback for her father's crimes--or for her own. With reporters descending upon the town, police combing through the swamp, and events taking increasingly disturbing turns, Lane fears she faces too many enemies and too little time to bring her daughter safely home. Powerful and heart-pounding, *The Disappearing* questions the endurance of family bonds, the dangers of dark rumors and small town gossip, and how sometimes home is the scariest place of all.

A Guide to the Magic and Mystery of Practical English

Longman

The basic rules governing the use of periods, semicolons, hyphens, commas, and other punctuation marks are illustrated by original explanations and humorous sample sentences. Reprint. *An Utterly Correct Guide to Clarity and Style* Henry Holt and Company

"That rare person who looked like Marlene Dietrich and wrote like Virginia Woolf," Clarice Lispector is one of the most popular but least understood of Latin American writers. Now, after years of research on three continents, drawing on previously unknown manuscripts and dozens of interviews, Benjamin Moser demonstrates how Lispector's development as a writer was directly connected to the story of her turbulent life. Born in the nightmarish landscape of post-World War I Ukraine, Clarice became, virtually from adolescence, a person whose beauty, genius, and eccentricity intrigued Brazil. *Why This World* tells how this precocious girl, through long exile abroad and difficult personal struggles, matured into a great writer. It also asserts, for

the first time, the deep roots in the Jewish mystical tradition that make her the true heir to Kafka as well as the unlikely author of "perhaps the greatest spiritual autobiography of the twentieth century." From Chechelnik to Recife, from Naples and Berne to Washington and Rio de Janeiro, *Why This World* strips away the mythology surrounding this extraordinary figure and shows how Clarice Lispector transformed one woman's struggles into a universally resonant art.

The Disappearing Bedford/St. Martin's

America's Best Newspaper Writing represents the "best-of-the-best" from 25 years of the American Society of Newspaper Editors (ASNE) Distinguished Writing Awards competition. With an emphasis on local reporting, new stories including more on crisis coverage, and pedagogical tools to help students become better writers, the second edition is the most useful and up-to-date anthology available for feature writing and introduction to journalism classes.

Illuminating the unique poetic style of Angie Estes's poetry, from her earliest work to her most recent collection

50 Essential Strategies for Every Writer Cambridge University Press

Introducing English Grammar introduces readers to the methodology and terminology needed to analyse English sentences. The approach taken is in line with current research in grammar, a particular advantage for students who may go on to study syntax in more depth. All the examples and exercises use real language taken from both standard and non-standard geographical areas and dialects, and include excerpts from Australian and British newspaper articles. Students are encouraged to think about the terminology as a tool kit for studying language and to test what can and cannot be described using these tools. This new edition has been fully updated and features: an expanded introduction; new texts and exercises that include data from social media; revised material on 'Grammar at work' and 'English worldwide'; more suggestions for further reading at the end of the book; a brand new companion website with extensive further reading and answers to the exercises, which can be found at www.routledge.com/cw/borjars. Written for readers with no previous experience of grammatical analysis,

Introducing English Grammar is suited to anyone beginning a study of linguistics, English language or speech pathology, as well as to students whose interests are primarily literary but who need a better understanding of the structure of English.

Eats, Shoots & Leaves Childrens Press

"Crushing national Debt? Climate Change? No: the greatest danger to our way of life is the decline of grammar. Thus preaches the inimitable Mr Gwynne as he shows us the way out of this sorry state"--

Why Writing Well Matters LinguSystems

The current renewed interest in Medieval culture, literature and society is evident in recent fictional works such as *Game of Thrones* or the cinematographic adaptations of Tolkien's pseudo-medieval universe. From a more academic viewpoint, there are a number of excellent journals and book series devoted to scholarly analysis of English Medieval language and literature. While "traditional" Medieval scholars use several valid vehicles for communication, those researchers who favour more innovative or eclectic approaches are not often given the same opportunities. *New Medievalisms* is unique in that it offers such scholars a platform to showcase their academic prestige and the quality and originality of their investigations. This multidisciplinary collection of essays includes six chapters and nineteen articles in which twenty-one renowned scholars analyse a wide range of issues related to Medieval England, from the *Beowulf* saga to echoes of Medieval literature in contemporary fiction, translation or didactics. As a result, the book is both kaleidoscopic and daring, as well as rigorous and accurate.

The University of Cambridge Little, Brown Spark

Learn the rules of the English language with this easy and engaging style guide. Grammar is complicated. But many textbooks and style guides are often so long and tedious that even English teachers use them as a classroom doorstop. *Grammar 101* is a fun, comprehensive guide focusing on the essentials of grammar. With simple explanations and entertaining examples, you can learn everything you need to know to employ commas, semicolons, and em dashes with confidence. You'll even be prepared to wrangle your run-on sentences and sharpen your syntax with ease. So whether you're looking for an introduction to the rules of grammar or a refresher to keep on your desk, *Grammar 101* has all the answers.

Do I Make Myself Clear? Little, Brown Spark

A basic grammar program, including worksheets, designed for language-delayed individuals from 4th grade through adulthood.

America's Best Newspaper Writing Oxford University Press

"Writing Science is built upon the idea that successful science writing tells a story, and it uses that insight to discuss how to write more effectively. Integrating lessons from other genres of writing and years of experience as author, reviewer, and editor, Joshua Schimel shows scientists and students how to present their research in a way that is clear and that will maximize reader comprehension ... Writing Science is a much-needed guide to succeeding in modern science. Its insights and strategies will equip science students, scientists, and professionals across a wide range of scientific and technical fields with the tools needed to communicate effectively and successfully in a competitive industry."--Back cover.

The Glamour of Grammar Routledge

NEW YORK TIMES BESTSELLER • A sharp, funny grammar guide they'll actually want to read, from Random House's longtime copy chief and one of Twitter's leading language gurus NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • Paste • Shelf Awareness "Essential (and delightful!)"—People We all write, all the time: books, blogs, emails. Lots and lots of emails. And we all want to write better. Benjamin Dreyer is here to help. As Random House's copy chief, Dreyer has upheld the standards of the legendary publisher for more than two decades. He is beloved by authors and editors alike—not to mention his followers on social media—for deconstructing the English language with playful erudition. Now he distills everything he has learned from the myriad books he has copyedited and overseen into a useful guide not just for writers but for everyone who wants to put their best prose foot forward. As authoritative as it is amusing, Dreyer's *English* offers lessons on punctuation, from the underloved semicolon to the enigmatic en dash; the rules and nonrules of grammar, including why it's OK to begin a sentence with "And" or "But" and to confidently split an infinitive; and why it's best to avoid the doldrums of the Wan Intensifiers and Throat Clearers, including "very," "rather," "of course," and the dreaded "actually." Dreyer will let you know whether "alright" is all right (sometimes) and even help you brush up on your spelling—though, as he notes, "The problem with mnemonic

devices is that I can never remember them." And yes: "Only godless savages eschew the series comma." Chockful of advice, insider wisdom, and fun facts, this book will prove to be invaluable to everyone who wants to shore up their writing skills, mandatory for people who spend their time editing and shaping other people's prose, and—perhaps best of all—an utter treat for anyone who simply revels in language. Praise for Dreyer's English "Playful, smart, self-conscious, and personal . . . One encounters wisdom and good sense on nearly every page of Dreyer's English."—The Wall Street Journal "Destined to become a classic."—The Millions "Dreyer can help you . . . with tips on punctuation and spelling. . . . Even better: He'll entertain you while he's at it."—Newsday

Introducing English Grammar Simon and Schuster

Online sensation Grammar Girl makes grammar fun and easy in this New York Times bestseller Are you stumped by split infinitives? Terrified of using "who" when a "whom" is called for? Do you avoid the words "affect" and "effect" altogether? Grammar Girl is here to help! Mignon Fogarty, a.k.a. Grammar Girl, is determined to wipe out bad grammar—but she's also determined to make the process as painless as possible. A couple of years ago, she created a weekly podcast to tackle some of the most common mistakes people make while communicating. The podcasts have now been downloaded more than twenty million times, and Mignon has dispensed grammar tips on Oprah and appeared on the pages of The New York Times, The Wall Street Journal, and USA Today. Written with the wit, warmth, and

accessibility that the podcasts are known for, Grammar Girl's Quick and Dirty Tips for Better Writing covers the grammar rules and word-choice guidelines that can confound even the best writers. From "between vs. among" and "although vs. while" to comma splices and misplaced modifiers, Mignon offers memory tricks and clear explanations that will help readers recall and apply those troublesome grammar rules. Chock-full of tips on style, business writing, and effective e-mailing, Grammar Girl's print debut deserves a spot on every communicator's desk. *Grammar Girl's Quick and Dirty Tips for Better Writing* Vintage America's most influential writing teacher offers an engaging and practical guide to effective short-form writing. In *How to Write Short*, Roy Peter Clark turns his attention to the art of painting a thousand pictures with just a few words. Short forms of writing have always existed—from ship logs and telegrams to prayers and haikus. But in this ever-changing Internet age, short-form writing has become an essential skill. Clark covers how to write effective and powerful titles, headlines, essays, sales pitches, Tweets, letters, and even self-descriptions for online dating services. With examples from the long tradition of short-form writing in Western culture, *How to Write Short* guides writers to crafting brilliant prose, even in 140 characters.

Writing Tools CreateSpace

*New York Times Bestseller * One of NPR's Best Books of 2017 A wise and entertaining guide to writing English the proper way by one of the greatest newspaper editors of our time. Harry Evans

has edited everything from the urgent files of battlefield reporters to the complex thought processes of Henry Kissinger. He's even been knighted for his services to journalism. In *DO I MAKE MYSELF CLEAR?*, he brings his indispensable insight to us all in his definite guide to writing well. The right words are oxygen to our ideas, but the digital era, with all of its TTYL, LMK, and WTF, has been cutting off that oxygen flow. The compulsion to be precise has vanished from our culture, and in writing of every kind we see a trend towards more--more speed and more information but far less clarity. Evans provides practical examples of how editing and rewriting can make for better communication, even in the digital age. *DO I MAKE MYSELF CLEAR?* is an essential text, and one that will provide every writer an editor at his shoulder.

The Allure of Grammar FriesenPress

Rae Wilder has problems. Supernatural creatures swarm the earth, and humanity is on the brink of extinction. Stalked by a handsome fairy who claims she is like him, demonkind, Rae thinks maybe it was a mistake breaking the rules by going over the Wall into demon territory. Plunged into a world of dark magics, fierce creatures, and ritual sacrifice, she is charged with guarding a magical amulet. The changes to her mind and body are startling, but rather than accept her purpose she struggles against who she is destined to be. Throw in a big lust for a vampire who can't keep his hands off her, and life starts to get complicated. Rae is forced to make the ultimate choice: to live and die human, or embrace her birth-right and wield magics that could turn her into something wicked, a force of nature nothing can control.
